OPENING EXERCISES

Tuesday, June 20, 1950, 3:30 p.m.

(Following Morning Parade.)

Director General STEARNS: Mr. President, Imperial Sir, Imperial Officers, Distinguished Guests, Nobles, Ladies, and Friends:

To all of you wonderful people here today, particularly the thousands who have remained here at this hour of the afternoon, Al Malaikah Temple and all of California are very proud on this great occasion to welcome Shrinedom's finest from every part of North America.

You have just witnessed the finest and greatest Shrine parade in the history of our Order, the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America. As Director General of the Convention I want to thank from the bottom of my heart the thousands of Shriners of Al Malaikah

HAROLD LLOYD
IMPERIAL POTENTATE PRESIDING
76TH SESSION

Temple, the business organizations and civic leaders who have contributed so generously of their time and money in the preparations and planning. I want to express my gratitude to the thousands of Nobles of Shrine Temples from all over North America who have paraded here today, who have travelled so many thousands of miles in trains, planes, busses, boats, and on horseback to honor our own Harold Lloyd at this Seventy-Sixth Imperial Council Session.

(The Lord's Prayer by Los Angeles Chanters.)

Director General STEARNS: The presentation of the Colors. The Flag of the United States.

Noble EVERETT MATTOON: Imperial Sir, Mr. Director General, Illustrious Sirs, Nobles, Ladies and Gentlemen:

At this moment it is our proud right and our sacred privilege to join together in a tribute to the Flag of the United States of America. It is a solemn and joyful occasion.

This flag embodies and epitomizes the ideals and the history of our great free nation. It records the achievements and embodies the story of its defenders upon both land and sea. It heralds the heroism and sacrifices of our Revolutionary Fathers who planned a free government on this continent and dedicated it to Liberty forever. It attests the heroism of our armies and the valor of our citizens alike through the wars of this Republic. It has been sanctified by the blood of our boys. It records the achievements of Washington, and it records the martyrdom of Lincoln. It has been bathed in the tears of a sorrowing people. It has been glorified in the hearts of a most freedom loving people, not alone at home, but in every part of the known world, expressing as it does the will of all free peoples. It proclaims that they acknowledge no earthly sovereign other than themselves.

It has never been assaulted but that millions did not rise up to salute, and smite the assailant.

Glorious old banner. Under this banner Liberty has been enthroned and the cause of freedom has been glorified. At the same time this great nation of ours has shown mercy and extended blessed asylum to all the oppressed throughout all lands. Within this country we have folded into our arms those oppressed, we have lifted the downtrodden, but we must and we shall stay with hand of steel those who come to our sacred portals to waste, to sabotage, and to destroy the gifts of freedom.

Our neighboring republics here represented today join in these same sentiments. For all the signs and all the symbols since the world began there is none so full of meaning as these flags. That piece of red, white, and blue bunting means five thousand years of struggle upwards, struggle for liberty. It is now the full grown flower of ages of fighting for freedom, freedom of the soul, freedom for equal opportunity to all sons of Man, and war upon all those who would make slaves of Mankind.

Do not be ashamed if your throats choke as tears come whenever you see it unfurled in all its splendor before your eyes. You will never experience a more worthy emotion. Reverence it as you would reverence the signature

of the Deity. As you look back in your hearts, imagine yourselves going with the great, the immortal George Washington from Yorktown to Valley Forge, and with the immortal Teddy Roosevelt up the hills of San Juan with this banner beside him, and then on to Chateau Thierry and to the Argonne where its colors were never dim, and finally with three glorious valiant Marines trudging up the hill and planting it atop the shell-shattered crest of Iwo Jima, and there today after all of these trials we find this Flag.

And so with hearts sometimes frightful and humble and with renewed pledge of unquenching, undying devotion, we salute the Flag of the United States, Old Glory, The Stars and Stripes Forever.

Director General STEARNS: That eulogy to the American Flag was given by Noble Everett W. Mattoon, Past Potentate of Al Malaikah Temple.

The Flag of Canada, eulogy by Noble Marshall Porter, Al Azhar Temple, Calgary, Alberta, Canada.

Noble PORTER: All over the world free peoples are being subdued by dictators. The process is called by different names, but it is coming through by only one method. It destroys the dignity of the individual and makes him subservient to the State. Happily on this continent the dignity of the individual is the foundation of our way of life, our government, and our institutions. The teachings of Masonry are founded upon the dignity of the individual. These principles did not come to us by accident, but were won by the struggles of our fathers who gave us government by the consent of the governed, the common law and all those other things we describe as Liberty.

This Flag is the symbol of these rights. It flies over Canada the home of your kinfolk, your biggest neighbor. It is the emblem of its people, your biggest customer, friend in peace, and ready allies in war.

Salute the Flag of Canada.

Director General STEARNS: The Flag of Mexico, and eulogy by Alejandro Buelna, Aide to the Potentate of Anezeh Temple, Mexico City.

Noble ALEJANDRO BUELNA: Illustrious Imperial Potentate, Illustrious Sirs and fellow Nobles:

I am indeed privileged and greatly honored to pay tribute to the flag of my country as the representative of my President and as a visiting Noble of Anezeh Temple.

This great flag with its significant emblem in the center flies proudly over a nation whose beginnings reach back into a remote past where highly civilized people existed centuries before the first colonists reached the Atlantic shores.

It represents all we aspire to and stand for, for all we love and cherish, for all we represent to the world as a free and democratic people. Several are the historic interpretations given to the origin of our colors, but perhaps fitting at this time, is to think of the green as depicting our fertile and hospitable valleys that extend from the Rio Grande to the Guatemalan border; of the white as representing the flawless friendship we hold for our neighbors and all democratic nations; and the red as reminding us of the blood shed

by our patriots in the defense of human liberties and the blood that will always be willingly shed, to preserve those ideals that bind your country and mine in one common bond.

To our flag we look for inspiration in times of trouble and doubt. We need only to see in the centered emblem, depicting an eagle on a rock killing a snake held in its beak, to perceive what we must do and have always done when corruption of high ideals and human liberties enter our midst disguised, but as venomous and treacherous as is the poisonous snake.

From my President I bring you the most friendly and fraternal greetings and his invitation to each and all of you who are able, to come to Mexico whenever you can, and especially on occasion of the Second International Joint Ceremonial of Al Malaikah and Anezeh Temples in Mexico City next October. We sincerely hope you will be able to attend and permit us the opportunity to demonstrate the affection we have for you, to open the doors of our homes and to extend to you the hospitality of a true and friendly neighbor.

Director General STEARNS: I take pleasure in presenting to you the Illustrious Potentate of Al Malaikah Temple, Virgil F. Frizzell.

Noble FRIZZELL: Imperial Sir, Nobles and Ladies, it is with great pleasure and pride that I join with the Nobility of Al Malaikah Temple in extending a most hearty welcome through our own Imperial Sir, Harold Clayton Lloyd, to the Officers of the Imperial Council, the Imperial Representatives and to all of the Nobility of North America attending the Seventy-Sixth Imperial Council Session in Los Angeles.

Surely, with the world in such a state of confusion, there could be no better opportunity afforded a Masonic Fraternity to assert its influence for good through a fraternal demonstration of its cardinal tenets. Let each one of us pray to the Supreme Being for His help and guidance in our deliberations toward this goal. May warm memories still live of that last Imperial Council Session held here twelve years ago, and deep appreciation is felt by all of us that we are again so honored. Every effort has been made to insure your visit to be a happy one, beneficial not alone to you and your loved ones, but to all Shrinedom. May Allah guide our footsteps and may our memories of this Imperial Council Session be everlasting and pleasant.

Director General STEARNS: I wish at this time to introduce one of the very newest members of Al Malaikah Temple, the Mayor of the City of Los Angeles, who has been so cooperative throughout all of the months of planning, and who has looked upon this Shrine Convention as a Civic affair. I want to especially thank Mayor Fletcher Bowron for the fine cooperation of every department. The Police Department is doing a wonderful job in the face of the traffic conditions which exist. At this time I am going to ask the Honorable Mayor Bowron to say a few words of greeting.

Noble BOWRON: Imperial Sir, Past Imperial Potentates, Nobles, Ladies, and visitors from far and near:

Los Angeles greets you. We salute you. To say that you are welcome is such an understatement that it may be considered as trite.

For some years last passed we have had our sights on this convention. We have done everything possible to get you here. Now that you are here we are proud beyond measure to be the host City to such a grand and glorious group of men and their ladies from all parts of the United States, from Canada, and from Mexico.

Nature has helped us in making each of the occasions when you visited Los Angeles somewhat unusual. In fact we are accustomed to unusual things here in this City. On one occasion it was necessary for us to turn the aqueduct into our City streets to provide fishing from the gutters. Now, you may have thought that this morning was fog or overcast, but where else, what other city could you have had protection from the sun for the finest, the longest, the best, the most colorful parade in the history of the North American Continent.

(Applause) And then I ask you what other City would have cleared its streets of streetcars and busses in order that those of you as you arrive here could march through the streets to your hotels, and to have accommodated this great parade today, and now that you have paraded, we will restore transportation tomorrow.

I say that earnestly, and it is my strong conviction that that will be the case. You may have caught us somewhat with our trolleys down, our hotel accommodations may not have been sufficient for such an outpouring, but we have done the best we could and you good sports that you are, have taken it all in good stride.

We are glad to have such a good number of good sports here, such a number of good American citizens, those who believe in our way of life. It is the only kind of Red Invasion Los Angeles will stand for.

With all the sincerity I possess, I extend to everyone of you a hearty welcome, and may I thank this Order and every member of it in behalf of the people of this community, particularly the parents, the children, those in being and those yet unborn, for the hospital for the less fortunate crippled children. That has been a glorious gift to this community.

Now, about this time I should offer you the keys to the city, but I am considering just how I am going to get them back. You have taken over the city for yourselves, and we do not want the key back because you have found the key to the heart of the City of Los Angeles. We want you to have a good time. The sky is practically the limit. All that we ask is that you obey the law, that is the most of the time. You will find that we are not quite as straight laced as you might have imagined. Have a good time and be sure to come back again. Any Shriners, in any number, singly or in groups of hundreds or thousands, are always welcome in the City of Los Angeles.

(Applause.)

Director General STEARNS: We are honored today by the presence of the Honorable Raymond V. Darby, a very active and outstanding member of Al Malaikah Temple, and a very able and outstanding member of the Board of Supervisors of Los Angeles, who have been tremendously coopera-

tive in everything we have asked them to do. The Honorable Raymond V. Darby.

Noble DARBY: Thank you Director Stearns. Imperial Sir, Imperial Council, and Nobles and Guests:

I am very happy to bring to you a word of greeting in behalf of the Board of Supervisors of Los Angeles County. We are a large and important county, and for those of you who are visiting here, you might be interested in knowing that we have more people within the boundaries of Los Angeles County than there are in any other of the thirty-nine smaller states of the Union; therefore, we have large problems.

The Mayor of the City of Los Angeles has just brought you greetings from the City of Los Angeles, but may I tell you there are forty-four other cities in this county, and we invite you to visit them and to stay awhile after the Convention is over.

I need not tell you that we are very proud of our Imperial Potentate. We are very proud of our Shrine Temple Al Malaikah, and all it has done in this community, as you are doing grand work in your communities.

As we sat in the audience here and watched this great parade go by, we could only think that out of your communities was this County made, and we are very, very proud of it.

I presume it will be a great many years before we get another great Shrine Convention here in this County, but we will be looking for you back and hoping that you stay awhile with us. Thank you very much.

Director General STEARNS: I now wish to introduce an old friend of mine who is also a long time member of Al Malaikah Temple. He is Lieutenant Governor of the State of California, and due to the absence out of the State on official business of our great Governor Earl Warren, this man is today the acting Governor of the State of California, the Honorable Goodwin J. Knight.

Noble GOODWIN J. KNIGHT: Thank you Director General Francis Stearns. Imperial Potentate Harold Lloyd, my Brothers in Shrinedom, and Ladies and Gentlemen, like Mayor Bowron, and Mr. Darby, who have preceded me, and all the other gentlemen who have spoken, we are happy indeed to welcome you here to California, and we hope that during some time of your stay here you will have an opportunity to visit other parts of our great State.

We are very proud of the fact that California, like our great County and City of Los Angeles, has grown from perhaps six million people seven years ago to eleven million people now, making it the greatest and largest State in the Union.

We hope you will enjoy your fine visit here, and we hope that Mayor Bowron's prediction with reference to transportation will come through this very night, and if it doesn't, I shall reduce his salary, as the Governor of California. He says that will be all right with him.

We certainly are appreciative of your coming here, and we hope you will have a magnificent time, and in order that you will have more time to have that god time, I shall stop talking at this point, and say to you, God bless you and good luck.

Director General STEARNS: I am now going to ask Arthur M. Loomis, Past Potentate of Al Malaikah Temple, and Junior Past Grand Commander of the Grand Commanderies of the State of California to present a number of very distinguished Masons who are here on the platform. Arthur M. Loomis:

Noble LOOMIS: Illustrious Imperial Potentate, Officers of the Imperial Divan, Past Imperial Potentates, and Ladies and Gentlemen:

There are seated on the platform in the front row eight men who have come here for the purpose of extending the greetings of the leading Masonic bodies of California and of North America to the Ancient Arabic Order of the Nobles of the Mystic Shrine in this, their annual session.

You will notice that each of these eight men wear the fez of a Noble of the Masonic Shrine. The first four, due to the lateness of the hour, have voluntarily accorded any time they had for speaking purposes to such other persons as we have the honor of having present who are national officers. In other words, they are bosses, as they say it, so these four will stand and take a bow at this time. It is my pleasure to present to you Noble Leo J. Wilson, Most Illustrious Grand Master of Royal and Select Masters of California, and Noble Carl R. Moore, Most Excellent Grand High Priest of the Grand Chapter of Royal Arch Masons of California, and third, it is my privilege and honor to present Noble James F. Dougan, Right Eminent Grand Commander of the Grand Commandery of Knights Templar of California. It is also our privilege to have with us today a man who came all the way from New York to attend the meeting, Major General Walter A. Delamater, whom I am presenting as the Grand Captain General of the Grand Encampment of the Knights Templar of the United States of America, and it is rumored he might be the next Director General of the next Shrine Convention. Now it is my privilege to present to you Noble William Rhodes Hervey, Sovereign Grand Inspector in California of the Ancient Accepted Scottish Rite Masons of Southern Jurisdiction.

(Applause.)

Will you please extend a few words of greeting?

Noble HERVEY: Imperial Potentate, Chief Rabban, Assistant Rabban, Nobles, Ladies and Gentlemen:

I was not extended an invitation to decline speaking at this time. I had never had the experience of making a speech after seven hours of peoples waiting, and I wondered how it would go. It doesn't go very well with me, and I wish he had left me out, but as the representative of the Supreme Council, I extend you the greetings of the Sovereign Grand Master, John H. Cowles, 33rd, and I add to them my greetings and the greetings of all my Orient of thirty-seven thousand Masons, because we are intimately associ-

ated with and we are very fond of the Shrine. It occupies a unique position as we do, and it has carried on its purposes in a magnificent manner.

This day has been a beautiful day, the pageant of the parade has been excellent. I have never seen anything like it, and probably never will again. I hope you will have a happy time here, I hope that the Mayor will give you the keys to the city, and after a few days or few weeks of sojourn, I trust that you will have a safe and happy return to your homes, and that the impressions today and the impressions made by the Shriners of North America will be lasting in your hearts.

(Applause.)

Noble LOOMIS: Thank you very much. Now, I will call on a Noble who flew in from Des Moines, Iowa last night to be present on this occasion, Earl E. Dusenbery, Most Excellent General Grand High Priest of the General Grand Chapter of Royal Arch Masons of the United States of America.

Noble DUSENBERY: Illustrious Noble Loomis, Director General Stearns, Most Worshipful Brother Fisher, Imperial Sir, and Distinguished Guests, Ladies and Nobles:

The General Grand Chapter of Royal Arch Masons are honored to be invited to participate in the opening ceremonies of the Seventy-Sixth Annual Session of the Imperial Council of the Nobles of the Mystic Shrine, and I am very happy to bring to you the greetings of the seven hundred thousand Royal Arch Masons of North America affiliated with the General Grand Chapter.

I have been a member of Za-Ga-Zig Temple, Des Moines, for over twenty-six years, and I am proud that I am a Shriner. The General Grand Chapter of Royal Arch Masons recognizes and highly commends the Nobles of the Shrine for the wonderful work you are doing in the Crippled Childrens Hospitals, and we wish you every success in the extension and enlargement of this great humanitarian objective.

Imperial Potentate Lloyd, we congratulate you on having had a very interesting and successful year, and we wish for you a most harmonious session, and to your successor and to all Shrinedom, we wish a very happy and successful future.

(Applause.)

Noble LOOMIS: It is indeed an honor and a privilege to have with us today the Grand Master of Knights Templar of the United States of America, also a Noble of the Mystic Shrine, a Californian residing in San Francisco, Past Grand Master of Masons of California. It is now my pleasure to present to you Robert B. Gaylord, Most Eminent Grand Master of the Grand Encampment of Knights Templar of the United States of America.

Noble GAYLORD: Most Illustrious Potentate, Nobles and Friends of Masonry:

This is the third opportunity which has been afforded me in an official capacity to join in greetings to the Imperial Council of the Shrine. The first time was years ago in San Francisco when I was the Grand Master of the

Grand Lodge, again in 1946 in San Francisco on behalf of the Grand Commandery of the Knights Templar of California, and today in my capacity as representative of Templary.

We have three great organizations which rest upon the foundation of the Blue Lodge, the Lodge which exemplifies the cardinal virtues—temperance, fortitude, prudence, and justice. One of them is the Scottish Rite whose representative already has spoken to you, which exemplifies to you Masonry without distinction of race or creed. Another is the Order of Knights Templar which is, I think I can safely say, the greatest non-denominational Christian organization in the world. The third organization is that body whose Imperial Council meets here in Los Angeles today. It has been said that the Shrine is the playground of Masonry. It has been said that its only justification for existence are these hospitals for crippled children which the Shrine maintains and which is a noble undertaking, but, ladies and gentlemen, the Shrine represents something greater and something deeper than either of those objectives, and that is the exemplification of friendship of the closest relationships known to man.

One and all as Masons we join in a common ideal. It was the ideal in years gone by, centuries gone by, of the Pagan who unconsciously recognized Deity as he knelt before his graven image. It was the ideal of Abraham, Isaac, and Jacob. It was the ideal of Moses when he brought the Tablets from Mount Sinai. It was the ideal of our forefathers who crossed the ocean for freedom of speech and freedom of religion. It was the ideal of the Declaration of Independence and the Constitution of the United States, and it was the ideal of those men who are represented by the Unknown Soldier who is buried at Arlington, and that ideal is the uplift of humanity.

We may very well today repeat again those words which we quoted so frequently in the days of the First World War, "If ye break faith with us who die, we shall not sleep though poppies grow in Flanders Field".

(Applause.)

Noble LOOMIS: And now finally, Most Worshipful Ellsworth Meyer, Grand Master of Masons in California, after calling the Session of the Grand Lodge yesterday for the purpose of laying the cornerstone of the new childrens' hospital, found it necessary to leave for an official visit to Hawaii, but he sent a man to represent him, to bring greetings from him, and from the Grand Lodge of California. It is now my pleasure and privilege to present Will R. Fisher, Most Worshipful Past Grand Master of the Grand Lodge of California.

Noble FISHER: Illustrious Imperial Potentate, and the Nobility in general, and Ladies and Gentlemen:

As Noble Loomis has just told you, before sailing yesterday afternoon for the Hawaiian Islands to visit the lodges there, our Grand Master, the Most Worshipful Ellsworth Meyer, requested me as the Senior Past Grand Master available for the purpose, to convey to you the salutations, the welcome, and the most cordial Grand wishes of the Grand Lodge of California. Befitting the circumstances, I shall be brief.

The Grand Master bade me to congratulate you on the good deeds of Shrinedom with special emphasis on the great work of the hospitals for crippled children. California Masons in general have long been proud of the Shrine Hospital in San Francisco, and they look forward with enthusiasm to the completion of the unit now rising in Los Angeles, the cornerstone of which the Grand Master laid yesterday morning.

This is the centennial year of the Grand Lodge of California, and in the month of October in the beautiful city of San Francisco it is our intention to celebrate the anniversary. We hope to have with us on that occasion Masonic dignitaries from the entire world, and you as Masons, should your convenience permit, shall be made welcome.

May your sojourn here be one of great joy, and finally may I express on behalf of our Grand Master and our Grand Lodge, the ancient Masonic wish that as you pass along life's rugged road, you will have but one aim, to please one another and unite in the grand design of promoting happiness and may kindness and brotherly affection distinguish you as Shriners, as men, and as Masons.

Director General STEARNS: It seems to me that the routine and procedure of this opening session of the Seventy-Sixth Imperial Council Session is a little reversed or out of order. At any rate it is about time that the head man of the Shrine took over, took the stand and told us what he wants to do, and starts running this meeting. For that reason, I am going to introduce a man who really needs no introduction in any group of citizenry and particularly in our Order, the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Harold Lloyd.

(Applause.)

Imperial Potentate HAROLD LLOYD: To the words of greeting extended to you by the fine speakers who have preceded me, I'd like to add my own welcome to all of you, not only in my present official capacity, but as a member of the host Temple, Al Malaikah.

The Shrine is grateful to our many distinguished guests for taking time from their duties to be with us this afternoon. In acknowledging the regrets of Governor Warren that he could not attend, I wish to thank him for delegating his able Lieutenant Governor, Goodwin J. Knight, to represent him and the State of California at this ceremony.

Our appreciation is expressed to Mayor Fletcher Bowron, not only for his presence here, but for his courtesy in extending to the Nobility and their families the key to the City of Los Angeles. We are honored, too, by the presence of many high officers of Masonry, upon whose firm foundation of high principles the Shrine has erected its own edifice of fellowship and service.

This occasion, my friends, marks the fulfillment of a long held aspiration; to stand here in my home city of Los Angeles and welcome the Nobles from all of North America in the name of the Temple that has given me so many years of pleasure and satisfaction. This city and Al Malaikah are hon-

ored in having so many of you as our guests, particularly as a large proportion of you have journeyed clear across the continent, and some of you across two thousand miles of ocean, to take part in this important series of Shrine meetings.

And I want to extend a special welcome to those of you who do not happen to be Masons or Shriners, but are friends of the family, so to speak. We all thank you for your interest in our proceedings.

The vastness of the throng here today is but one of many indications of the greatness of the Shrine today, and of the growing part it plays in the lives of so many of us.

Each of the 600,000 Shriners probably has his own individual and personal reasons why he is a member of our Order. On examining these reasons, we will probably find to our surprise that we have many more good reasons for belonging to the Shrine today than we could have named five, ten, or even thirty years ago.

It is not merely that the organization has improved; but we ourselves have grown in capacity to enjoy and appreciate the Shrine. Life and experience have opened our eyes to many things to which we formerly were blind.

We may have come into the Shrine because of the obvious opportunities for pleasure and fellowship. But without being aware of any change, we found ourselves taking part in activities with serious aims. We discovered the greater pleasure, the more satisfying joy of serving others.

We found, for example, the richly rewarding experience of taking part in what has been called the World's Greatest Philanthropy—our Shriners Hospitals for Crippled Children. These hospitals, in the thirty years of their existence, have transformed 150,000 boys and girls from helpless misery into normal, self-reliant human beings. We have taken these children for treatment and care regardless of their race, creed or color.

Speaking for myself, I am a Shriner because I believe in the ideals upon which the Shrine was founded. I believe the Shrine provides an unexcelled means for an individual to express those ideals in a tangible, productive, satisfying way.

Shriners are so many faiths and creeds, but we all acknowledge faith in a Supreme being. We believe in the brotherhood of man, and in the dignity of the individual. We believe it is the function of government to preserve the rights and freedom of the individual.

And I believe that as a good American I must do everything in my power to maintain our rights of freedom and opportunity for others as well as myself. I believe in encouraging individual thinking, and individual enterprise. The faith that man has within him, the power to rise above obstacles, is the faith that made America great.

We oppose an ideology that seeks to degrade human beings. We oppose any philosophy that declares the police state to be the highest human social

achievement, and which would invade the sacred sanctuary of a man's conscience, where only God may enter as judge.

You have heard the tributes to the flags of the three nations flying over this stadium. Each Shriner here today is loyal to the flag of his country. For each of these flags is a banner of freedom.

Masonry and Shrinedom have flourished in this soil of freedom. Shrinedom has given me a keener appreciation of what it means to be an American. In the Shrine I have found myself surrounded by men full of the joy of living, men of hope and optimism and understanding. They are loyal to the principles of Masonry and the Shrine, for they are identical with the principles of brotherhood and liberty embodied in the ideals of Americanism.

They are dedicated to preserving these ideals. And they are ever vigilant against any act or deed that threatens to rob us all of our great heritage of freedom.

This, friends, is the Shrine. These are a few of the reasons I wear this fez. I am proud of that symbol, and of the 600,000 of my fellow Nobles who wear it.

(Applause.)

Thank you very much. Now, Ladies and Gentlemen, this closes the opening ceremonies for the 76th Annual Imperial Council Session. Thank you very much for coming. We hope to see you real soon again. Thank you.

MORNING SESSION

Imperial Potentate LLOYD: Now will the Outer Guards carefully see that only Representatives to the Imperial Council occupy the first floor. All Nobles are very welcome to seats in the balcony.

By virtue of the power invested in me as your Imperial Potentate, I declare the 76th Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America for 1950 duly opened.  LLOYD S. JACKSON

 FREDERICK WILKEN
 HERMAN H. MAYBERRY

I move the adoption of the report. (Motion seconded.)

Imperial Potentate LLOYD: All in favor say "Aye". Contrary "No".
 Carried. The Chair now recognizes Noble Robert P. Smith, our General Counsel for a motion.

Noble Robert P. SMITH: Imperial Sir, in view of the length of time required by the public opening exercises, it was impossible to properly open the Imperial Council Session for the transaction of business yesterday. Therefore, be it resolved that the election of officers, which, according to the Imperial By-laws shall take place immediately after the opening of the second day session, be postponed until after the report of the Credentials Commit-

tee and the address of the Imperial Potentate. I move the adoption of the Resolution. (Motion seconded.)

Imperial Potentate LLOYD: It has been moved and seconded. All those in favor say "Aye". Contrary "No". It is carried. The next order of business is the annual address of the Imperial Potentate, and at this time I would like to turn the gavel over to Past Imperial Potentate Galloway Calhoun. Would you preside while I am giving my report? I now declare this session is open for business to be transacted in both the Colorado and Iowa Corporations, and will remain open until the session is adjourned.

NOBLE CALHOUN: Nobles, we will now give attention to the report of our beloved Imperial Potentate.

REPORT OF THE IMPERIAL POTENTATE

To the 76th Session of the Imperial Council,
A.A.O.N.M.S.

Noble HAROLD LLOYD: One year ago, in the City of Chicago, I was accorded the proudest honor of my life, when more than 600,000 Nobles of the Mystic Shrine, through the Imperial Council, bestowed upon me the office of Imperial Potentate. To be accorded that honor at any time would be a memorable event in any man's life. But it came to me upon the occasion of the Shrine's Diamond Jubilee, commemorating seventy-five years of fellowship and of devotion to the cause of humanity.

It has been my great privilege to represent our Order during this Jubilee year, during which we have re-dedicated ourselves to furthering the high aims of the Shrine. Even in a changing world, we can hope that the next seventy-five years will see the principles of the Shrine and of Masonry further advanced to the betterment of all mankind.

VISITATIONS

In this past year I have made 126 visitations throughout the United States and Canada, traveling many thousands of miles. But of course the number of cities and the mileage are not important. A misdirected letter could have done the same.

The important thing to me, aside from attempting to fulfill my duties, was the magnificent opportunity given me to meet the Nobility and their families in every part of the country. And it has been an experience I shall never forget.

I have met people of widely varied economic interests. Yet they all have this in common: an enthusiasm for the Shrine activities, a feeling of fellowship for their brother Shriners everywhere; and an intense loyalty and devotion to this country and the principles of liberty and freedom upon which it was founded.

Yes, I have seen Democracy at work in the Shrine. It shows itself in many ways. No matter how important a Noble may be in public life, he is not above any service to his Temple and for his fellow Nobles. I have seen the Governor of a State sweep the floor of his Temple with more zeal, probably, than the paid janitor sweeps the Governor's office!

In my visitations I have been impressed by the number of Shriners holding positions of public service and trust. At one civic affair I attended in one of our cities, the mayor, the chief of police, the fire chief, four councilmen, the city clerk, several judges, and the Governor of the State—all were wearing fezzes.

It speaks well for this organization when so many of the Nobility are chosen by the public to serve in positions of honor in all levels of government.

My visitations brought home to me another distinctive characteristic of the Shrine—the originality displayed by the different Temples in their entertainments and ceremonials. Everywhere I went, I was amazed at the infinite variety and individuality shown in planning and producing these formal and informal functions.

Another inspiring thing to me about the Shrine is the wonderful enthusiasm radiated by the Nobility in every Temple and Shrine Club. The Shrine seems to endow its members with a vitality that increases with the years and keeps us young in spirit.

A Shriner never gets too old to take part in the affairs of his Temple. I recall one fine old gentleman who had been a color bearer for thirty years. For the last three years his fellow Nobles have been trying to convince him that parades were too strenuous for a man of his age. But he will not set that banner down!

What is it that enables men of venerable age to keep step with youth? What makes a Noble devote hours of his time to his Temple, with little or no public recognition? It's an indefinable spirit, a spirit of service and loyalty to an ideal that is above self-glorification.

It's a spirit that holds Temples together in spite of depressions and calamities.

A few weeks ago a disastrous flood swept over the city of Winnipeg. Shriners in the United States and Canada immediately responded. When I was in Toronto Rameses Temple staged a benefit for the flood victims of Winnipeg. Fourteen thousand people turned out—the largest Shrine gathering ever assembled in Canada. And the proceeds went to help not just the Shriners of Winnipeg, but all the people of that stricken city.

These are but a few of the ways the Shrine spirit is manifest.

I must admit that this past year has been strenuous, but my duties were made easier by the wonderful cooperation I received from the Temples. When the Shrine honors a man by giving him its highest office, it does not give him a title alone. With that title go the greatest affection and the most warm and generous hospitality.

Each Temple seemed to try to exceed the other in making my visit an altogether memorable one.

I have been welcomed, for example, by a dignified assemblage of white horses in Sioux City, Iowa. Fifty white horses standing in single file as the train pulled into the station! And every doggoned horse was wearing horn-rimmed glasses!

I have even been greeted by an honor guard of Arabian camels, also wearing glasses! And that, if you will pardon the pun, is an unforgettable spectacle!

This year has given me other memories, too. Memories that I shall never forget, because they are linked so closely with that great enterprise so dear to the hearts of all Nobles—our Shriners Hospitals.

I attended ceremonies at all but two of our Units. And within the next twelve months I shall have visited the remaining two—the hospitals in Mexico City and in Hawaii.

In the hospitals I've visited, I heard little children, their voices vibrant with joy and hope, tell how they at last were able to walk and to play. My friends, no office that we can accord each other in this organization can compare with the honor every Noble has earned when he hears a child say to its mother, "See, mommie? I can walk!"

TRIBUTE TO DEPARTED NOBLES

There is cause for great rejoicing that so many of us are together on this occasion. Yet, as we greet old friends and renew acquaintances, we note with sorrow and regret that some who were with us only a year ago are not now in our company.

Among the Nobles who have answered the final call since our last assembly are two of our Past Imperial Potentates.

Karl Rex Hammers
Clarence Martin Dunbar

In my travels around the country, I was able to pay my respects to the memory of many of our departed Nobles by laying wreaths upon their graves. These fine men are gone, still they leave in our hearts many memories of their friendship and of their unceasing devotion to our organization. We can pay them no higher tribute than to further the great work to which they gave so much unselfish service.

APPOINTMENTS OF ACCOUNTANTS

Section 39 of the Imperial By-Laws provides that the Imperial Potentate shall direct a Certified Public Accountant to examine and audit the books, papers and accounts of the Imperial Treasurer, Imperial Recorder and all other committees and boards that may have control and expenditure of moneys of the Iowa Corporation. Accordingly, I reappointed in this capacity Noble and Past Potentate Arthur C. Upleger, who made and duly certified the required audit. It has been printed and delivered to each representative, and the original audit and examination has been referred to the Committee on Finance and Accounts.

To examine and audit the books, papers and accounts of the Shriners Hospitals for Crippled Children, the Colorado Corporation, and officers thereof having control and expenditure of moneys, I reappointed Noble and Past Potentate Parry Barnes, Certified Public Accountant. This audit has also been made and filed, and a copy printed and distributed to every representative.

I would like to commend both these men for the efficiency and dispatch with which they performed their exacting and important duties.

APPOINTMENT OF GENERAL COUNSEL

Again the wisdom of my predecessors in filling appointive offices was sustained by the services rendered by Noble and Past Potentate Robert P. Smith of Washington, D. C., whom I reappointed General Counsel of the Ancient Arabic Order Nobles of the Mystic Shrine (Iowa Corporation), and Shriners Hospitals for Crippled Children (Colorado Corporation).

SHRINERS HOSPITALS

I am very happy to be able to report that this year has seen considerable progress in furthering the work of our Shriners Hospitals.

In Winnipeg I had the honor of participating in the ceremonies dedicating the new unit in that Canadian City. I know you all will be glad to hear that the Hospital was not damaged by the flood, and that the children, who were all removed as a safety precaution, have been returned for treatment.

The Lexington, Kentucky, Unit is preparing a new addition and will be extensively modernized.

Also, the Intermountain Unit at Salt Lake is on the verge of completing a magnificent new hospital and expects to be in full operation in the fall.

And, as you know, we have laid the cornerstone of the seventeenth unit here in Los Angeles. It is a source of great satisfaction to me, as a member of Al Malaikah Temple, that this heavily populated region will soon have

a Shriners Hospital to help the many children in the south Pacific Coast area who need the treatment and care our plan provides.

Thus the Shrine is fulfilling the pledge made just thirty years ago when the Hospital project was unanimously adopted. As long as there is one crippled child in need of help, the Shrine stands dedicated to do all that is humanly possible to aid that child, regardless of his race, creed or color.

At this time I want to commend the Board of Trustees for the capable and efficient manner in which they have handled the administration of the Hospital Fund, and to thank them for the cooperation and help they have given me during the past year.

And I want to pay tribute, in behalf of all the Nobility, to the man who conceived this great philanthropy, and whose guidance, wisdom and unflagging industry have helped the Shrine transform a lofty idea into a magnificent reality. I refer of course to Illustrious Noble and Past Imperial Potentate W. Freeland Kendrick, Chairman Emeritus of the Board of Trustees of the Shriners Hospitals.

The Shrine is also fortunate in having as present Chairman of the Board our Past Imperial Potentate Galloway Calhoun, of Tyler, Texas. During his first year in this capacity he has already set a record for exceptional accomplishments. His unlimited abilities and great human understanding make him ideally qualified for this responsible position.

The chairmen and directors of all our Units are deserving of highest praise for their splendid work, as are their efficient staffs. Since the cooperation of the San Francisco Unit has been invaluable in helping to organize our Los Angeles project, I would like to give special appreciative mention to John D. McGilvray, Chairman, and to Mrs. Gertrude R. Folendorf, Administrator of the Shriners Hospitals for Crippled Children.

I wish that all of you could have the opportunity to see, as I have, the hospitals which you helped to build and maintain. Most of us have fair cause to think of hospitals as antiseptic prisons of pain. You will find no such depressing atmosphere about our Shrine Hospitals. They are indeed Halls of Hope.

While they contain the finest and most modern equipment obtainable, and the most skilled surgeons and nurses, they contain something more. They are permeated with the spirit of tenderness, patience and love.

The almost miraculous transformations achieved by our hospitals are first manifest in the minds of the children, rather than in their bodies. Many of them enter the new strangeness of the hospitals with grim faces, pathetically prepared for some new blow of fate, some dreaded variation of the indifference or thoughtless cruelty with which their short lives have been filled.

But, little by little, they are drawn out of this attitude of listless resignation. They look about them and see, to their amazement, other children with afflictions as bad as their own. And they see these children laughing and playing. Soon they too begin to lose their timidity; they talk, and even smile. And before long, they express a new-born hope with unrestrained laughter, for possibly the first time in their lives.

They see other children gaining full use of their limbs, and their hope and confidence grow. They know that they, too, can overcome their handicaps and eventually walk out into a world that is waiting for them, a world that wants them and needs them.

Truly, our Shriners Hospitals are straightening twisted hearts as well as twisted limbs. We can all be proud of our part in this work. For no man ever stands so high as when he stoops to lift a crippled child. Let us remember that when we help a child up a hill we cannot help getting closer to the top ourselves.

HAROLD LLOYD, IMPERIAL POTENTATE

DECISIONS

1949-1950

IMPERIAL POTENTATE HAROLD LLOYD

I. Aug. 4, 1949 Imperial Recorder Saunders received notice that a member of Medinah Temple has been sending circulars to members of the Shrine advertising Shrine Passcases.

HELD (G. S.): The advertisement of these Shrine Passcases is in direct violation of Section 232, Article XXVII which prohibits the use of the word "Shriner", or any variation thereof for commercial or other business enterprises. The Potentate of Medinah Temple was directed to advise the Noble to discontinue this activity.

II. Aug. 10, 1949 Inquiry from Mount Sinai Temple with regard to questions of jurisdiction involving meetings of Degree Teams and holding of "Smokers":

1. May a Master Mason Degree Team of a Temple hold meetings and exemplify the degree in a territory over which such Temple has concurrent jurisdiction with another Temple without permission of the other Temple? In the exclusive territory or concurrent jurisdiction of Temples of other States?

HELD (G. S.): It is not necessary for a Temple to obtain permission from another Temple to hold meetings or public appearances of its uniform organizations or working units in the concurrent jurisdictional territory of the two temples so long as such meetings are under the auspices of the Temple and the control and sanction of the Potentate of the Temple. It would, however, be a violation of Section 230, Article XXVII of the Imperial Code for a Degree Team or other working unit of a Temple to hold a meeting or make a public appearance in territory in which such Temple has no jurisdiction and which is under the jurisdiction of Temples in other states, without the consent of the Potentate of the Temple having exclusive jurisdiction over such territory or the consent of the Potentates of all Temples having concurrent jurisdiction over such territory. In the event an invitation is extended to a Degree Team to attend a Masonic Lodge in a foreign jurisdiction and exemplify the degrees, they would be appearing as guests and not as "Shriners" and thus would not violate the aforesaid Section.

2. Must a Temple have the permission of other Temples to hold "Smokers" in concurrent jurisdiction for the purpose of interesting Master Masons in advancing in Masonry?

HELD (G. S.): It is not necessary for a Temple to obtain permission from another Temple or Temples to hold "Smokers" in territory in which such Temple has concurrent jurisdiction with another Temple or Temples. Where Temples have concurrent jurisdiction, the lawful activities of such Temples may be carried on in such territory without the consent of the other Temples.

III.
Aug. 10, 1949

Request from Ansar Temple for permission to raise funds for the Shriners Hospitals through the sale of seals to its membership.

HELD (H. L.): This request was denied as was a similar request last year when the Imperial Potentate advised Ansar Temple that the Board of Trustees of the Hospitals did not approve of this method of raising funds as it is used by other recognized charities and the Shrine does not wish to encroach upon their methods of solicitation. Further, this plan violates p. 207 of the Proceedings of the Seventy-Third Imperial Council Session held in Atlantic City in May, 1947, which states that all Temples must submit their plans to raise funds for the Hospitals to the Chairman of the Hospital Board for approval.

IV.
Aug. 25, 1949

Suggestion from Khiva Temple of a method for promoting pilgrimages within the membership by organizing a "Lucky Ten Club." The Club would run for any length of time and have any number of members who would be assessed dues of ten cents per week. When the time limit or membership goal has been reached, a meeting would be held and ten officers would be selected through a drawing of names. Upon completion of the election, it would be voted that the officers

selected be sent to the Imperial Council Session with all expenses paid. The Temple, upon inquiry into the matter was informed by the Postmasters office that this plan would not violate the postal laws of Texas.

HELD (H. L.): This plan was neither approved nor discouraged conclusively. Noble Galle was thanked for his idea and told that the same might be adopted in other localities if it was possible to do so without violating the Federal or State lottery laws or Sec. 228 of the Code which forbids the sponsoring of women as members of such a club.

V.
Feb. 28, 1950

Travel Folders entitled "Official Shrine European Pilgrimages 1950, Originated and Operated by A. L. Simmons, Caravan Director Mecca Temple, A.A.O.N.M.S." have been sent to members of the Shrine. This matter was brought to Imperial Recorder Saunders' attention.

HELD (H. L.): Publication and distribution of these folders is in direct violation of Article XVI, Section 118 of the Imperial By-Laws which specifically prohibits the circularization or solicitation of members of our Order for business purposes. Section 232, Article XXVII of the Imperial Code prohibits the use of the word "Noble", "Shriner" or any variation thereof for any commercial or business purpose. A year ago, the Imperial Recorder wrote to Mr. Simmons at the suggestion of the Imperial Potentate advising that the use of the name was forbidden unless authorized by the Imperial Potentate.

DIRECTORS' MEETING

One of the many high points of my tour of visitations was the Directors' Meeting in Louisville, Kentucky, last March 22. There was a large representation of Temples from all over the nation, and the host Temple, Kosair, covered itself with glory.

The exceptionally fine parade was most impressive, and the banquet, attended by a majority of our Imperial Officers, was thoroughly enjoyable. Another notable event was the program at the armory, at which Noble

Louis Chackes performed admirably as master of ceremonies. I am sure that the representatives of Shrinedom who packed that large hall agree with me that it was a most profitable evening, with a masterful demonstration of stunts and an enthusiastic exchange of constructive ideas.

The Shrine Directors and their staffs, I feel, are rendering a tremendous service to the Shrine, and in the years to come will continue to play an increasingly important role in our organization.

DE MOLAY

May I further ask your continued and enthusiastic interest in behalf of the Order of DeMolay. You will remember that nearly 30 years ago this Imperial Council and the General Grand Chapter Royal Arch Masons of the United States were the first Grand Bodies in the Nation to give this Cause their seal of approval. Today it is a world-wide Movement with Chapters in over 1600 towns and cities on the North American Continent alone, with additional ones scattered throughout the world.

I am glad that many Temples are sponsoring DeMolay in their communities, but there is much more that we can do in behalf of this cause. I believe very much in DeMolay's program and I know we all are grateful to Imperial First Ceremonial Master Frank S. Land for his initiative and continued efforts in fostering this fine organization of young men. The Shriners of tomorrow will be in great part the DeMolays of today.

PAST POTENTATES

During this past year I have found one group of men in the Shrine to be a most valuable source of assistance and sound guidance. I refer to the Past Potentates of the Temples. I found them cheerfully willing to give me the benefit of their background and experience, whenever I called upon them for aid. New Officers in the Shrine, regardless of what capacity they serve, will find the Past Potentates of their Temples ever ready to give of their time and the fruits of their own years of service.

IMPERIAL OFFICERS AND IMPERIAL COUNCIL COMMITTEES

I'd like to express my deepest appreciation to the Imperial Officers and the members of the Imperial Council Committees for their considerable assistance to me during this past year. They not only gave me advice when I asked for it, but, often anticipated my problems in advance, and smoothed the way over many difficulties. For their generous cooperation I am sincerely grateful.

IMPERIAL RECORDER

Frankly, I do not know what I would have done without the assistance of our Imperial Recorder George Saunders. George, besides having become a very close friend of mine during this year, was of immeasurable help all through this busy and crowded period. He did so much more than his office required, and I found his diplomacy and kindness beyond description. I will never cease to marvel at his untiring energy and unfailing cheerfulness. The Shrine is indeed fortunate in having such a loyal and capable servant, and I want him to know I feel very indebted to him for his splendid aid. I am sure our incoming Imperial Potentate will find him just as invaluable as I have.

IMPERIAL TREASURER AND GENERAL COUNSEL

I would also like to acknowledge my special indebtedness to our Imperial Treasurer Leonard P. Steuart, and our General Counsel Robert P. Smith, for their staunch support. No one could expect more competent assistance and consideration than these two men accorded me. I hold them

both in high personal regard and affection, and I am deeply grateful to them for aiding me so admirably this year.

PAST IMPERIAL POTENTATES

A greater fount of enthusiasm for the Shrine and its work never existed than that provided by the Past Imperial Potentates. The stalwart and illustrious Nobles who for so many long years have given unsparingly of their time and talents, and preceded me in this office, have answered every call made on them. The Dean of this group, my good friend Frank C. Roundy, and all the others of the number have been great inspiration for me to try in some small way to emulate their noble works. My enduring appreciation is theirs for their great contribution to the cause.

THE RECORDERS ASSOCIATION

To a grand group of Shrine workers—the Recorders Association—I want to pay especial tribute for their long years of service to our cause. These fine Nobles grow old in their service to the Shrine. The Association is a great asset to our organization because it encourages an exchange of ideas on Shrine problems in the different Temples of the Order and the solution of these problems. Their annual meetings are productive of much good, and the Association has made a great contribution to the Shrine as a whole because of this fact. The Association has continued to select outstanding Shrine workers as its leaders. The exchange of ideas within this group spells progress for us and all Recorders are most happy to be helpful to a newcomer in the field of their work. I am grateful to them for the fine spirit of cooperation shown.

TRIBUTE TO AL MALAIKAH AND OTHER CALIFORNIA TEMPLES

The spirit and cooperation associated with the Shrine has been splendidly demonstrated by Al Malaikah and her five sister Temples of California in connection with planning and conducting this convention. It has required a great deal of thought and hard work, on the part of many men and many separate committees, to be host to one of the largest Shrine gatherings ever held.

It is to be regretted that the efforts of all these Nobles cannot be specifically acknowledged here, but I would like to give special thanks to these officers of Al Malaikah: Illustrious Potentate Virgil F. Frizzell, Junior Past Potentate George Sailor, and Director General Francis Stearns and their complete staffs for their splendid achievement in coordinating all the complex details involved in a meeting of this kind.

Groups outside the Shrine itself have also given us the most wholehearted cooperation. Among them are the Motion Picture Industry, various civic groups of Los Angeles, and many other local organizations of many kinds.

MY SUCCESSOR

In relinquishing my post to my successor, Hubert M. Poteat, I feel as a somewhat exhausted runner in a relay race feels when he passes the stick to a fresh and able colleague who is sure to carry his team on to triumph.

The Shrine has made tremendous gains in recent months, through the combined efforts of all the Nobility and I know of no one better qualified than Hubert Poteat to consolidate these gains, and at the same time direct our course toward even greater achievement.

Noble Poteat ranks high in his profession as an educator, in his position as professor of Latin at Wake Forest College in North Carolina and in his progress through the Imperial Line he has demonstrated his immense capabilities by his service to our Order.

The Shrine is fortunate in having as its new Imperial Potentate a man who is not only a scholar and an authority on Shrinedom, but a man of rare executive ability, and a talent for making friends and engendering loyalty and cooperation. It is rare that so many fine qualities are possessed to such a high degree by one man.

I know him as a man of great personal charm, courageous in his convictions. His mastery of ritual and ceremony, his calm command of every situation, his innate sense of tact stemming from his warm sympathy and understanding, all make him a fine presiding officer and an ideal leader of whom every Shriner can be proud.

I wish Hubert Poteat the greatest success in the high office of which he is so eminently deserving.

THE NOBILITY

This year records are being broken all over the country for attendance at Shrine activities and for membership in our Order. Numerous Temples report the largest candidate classes in their history.

This great upsurge of interest in the Shrine is due, I believe, to the enthusiasm and zeal displayed by the Potentates of the Temples and their various committees. The members have responded to that enthusiasm. They have made their Temples a vital, purposeful center of stimulating, worthwhile activity.

This well-directed energy has, like a magnet, attracted thousands of men of high caliber who recognize that the Shrine provides ideal channels of self-expression in wholesome pleasure and valuable service.

I was fortunate in being able to take part in some of these events that have demonstrated the Shrine to be an increasingly popular organization and I am proud to have worked with such able men. That same pride, I am sure, is felt by every Noble who has contributed something of his time and of himself to the activities of his Temple.

In my visitations I have seen incontestible proof that the Shrine is a dynamic, progressive force. It is a force for good, for the advancement of friendship, of understanding, and of good will to all men.

AMERICANISM

As Masons and as Shriners we believe in the dignity of the individual, and in the existence of a Supreme Being. These are the same precepts upon which our nation was founded, and under which America has become great.

As Shriners and as Americans, we are opposed to any philosophy which would deny basic human rights. We oppose any political ideology that places a man-made state as the sole arbiter of right and wrong.

We know that even men who acknowledge the Supreme Being are nevertheless, being human, subject to error and we know that men who deny God, and set themselves up as the ultimate, final, and only tribunal, are not only more prone to error, but destined to plunge ever deeper into brutality, deceit, and tyranny.

We have seen how Communism and other police state philosophies not only deprive men of freedom, but destroy all the finer human values of honor, integrity, and even family loyalty and love. Men and women, and even children, are turned into liars, spies, and barbaric slaves of an unprincipled master that has no code but the perpetuation of its own evil power.

The Shrine was among the first organizations in this country to alert its members against the menace of Communism. The Shrine's 600,000 members not only oppose Communism in theory, but are ever on guard against attempts to put into practice any of the subtle, vicious techniques of subversivism.

We realize that there is more to being a Shriner than wearing a fez, and marching in parades. There's more to it than getting together for a few hours of fun. There is even more to it than maintaining our hospitals—important and valuable as that philanthropy is.

Being a Shriner entails appreciation of higher values of life, and an earnest resolve to maintain liberty and freedom not only for ourselves, but for others.

Each of us here realizes that the Shrine has given us more than we could receive from any other activity and in turn, we are willing to give of ourselves to the Shrine. When we do, we discover a strange and wonderful thing. The more we give, the greater is our reward in a sense of fulfillment, of achievement, and of satisfaction in knowing that we are playing a part in the creation of something eminently worthwhile.

In the Shrine, through our dual creed of service to others and the pursuit of happiness, our over 600,000 Shriners are aided in being better Americans and finer human beings.

Thank you, boys, very much.

(Applause.)

Announcement is made that the Committee on Jurisprudence and Laws and the Committee on Finance and Accounts of the Colorado Corporation are made up of the same personnel as the similar committees under the Iowa Corporation.

ATTENTION IS CALLED TO THE CHANGES IN THE IMPERIAL BY-LAWS AND CODE AS OUTLINED IN THE FOLLOWING PARAGRAPHS:

IOWA CORPORATION—BY-LAWS

ARTICLE V—Iowa Corporation—MILEAGE AND PER DIEM—Section 25; was changed to read as follows:

"All representatives shall be entitled to mileage at the rate of fifteen (15) cents per mile one way, by the shortest available route, from the location of their Temples to the place of the session of the Imperial Council, and per diem expenses at the rate of Twenty-five Dollars (\$25.00) for each day's attendance at the Session of the Imperial Council, to be effective with the 1949 session. The members of the Committee on Jurisprudence and Laws, Finance and Accounts, Mileage and Per Diem, Dispensations and Charters, Jurisdictional Lines and Grievances and Appeals, shall receive Twenty-five Dollars (\$25.00) for the extra days their services are required, such expenses to be paid out of the general fund of the Imperial Council; provided, however, that all elected Representatives, and the present Honorary Members and Permanent Representatives (but not to include Emeritus Members, Representatives at Large or Representatives Ad Vitam) shall not be entitled to receive either mileage or per diem unless the respective Temple to which such Representatives belong has paid and settled with the Imperial Recorder the per capita dues and hospital assessment of such Temple accrued and due as of March 31st of the current year of such Imperial session."

This change raises the rate of Per Diem per day to \$25.00, instead of the original \$15.00 Per Diem per day.

IOWA CORPORATION—CODE

ARTICLE XXXVI of the Code was amended by substituting for the present language of the Code the following jurisdictional coverage for Aahmes, Islam and Tehran Temples:

AAHMES TEMPLE

Has exclusive jurisdiction in Alameda, Contra Costa, Napa, Stanislaus, Tuolumne, Del Norte, Humboldt, Mendocino, Lake and Sonoma Counties.

ISLAM TEMPLE

Has exclusive jurisdiction in San Francisco, San Mateo, Marin, Santa Clara, Inyo, Mono, Monterey, Santa Cruz and San Benito Counties.

TEHRAN TEMPLE

Has exclusive jurisdiction in Merced, Mariposa, Madera, Fresno, Tulare and King Counties.

A Charter was granted Tehran Temple, Fresno, California.

Two requests for Dispensations for New Temples were presented, but no Dispensations were granted, action thereon was deferred until the next Session of the Imperial Council. One request was from the Nobles of Albany, Georgia, the other was from the Nobles of San Angelo, Texas.

1950 IMPERIAL COUNCIL SESSION

Upon motion, the report of the Time and Place Committee was adopted, accepting the invitation of Al Malaikah Temple to hold next year's Session in Los Angeles, California, on the dates of June 20, 21 and 22, 1950.

The Director General is Illustrious Noble Francis A. Stearns, 665 W. Jefferson Street, Los Angeles 7, California.

MOVE OF THE OFFICE OF IMPERIAL RECORDER AND SECRETARY

Upon instructions of the Imperial Council, the offices of the Imperial Recorder and Secretary of the Board of Trustees, Shriners Hospitals for Crippled Children, will be moved to 35 East Wacker Drive, Chicago 1, Illinois. This move will be completed about September 15th, 1949, and notice giving full information will be given in the next General Orders.

The Imperial Potentate desires to again bring to the attention of all Temple Officers certain information previously published in General Orders for their information and guidance.

(1) Shrine Obligations. The Potentate of each Temple is the Supreme authority in the Temple and is responsible to the Imperial Council for the operation of his Temple in accordance with the By-Laws of the Imperial Council. By-Laws of Subordinate Temples must not conflict or differ with Imperial Code and By-Laws.

(2) A Shriner's duty and obligation begins with his journey over the hot sands and never ceases until the Black Camel silently leads him to that unseen Temple. The very backbone of the country depends so much on the high ideals, courage and ability of 600,000 of the finest citizens of North America. We must guard diligently against those unthinking ones, who, in the past, have by their actions caused the finger of shame to be pointed toward the Shrine. The fez, like the white lambskin apron is sacred and while we enjoy wholesome fun, we must never forget our ideals and fundamental teachings.

(3) Respectfully ask each Potentate to read carefully By-Laws and Code and therein is found the platform for this year. All decisions will be rendered as per instructions recorded and created by Imperial Council.

(4) ORGANIZATIONS WITHIN OUR SHRINE TEMPLES MUST NOT USE THE WORDS "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" FOR PROMOTIONAL PURPOSES WITHOUT FIRST SUBMITTING PROPOSAL TO ILLUSTRIOUS NOBLE GALLOWAY CALHOUN, CHAIRMAN OF THE BOARD OF TRUSTEES, FOR APPROVAL.

(5) The continuation of the "Provost Guard" is hereby authorized and encouraged and much credit is due to the Nobles for their exemplary conduct at recent Imperial Council Sessions.

Your Imperial Potentate has a sincere desire for all Shriners to exert a greater influence for good in their communities. Let us therefore appreciate more than ever the fact that we are Master Masons and re-dedicate ourselves to the high ideals and principles for which our Order has ever stood.

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE.

It is directed that this General Orders No. 1 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council this 20th day of August, A. D., 1949, and of the Order, A. H. 1368.

OFFICE OF THE IMPERIAL POTENTATE,
LOS ANGELES, CALIFORNIA, DECEMBER 1, 1949.

GENERAL ORDERS No. 3,
SERIES OF 1949-1950.

To the Representatives of the Imperial Council, Potentates of Subordinate Temples and the Nobility of the Order:

"Es Selamu Aleikum"

Shrine Temples, organizations within Shrine Temples, or individual members thereof, desiring to promote entertainment or other projects, the proceeds of which or a portion thereof are to be donated to the Shriners Hospitals for Crippled Children or some particular Shriners Hospital for Crippled Children, are directed to first submit their proposition to Galloway Calhoun, Chairman, Shriners Hospitals for Crippled Children, Citizens National Bank Building, Tyler, Texas, or his successor in office for approval.

Shrine Temples, or organized bodies within the Shrine Temples, holding circuses or other entertainment, to which the public is invited, where the notice or advertisement states that the proceeds or a portion thereof will be turned over to the Shriners Hospitals for Crippled Children, or some particular Shriners Hospital for Crippled Children, are admonished to properly account for such funds and pay them over to the Shriners Hospitals for Crippled Children or the Governing Board of the particular hospital designated as the beneficiary of the funds.

THE UNAUTHORIZED USE BY ANY TEMPLE OR INDIVIDUAL MEMBER THEREOF OF THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" OR ANY PART OF THAT

TITLE, OR ANY OTHER TITLE USING THE WORDS "CRIPPLED CHILDREN" IN THE NOTICE OR ADVERTISEMENT OR TICKET THAT WOULD CONFUSE THE PURCHASER OR SUBSCRIBER IN SOLICITING FUNDS, IS STRICTLY PROHIBITED.

The work of the Shriners Hospitals for Crippled Children has been called the world's greatest philanthropy. It is our charity. It was pioneered, designed and created by Shriners. Every Shriner can be justly proud of its record of achievement. Let us one and all direct our combined efforts within the framework of our Code to the end that this great charity may attain even greater success.

This Order is not intended to interfere with legitimate programs sponsored and carried on by subordinate Temples or their several organizations, and in order that all members of the Nobility may understand the necessity for supervision of fund-raising campaigns for the use of our Hospitals, so that the good name, purpose, and dignity of our organization may be maintained, you are directed to bring this Order to the attention of the Nobility through your Temple publications or in the usual manner.

It is directed that this General Orders No. 3 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this 1st day of December, A. D., 1949, and of the Order, A. H. 1368.

OFFICE OF THE IMPERIAL POTENTATE,
BEVERLY HILLS, CALIFORNIA, MAY 5, 1950.

GENERAL ORDERS No. 4,
SERIES OF 1949-1950.

To the Representatives of the Imperial Council, Potentates, Records of Subordinate Temples, and the Nobility of the Order:

"Es Selamu Aleikum"

Because of apparent confusion in the minds of some Nobles, we give you the following brief procedure and urge that you read it to your Nobles and also publish it in your Temple publication, in order to acquaint all your Nobility with these facts.

A NECESSARY BUSINESS PROCEDURE IN HANDLING REQUESTS FOR SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

When notice of an estate benefiting our Shrine charity work is received by anyone, the notice should immediately be sent to the Imperial Recorder and Secretary, who will obtain a certified copy of the will for our permanent records and furnish the General Counsel with a copy thereof, and a copy to the Local Board of Governors interested. Thereafter the office of the General Counsel communicates with the executor of the estate or his attorney or with some local contact who handles the matter for us. If the estate involves the payment of a specific bequest, it is ascertained whether or not the funds are sufficient to pay the bequest in full and then we simply cooperate with the executor in any way we can, advising him of our exemption from federal and estate taxes, etc. If the estate involves a testamentary trust or a residuary bequest to our organization or if a specific bequest is abated for some reason, then we obtain a copy of the inventory, copies of all documents relating to the administration of the estate, including a copy of the final account and the order of distribution.

If real property is involved, generally speaking, it passes to our organization by operation of law and it is up to us to dispose of the real estate, unless it is sold by the executor for use in the payment of debts of the estate. Where real property is received the sale thereof is handled through the office of the General Counsel upon the approval of the officers of the corporation, and in conjunction with the local Board of Governors where property is located in close proximity to one of the hospitals, in accordance with an established procedure, including the obtaining of competent appraisals and full information regarding the property. In connection with securities and other personal property, we examine the list of assets and advise with the executor and his counsel as to whether or not the securities and other personal property should be sold or distributed to us in kind. All of this information is handled through the office of the General Counsel direct with the executor or his attorney, or someone locally who represents us in the transaction.

The distribution is usually made direct to the office of the General Counsel, whether it be in items of cash, securities, or other property, and after checking same with the final account, it is transferred to the Secretary's office for proper recordation on the books and accounts of the Central Office and transfer of the funds to the particular Hospital account to which they belong.

Only by this procedure is it possible to know whether or not we receive our proper share of the distribution of an estate and have the receipts correctly entered on the books and records of the Central Office and the desires of the testator carried out. Any other method of handling these business matters tends to develop a certain amount of confusion and may in some instances jeopardize our tax exemption status as a charitable organization. Imperial Officers, Illustrious Potentates of Temples, Recorders, all Nobles of the Order, and interested parties in banks and trust companies are requested to familiarize themselves with this brief business procedure and in the future notify the office of the Imperial Recorder and Secretary immediately when they learn of an estate in which Shriners Hospitals for Crippled Children is interested.

It is directed that this General Orders No. 4 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this 5th day of May A. D., 1950, and of the Order A. H. 1369.

CLARENCE MARTIN DUNBAR

Past Imperial Potentate

OCTOBER 29, 1871

OCTOBER 5, 1949

OFFICE OF THE IMPERIAL POTENTATE
BEVERLY HILLS, CALIFORNIA
OCTOBER 25, 1949

*To the Representatives of the Imperial Council, Potentates of Subordinate
Temples and the Nobility of the Order:*

*"Life's labor done,
Serenely to his final rest he passed;
While the soft memory of his virtues yet
Linger like sunlight hues when
That orb is set."*

Word reaches us bearing the news of the passing of our beloved Past Imperial Potentate and we recall that "Dunnie", as he was so affectionately called, in his love and enthusiasm for the Shrine insisted on attending the last session of the Imperial Council at Chicago, Illinois. Mrs. Dunbar accompanied him and cared for him throughout the session in their hotel room since it was impossible for him to leave his room. He improved and only a few days after the close of the session was able to return to his home with Mrs. Dunbar. He was not too strong, however, and passed away on October 5, 1949.

Clarence Martin Dunbar was born October 29, 1871, at Wakefield, Massachusetts, his parents being Bradford G. Dunbar and Sarah M. (Shepardson) Dunbar. He was educated in the Public schools at Melrose, Malden and Wrentham, Massachusetts, and was married February 6, 1895 to Martha Ann Tills. There were two children, Arthur Bradford and Margaret Tills Dunbar. Mrs. Dunbar passed away in March of 1925. On August 3, 1931 he married Elizabeth Buffinton. He leaves his widow, his son Arthur, his daughter Margaret, a stepson, John M. Buffinton, three grandchildren and three great-grandchildren.

Mr. Dunbar learned the jewelry business as an apprentice and started the firm of Dunbar, Leach, Garner Company, manufacturing platers, in 1899, at Attleboro, Massachusetts. He resigned from that firm in 1906, and established the corporation of Cook, Dunbar, Smith Company, manufacturing platers, at Providence, Rhode Island. At the time of his death, he was a Director and Treasurer of that company.

He was a member of Providence City Council, 1914-1916, and served nine years as Fire Commissioner. He was a member of the following organizations: Pomham Club (President 1922-1924), Wannamoisett Country Club, Anawan Club, Ancient and Honorable Artillery Company, charter member of Attleboro Lodge of Elks No. 1014, British Empire Club, Rotary Club of Providence, (President 1933-1934) and was a Director at the time of his death.

"Dunnie" as he was affectionately known to his many friends was an enthusiastic yachtsman and his "Artmar", "Roberta", "Advance", and

"Katrina" were well known in yachting circles. He was a member of Rhode Island Yacht Club (Commodore 1909-1910), East Greenwich Yacht Club (Commodore 1939-1940), United States Power Squadron, United States Coast Guard Auxiliary and during World War II was enlisted in the United States Coast Guard, Temporary Reserve, doing part time active duty.

His Masonic affiliations were as follows: Became a member of Bristol Lodge, A. F. & A. M. North Attleboro, Massachusetts, November 17, 1896, served as Junior Deacon in 1916-1917, and Senior Deacon 1918-1919.

King Hiram Royal Arch Chapter, Attleboro, Massachusetts, October 13, 1898, and served as High Priest in 1906-1907. He was District Deputy Grand High Priest of the Third Capitular District 1911-1914.

Attleboro Council Royal and Select Masters, Attleboro, Massachusetts, March 20, 1905 and served as Thrice Illustrious Master, 1908-1909.

Knighted in Bristol Commandery No. 29, Attleboro, Massachusetts, February 1, 1902, and was Commander in 1908-1909. In 1914 he was appointed Grand Lecturer of the Grand Commandery, Knights Templar of Massachusetts and Rhode Island, and served as Grand Commander in 1925-26. He was a member of the Past Commanders' Association of the Grand Commandery of Massachusetts and Rhode Island, and was its President in 1925-1927.

Hope Chapter, Order of the Eastern Star, Attleboro, Massachusetts, in 1902, and was Worthy Patron in 1906-1907.

He received the Scottish Rite Degrees in Rhode Island Lodge of Perfection, Providence, Rhode Island, February 26, 1908. Rhode Island Princes of Jerusalem, March 25, 1908, Rhode Island, Chapter of Rose Croix, April 22, 1908, Rhode Island Consistory 32nd degree, June 23, 1908.

He became a member of Palestine Temple, Ancient Arabic Order Nobles of the Mystic Shrine at Providence, Rhode Island, March 3, 1904, served as Illustrious Potentate in 1911-1912 and was a Representative to the Imperial Council since 1911. He was elected Imperial Marshal at Indianapolis in 1919, advanced steadily through the Imperial line and was elected Imperial Potentate at Atlantic City on June 15, 1927. He served on the Board of Trustees Shriners Hospitals for Crippled Children.

He was a Charter member of Providence Court No. 71, Royal Order of Jesters, and was its first Director and for many years has been a Representative to the National Court.

He was an Episcopalian and attended All Saints Memorial Church where the funeral services were held. In the absence of the Rector, John B. Lyte, The Reverend John S. Higgins of St. Martins Church officiated. Burial was in Swan Point Cemetery.

To his widow, Mrs. Elizabeth Dunbar, and others of his family and friends our organization desires to extend its deepest sympathy. Our tears mingle with theirs in the realization of the loss of one who was so active in our work and was such a friend of the Shrine. It is our earnest wish that the Supreme Architect of the Universe comfort and sustain his bereaved ones and lend consolation to his host of friends. We appreciate the privilege of his friendship, wisdom and counsel throughout these many years past.

"ES SELAMU ALEIKUM"

"There are no friends like old friends
To calm our frequent tears
When Shadows fall and deepen
Through Life's declining years.
And when our faltering footsteps
Approach the GREAT DIVIDE
We'll long to meet the friends of old
Who wait on the other side."

Let this memorial be read at the next session of your temple following its receipt and let the same be made a matter of record.

Given under our hands and the seal of the Imperial Council, this 25th day of October, 1949 A. D. and the order A. H. 1368.

KARL REX HAMMERS

Past Imperial Potentate

JULY 27, 1885

SEPTEMBER 8, 1949

OFFICE OF THE IMPERIAL POTENTATE
BEVERLY HILLS, CALIFORNIA, OCT. 10, 1949

*To the Representatives of the Imperial Council, Potentates of Subordinate
Temples and the Nobility of the Order:*

*"We saw not the lift of the curtain,
Nor heard the invisible door,
He passed where life's problems uncertain
Will follow and vex him no more;
We lingered and wept on the threshold,
The threshold each mortal must cross,
Then we laid a new wreath down upon it,
To mark a new sorrow and loss."*

In the early morning hours of Thursday, September 8, 1949, in Pittsburgh, Pennsylvania, the All Loving Father, in his Infinite Wisdom, called Home our dear friend and Past Imperial Potentate, Illustrious Noble KARL REX HAMMERS who had only a short year ago relinquished the gavel of office to his successor.

Imperial Sir "Karl Rex," as he was so affectionately called by his host of friends in the Imperial Council, enjoyed a most successful administration, and throughout the years of his unselfish service to our order has made a most valuable contribution to the Shrine as a whole.

"Karl Rex," a farm lad who became a school teacher, and whose broad experience included advertising, public relations, lecturing, acting (playing the entire repertoire from minstrel end-man to Masonic and Shrine ritualist, including production and direction of plays and degrees), plus an imposing stature, deliberative mind, kindly approach and impressive speech—put them all together and you have our Past Imperial Potentate.

Pennsylvania, whose historic shrines are the heart-stirring memorials of our nation's birthright, was his native state. Born to the soil at Indiana, Pennsylvania, on July 27, 1885, he attended its public schools and graduated from Indiana State Teachers College. For three years he taught in the school of nearby Jefferson County.

In 1909, this 24-year-old enthusiast began his life-long association with the H. J. Heinz Company, of Pittsburgh. After two seasons on the renowned Heinz Ocean Pier at Atlantic City, his natural tendency toward creative service was broadened through his connection with the Heinz Advertising Department, at the home office of the "57" varieties. Through the years, he created advertising ideas, handled public relations assignments, supervised receptions, designed and handled food shows and expositions, and managed the Auditorium and Service Building. His disposition and talents were well adapted to the handling of employee welfare and kindred activities. His experience as a lecturer, actor and leader have been amply displayed in the thirty-seven plays and nine pageants he wrote and produced. He was honored by election as the second president of the World Wide "57" Clubs. He was a delightful orator, whose clear enunciation and flowing presentation of well-chosen language provided inspiration and pleasure.

In World War I, he was attached to the National Food Administration and served in a managerial capacity for the Pennsylvania Food train. In World War II, he was on active assignment with the U. S. Treasury Department. He was a member of the Chamber of Commerce, and a member of the executive board of Pittsburgh Convention Bureau.

Freemasonry has received a full measure of his time, devotion and splendid service. Shortly after he became of age, he petitioned and was raised in Indiana Lodge, No. 313, F. & A. M. At Pittsburgh, he joined the Scottish Rite and became an active participant in its ritualistic and executive work. He was a Past Thrice Potent Master of Gourgas Lodge of Perfection and served a three-year term as a member of the Board of Trustees, A. A. S. R. The Supreme Council, Northern Masonic Jurisdiction, recognized his valued service when he was crowned a 33° Inspector General, Honorary, at Grand Rapids, in 1934.

Illustrious Noble Hammers was a member of Pittsburgh Chapter, Royal Order of Scotland. He was a past president and a member of the advisory board of Western Pennsylvania Masonic Veterans Association, and held membership in Tall Cedars of Lebanon Forest, No. 77. He was a member of the cast of Court No. 2, Royal Order of Jesters.

After election to successive offices on its Divan, he was elected as Illustrious Potentate of Syria Temple in 1932. He has served as a Representative to the Imperial Council since 1935, acting in many important capacities. At the Imperial Council session at Detroit in 1937, these services were rewarded through unanimous election to the office of Imperial Outer Guard. Through the succeeding years he was regularly advanced and elected as Imperial Potentate and was installed as Shrinedom's leader at Atlantic City, May 29, 1947. He served as a member of the Board of Trustees, Shriners Hospitals for Crippled Children.

Imperial Potentate Hammers was married to Miss Carolyn A. Scanlon on June 23, 1915.

To his widow, Mrs. Carolyn Hammers, and his brother, Dr. Hammers, as well as all others of his loved ones, our organization extends most sincere and heart-felt sympathies. We express the wish that our Heavenly Father temper the hours of grief and suffering with his tender mercies and bring comfort and consolation to all in this great loss. We are all grateful for the privilege of having known and loved him through the years and called him Friend.

"ES SELAMU ALEIKUM"

*"To the promised land our friend has gone,
To the land of perfect rest;
His work is done—and the setting sun
Has sealed his Life's request.
"He has left his earthly strand,
For the House beyond the sea,
Though the past is gone, he will still live on
To us all—Sweet in our Memory."*

Let this memorial be read at the next session of your Temple following its receipt and let the same be made a matter of record.

Given under our hands and the seal of the Imperial Council this 10th day of October, A. D., 1949, and of the order A. H. 1368.

HAROLD LLOYD,
Imperial Potentate.

ATTEST:

GEORGE M. SAUNDERS,
Imperial Recorder.

Noble CALHOUN: Nobles, this address of our Beloved Imperial Potentate will be referred to the Committee on Transactions of Imperial Officers. They have been furnished with a copy of this report. I now recognize Past Imperial Potentate Tom. C. Law of Atlanta, Georgia.

Noble LAW: Nobles, your Committee on Transactions of Imperial Officers, to which the address of the Imperial Potentate Harold Lloyd was referred, submit the following recommendations:

1. That all matters relating to Finance, Revenues, Expenditures and Bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to Edicts, Orders, Decisions and Recommendations as to Statutes and Laws be referred to the Committee on Jurisprudence and Laws.
3. That all matters pertaining to Grievances and Appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to Dispensations and Charters be referred to the Committee on Dispensations and Charters.
5. That all matters pertaining to Jurisdictional Lines be referred to the Committee on Jurisdictional Lines.

Your Committee desires at this time to record its endorsement of the able and efficient administration of Harold Lloyd as Imperial Potentate. He realized that joy being the source of all human achievement, should be widespread, nay, like sunlight, it should be universal. It was in the atmosphere of joy that he made so many official visitations to the Nobles in their Temples and the children in the hospitals for crippled children built, operated, and maintained by our Order. The Shrine is today receiving fine cooperation from the various Masonic Bodies for its useful, practical, and wise civic work.

Respectfully submitted,

FRANK C. JONES
CLYDE I. WEBSTER
THOS. C. LAW
ALBERT H. FIEBACH.

FRANK C. ROUNDY

Imperial Potentate, I move the adoption of the report. (Motion Seconded).

Noble CALHOUN: Thank you Noble Law. The question is on the adoption of that resolution and report. All in favor say "aye". Opposed "No". Carried. Let's give our approval to that report by standing, please. (Standing and applause.)

Thank you. Congratulations, my dear friend. The demonstration shows what the fellows out here think of you, and they are saying, "Thank you", the best they can. Well done, and God Bless you, and I now return the gavel.

Imperial Potentate LLOYD: Thank you, Nobles, for the approval of the report, and I want to thank you very much for your very kind attention for listening to the rather lengthy report.

Will you take over here, Noble Law, for our Distinguished Guests, if you will?

Noble LAW: Nobles, the next item on the agenda is Recognition of Distinguished Visitors. We have no complete list of who our Distinguished Visitors are, but at this time I shall ask any Grand Masters or Past Grand Masters who are present to rise.

(Applause.)

Please remain standing. Starting on the stage, I will ask these gentlemen to introduce themselves and state their State.

The following Nobles then arose and introduced themselves:

Merwyn Brown, Nevada, 1937
Abit Nix, Georgia, 1935-1936
Lincoln Kelly, Utah, 1946
Galloway Calhoun, Texas, 1936-1937
L. P. Steuart, Washington, D. C., 1938
Hubert Potcat, North Carolina, 1923
C. E. Weber, Virginia, 1948
Leslie Swan, Oklahoma, 1922
Newell B. Dayton, Utah, 1949
J. William Stoner, Utah, 1934
Norris G. Abbott, Rhode Island, 1922
Clyde I. Rush, Idaho, 1938
William J. Bundy, North Carolina, 1946
William W. Herron, Tennessee, 1943
Carl H. Kubler, South Dakota, 1930
Gilbert E. Griffin, West Virginia, 1946-1947

We heartily welcome these Nobles who have served so well in symbolic Masonry.

Next, without introducing, to conserve time, I will ask all Grand High Priests and Past Grand Commanders if they will arise. I know there are a lot of them here. We will not take time to introduce them, but we welcome you too.

Now, are there any Deputies of Sovereign Grand Inspector Generals of the Scottish Rite, both Northern and Southern jurisdictions? Will you arise? I am standing, myself, on that, by the way.

(Applause.)

Thank you, Nobles. I believe we have one more Distinguished Guest here, General Grand High Priest, Noble Earl Dusenbery, General Grand High Priest, General Grand Chapter, the largest body of Masons in the world. I will ask him to come to the rostrum if he is here. Well, we will receive him later.

Noble Robert B. Gaylord, Most Eminent Grand Master of the Grand Encampment of Knights Templar. Is he present? He will be received later.

Imperial Potentate LLOYD: Thank you. I now recognize our Imperial Recorder, George Saunders.

Noble SAUNDERS: With reference to the Past Imperial Potentates who are not in attendance, Past Imperial Potentate W. Freeland Kendrick was not able to be here.

I have a telegram from Past Imperial Potentate Walter D. Cline. He says, "I wanted to go but the doctor said 'No'. Please accept my sincere congratulations and best wishes, and if you do not run again you can cast an absentee ballot for my friend Poteat, and say Hello to the Representatives." Signed Walter Cline.

The Emeriti Members not in attendance, Edward D. Spottswood, Algeria Temple; George Filmer, Islam; Arthur H. Diamant, Mecca, Louis A. Cornelius, Saladin, Louis G. Gottschick, Isis, John A. Morison, Kismet Temple.

The Honorary Life Members not in attendance: Charles D. Symms, El Riad Temple; Will O. Washburn, Osman Temple.

Imperial Potentate LLOYD: All those in favor signify by saying "Aye". Contrary "No". It is so ordered.

Noble SAUNDERS: There is another matter, with reference to filling of vacancies on committees. Recently the death of the Chairman of the Dispensations and Charters Committee, our Beloved Emeritus member, Thomas P. Bradley, necessitated the appointment of someone to fill that vacancy, and the Imperial Potentate appointed Noble Stephen S. Jones of Kosair Temple as Chairman of the Dispensations Committee, and Noble Ray Pugh, Al Koran Temple, to fill the vacancy.

Imperial Potentate LLOYD: I will now recognize the General Counsel, Robert P. Smith.

Noble SMITH: Imperial Sir, in order to get the machinery of the Council started, I have a number of resolutions that have been offered by the

Nobility. I will now present them for the hopper so they can be referred to the various committees.

I have a resolution to amend Section 224 of the Imperial Code of the Iowa Corporation.

A resolution to amend Section 209 of the Imperial Code of the Iowa Corporation.

A resolution to amend Section 52, Article VII of the Iowa Code.

A resolution to amend Section 20, Article IV of the Iowa Code.

A resolution to amend Section 205, Article XXIV of the Iowa Code.

A resolution to amend Section 17, Article IV of the Iowa Code.

Imperial Potentate LLOYD: Thank you very much, General Counsel. I order that these be referred to the Jurisprudence and Laws Committee.

We come to a very important part, now, of this meeting. The chair recognizes that nominations are open for the election of Imperial Potentate. I recognize Noble Lee A. Folger, Oasis Temple of North Carolina.

Noble FOLGER: At this hour there comes to me the greatest honor which has been mine in the Imperial Council of the Shrine, to which I have been elected by Oasis Temple for twenty-two consecutive years beginning with the 1929 Session, which met in this very auditorium in this beautiful and magic City of Los Angeles. That honor to which I refer is placing in nomination your next Imperial Potentate.

Who my nominee shall be is no secret in this Imperial Council. Since the day of his election as Imperial Outer Guard on the first ballot at Indianapolis in 1941 we have been privileged to observe, with growing pride, the advancement of Noble Hubert M. Poteat up the steps to the exalted position which he occupies today.

Many of you know Hubert Poteat as we see him here, others of you know him in various activities and accomplishments, but very few have been privileged to understand the fullness of his talents in his many chosen fields of endeavor. Therefore, I believe it fitting that we briefly "look at the record". In the interest of accuracy, I shall frequently refer to my notes.

Hubert McNeill Poteat is a product of the finest traditions, influences and training of this great land of ours. He was born December 12, 1886 in Wake Forest, North Carolina, the son of William Louis and Emma James (Purefoy) Poteat.

Wake Forest is a cultural town of less than 2000 inhabitants situated near the State Capital of Raleigh, North Carolina.

Hubert's father was a member of the faculty of Wake Forest College for sixty years, its President from 1905 to 1927 and President Emeritus from 1927 until his death in 1938. From his parents Hubert inherited a sparkle and brilliance together with a stalwart and unwavering character which are expressed in everything he does.

As a college student he demonstrated a versatility and excellence which have marked his subsequent years. As an undergraduate he served as president of many campus organizations, was a leading member of the college

glee club and orchestra and made an enviable record in athletics. He was the first Southern Intercollegiate Tennis Champion, both singles and doubles (1907) and was adept in both basketball and baseball, but laid aside pursuits in this direction, having determined on a scholastic career.

Hubert received the A. B. Degree from Wake Forest College in 1906 and the A. M. Degree in 1908. He was granted a fellowship by Columbia University, New York City, from which he received the degree of Doctor of Philosophy in 1912.

Although his varied activities and exceptional talents have carried him to many sections of the Nation and have brought him many outstanding offers, Dr. Poteat has spent most of his life in Wake Forest. He has been a member of the faculty of Wake Forest College since 1912, and of the faculty of Columbia University for the summer sessions from 1924 to 1942 inclusive. He has chosen to give his life to Wake Forest College, although many calls have come to him from other institutions—several of which wanted him as president. Truly, "The world has made a beaten path to his door".

In 1912 he married Essie Moore Morgan. They have two sons: Hubert McNeill, Jr., who is a surgeon, and William Morgan, an attorney. Both sons are Masons and Shriners. There are three grandchildren.

Hubert Poteat has taken a prominent part in many organizations. He is the author of no less than eight books and of numerous articles on educational, classical, Masonic, and Shrine topics. He is a past president of the North Carolina Literary and Historical Association and of the Classical Association of the Middle West and South. He is a past vice-president of the American Classical League. He is a member of the American Philological Association and of the British Classical Association.

To the Wake Forest Baptist Church, of which he is a member, Dr. Poteat has also rendered devoted service as Sunday school teacher, Sunday school superintendent, church trustee, and deacon. For nearly forty years he was organist and choir director.

He is an accomplished recitalist and a composer of note. During his lifetime he has given approximately 250 organ recitals throughout the South. He has published several musical selections, including "Sudan Temple March" for its band.

He is also prominent in social and honorary fraternity activities. He was a charter member of the Columbia University Chapter of Acacia. He is a past National Executive Councilor of Kappa Alpha Order. He is a member of Omicron Delta Kappa and of Phi Beta Kappa.

He has an enviable record of Masonic service and achievement. The day he was twenty-one years of age, he petitioned Wake Forest Lodge, No. 282, for the degrees in Masonry. He became a Master Mason February 18, 1908. In later years, first the Scottish Rite and then the York Rite claimed his interest. After receiving the degrees 4°-14° in the Lodge of Perfection and 15°-18° in the Chapter of Rose Croix in Raleigh, North Carolina, on November 21, 1919, he was initiated into Sudan Temple of the Shrine, New

Bern, North Carolina, December 31, 1919. He is a member of Raleigh Commandery, Knights Templar. He was a charter member of New Bern Court, No. 145, Royal Order of Jesters.

An account of the offices which he has held, of the services which he has rendered, and of the richly deserved honors which he has received in Masonic organizations, presents a veritable catalogue of Masonic leadership. He served as Master of his Blue Lodge in 1913-1915. He was Venerable Master of his Lodge of Perfection in 1923-1924, and Wise Master of his Chapter of Rose Croix in 1922-1923. On October 21, 1927, he received the Thirty-Third Degree. At the age of thirty-six he was Grand Master of the Grand Lodge of North Carolina, 1923-1924, and gave his jurisdiction one of its greatest years. For twenty-five years he has been a member of the Executive Commission of the Masonic Service Association. He served as Potentate of Sudan Temple for the year 1930-1931. He was Sovereign, St. Titus Conclave, Red Cross of Constantine, 1945-1946, and is a member and Knight Grand Cross of the Allied Masonic Degrees and of the Grand College of Rites of the U.S.A. He was elected Imperial Outer Guard at Indianapolis on June 11, 1941. To each office and responsibility he has given the full measure of his time and ability, and his efforts have been crowned with that success which invariably attends whatever he does.

For years he has been in great demand as a ritualist in the various Masonic degrees and in the Shrine. His many speaking engagements all over the country attest the fact that he is one of Masonry's and the Shrine's great orators.

He is listed in *Who's Who in America*, *Who's Who in American Education*, *Directory of American Scholars*, *International Blue Book*, and *Author's and Writers Who's Who* (London).

It is impossible to summarize a career so varied and so brilliant, but certain words are especially applicable to him *Versatility* suits him exactly. He is teacher, scholar, author, musician, orator, ritualist extraordinary and Masonic leader. Few individuals ever excel in so many fields of endeavor.

Another word which is especially suitable in describing him is *usefulness*. His whole philosophy of life is centered around the one aim to make himself useful to his fellow men.

To know Hubert Poteat is to love him, and I know him. Whoever associates with him is attracted and held by the charm of his glowing, warm, human personality. How fortunate are we to have him for our own.

And now, Imperial Sir and fellow Representatives, I offer you for your Imperial Potentate the Noble I have thus described, in the person of Noble Hubert McNeill Poteat of Sudan Temple, New Bern, North Carolina.

(Applause.)

Imperial Potentate LLOYD: The chair recognizes Grover Nolte.

Noble NOLTE: Imperial Sir and Representatives: We from the Great Pacific Northwest also desire to pay tribute to this distinguished North Carolina citizen, from the Great Southeast. I move that the nominations be closed, Imperial Sir. I further move that the rules be suspended, and that

Past Potentate and Representative William Woodard of Sudan Temple be instructed to cast the unanimous ballot of this Imperial Council for Hubert Poteat for the office of Imperial Potentate for this coming year. (Motion seconded.)

Imperial Potentate LLOYD: It has been duly moved and seconded, and I know that you are waiting for the question. All those in favor say "Aye". Contrary, "No". It is so ordered.

Noble WOODARD: We have been waiting ten years to do this, so I am going to take the pleasure with unusual pride of love and affection to cast the unanimous vote of this Imperial Council for Hubert McNeill Poteat.

Imperial Potentate LLOYD: Thank you Bill Woodard. Now, Hubert Poteat, would you come forward. You have been unanimously elected. Do you accept?

Imperial Potentate Elect POTEAT: Imperial Sir and Nobles: I do accept, with thanks and appreciation and deep humility.

Imperial Potentate LLOYD: Hubert, in my report, my regard for you as a man, as a friend, and as an executive officer is expressed, and I know that all the Nobility bears the same affection toward you that I do. I know you are going to rule this office with Great Wisdom, with tolerance, with foresight, with justice and with humanity, and I want to wish you great happiness and great success, not only for your ensuing year, but for all of your remaining years.

(Applause.)

Imperial Potentate Elect POTEAT: You are all too gracious, but your words about me—I will never forget them, and I will appreciate them as long as I live.

Imperial Potentate LLOYD: We will now recess for the Traditional demonstration for our Imperial Potentate Elect. Then followed the reception to the newly elected Imperial Potentate.

AFTERNOON SESSION

June 21, 1950

1:30 p.m.

Imperial Potentate LLOYD: I now declare the meeting reconvened, and we will proceed with the election. I now declare nominations for the office of Deputy Imperial Potentate open. Are there any nominations? The Chair recognizes Noble Louie W. Strum.

Noble STRUM: Imperial Sir, and Nobles: Once again Morocco Temple of Jacksonville, Florida, offers to you with what we trust as pardonable pride, one of our most deserving and distinguished Nobles for service on your Imperial Divan. This Noble by his labors and activity has distinguished himself in the affairs of his Temple. He has faithfully served his time in the stations of the Imperial Line, and it is now with pleasure and pride that we offer to you a Noble who we are sure will creditably and ably fill the office of Deputy Imperial Potentate, Noble Roland (Pete) Baldwin of Morocco Temple. Imperial Sir, if there are no other nominations I move that the

nominations be closed and that Noble Willard Lombard of Aleppo Temple cast the unanimous ballot of the Imperial Council for Noble Baldwin as Deputy Imperial Potentate.

Imperial Potentate LLOYD: I recognize Noble Nix.

Noble ABIT NIX: I second the motion made by Noble Strum.

Imperial Potentate LLOYD: Noble Roland Baldwin, you have been elected. Do you accept?

Noble BALDWIN: Imperial Sir, I do. However, again, I want to thank you for the many kind things that you have done for me during this past year. You have stolen a lot of hearts down in the southern and eastern part of these United States.

Nobles, thank you, and I will serve you to my very best ability.

Imperial Potentate LLOYD: Nominations are now open for the office of Imperial Chief Rabban. Past Potentate Larry Bulfinch.

Noble BULFINCH: Imperial Sir, Officers and Representatives of this Imperial Council, I give to you for the Office of Imperial Chief Rabban the eminent Grand Commander of the Knights Templar for the Commonwealth of Massachusetts and the State of Rhode Island, Robert Gardiner Wilson, Jr., of Aleppo Temple, Boston. He is at present your Imperial Assistant Rabban. If there are no objections and no other nominations, I make a motion that the nominations be closed, the rules suspended, and Willard P. Noble LOMBARD: Imperial Sir, Nobles, with pleasure undiminished by its repeated performance, I cast the unanimous ballot of this Imperial Council for my good friend Noble Robert Gardiner Wilson, Jr., of Boston, for Chief Rabban.

Imperial Potentate LLOYD: Noble Robert Gardiner Wilson, Jr., you have been elected. Are you going to accept?

Noble WILSON: Imperial Sir, I do accept. I am deeply grateful to the Nobility, and it will be a real privilege to serve under another great Imperial Potentate.

Imperial Potentate LLOYD: There is now open for nomination at the present time the office of Imperial Assistant Rabban. Nominations are now open. I now recognize Potentate Albert Theis, Jr., of Moolah Temple, of St. Louis.

Noble THEIS: Imperial Potentate, Members of the Imperial Divan, and Nobles: It is really a thrill for me today to stand up here and nominate for the Office of Assistant Rabban that swell guy, that able executive, that former Past Potentate of Moolah Temple, that former Board Member of our National Hospital Board, and presently the Chairman of the St. Louis unit of Shriners Hospitals for Crippled Children, again, I say that swell guy, Imperial Sir, Harvey A. Beffa. If there be no objections, I move that the nominations be closed, the rules be suspended and that Imperial Recorder George Saunders be instructed to cast the unanimous vote of this Imperial Council for Imperial Sir Harvey A. Beffa. (Motion seconded.)

Imperial Potentate LLOYD: Motion has been duly made and seconded. All those in favor say "aye". Contrary "no". It is so ordered. Harvey, you have been duly elected.

Noble SAUNDERS: I take great pleasure in casting the entire ballot of the Imperial Council for Noble Beffa.

Imperial Potentate LLOYD: Noble Beffa, do you accept?

Noble BEFFA: I do accept, and it is a great privilege, Imperial Sir. Nobles, thanks a million. Thank you very much.

Imperial Potentate LLOYD: Nominations are now open for Imperial High Priest and Prophet. I recognize Noble Joe Mizell.

Noble MIZELL: Imperial Sir, it is my happy privilege again to place in nomination for the Temples of Virginia, Noble Rennie L. Arnold for the Office of High Priest and Prophet. If there are no other nominations I move that the nominations be closed, that the rules be suspended, and that the Past Potentate John C. Tyree, cast the unanimous ballot of this Assembly for Noble Rennie L. Arnold for the Office of High Priest and Prophet. (Motion seconded.)

Imperial Potentate LLOYD: It has been duly moved and seconded. All those in favor say "aye". Contrary "no". It is so ordered.

Noble TYREE: Imperial Sir, it is with a great deal of pleasure I cast the unanimous ballot for Imperial High Priest and Prophet Rennie L. Arnold.

Imperial Potentate LLOYD: Noble Arnold, you got away with it. Do you accept?

Noble ARNOLD: Imperial Sir, with a heart full of love and affection for you and each and every Representative of this Imperial Council, I accept with a great deal of pleasure. Thank you.

(Applause.)

Imperial Potentate LLOYD: Thank you, Noble Rennie. Nominations are now in order for the Office of Imperial Oriental Guide. I recognize Noble Past Imperial Potentate Thomas Law.

Noble LAW: Imperial Sir, and Nobles: My thoroughbred is due to make a big jump this year from the First Ceremonial Master over the Treasurer, to the Imperial Oriental Guide. It is with a great deal of pleasure for me to place in nomination for Imperial Oriental Guide the name of Frank

S. Land of Ararat Temple. I move the rules be suspended and his life-long friend and a member of his Temple, another Imperial Officer, George Saunders, cast the vote for Frank Land. (Motion seconded.)

Imperial Potentate LLOYD: It has been moved and seconded. All those in favor say "aye". Contrary "no". It is so ordered.

Noble SAUNDERS: Imperial Sir, it is a distinct pleasure for me to cast the unanimous vote of this Imperial Council for Frank S. Land for the Office of Imperial Oriental Guide for the ensuing term.

Imperial Potentate LLOYD: Frank, you have been elected. Will you come to the rostrum? Will you accept?

Noble LAND: Imperial Sir and distinguished Nobles; you are most gracious to me and I feel very humble. I assure you I will do the best that my ability allows me. I do accept, Sir.

Imperial Potentate LLOYD: Noble Galloway Calhoun, I would like to now turn the gavel over to you.

Noble CALHOUN: Nobles, nominations are now in order for Imperial Treasurer. I recognize the distinguished Judge from Detroit, Past Imperial Potentate Clyde I. Webster.

Noble WEBSTER: Imperial Sir and Nobles, is Vaughn Reed in the room? Will you come forward please? In 1936 our Imperial Treasurer at that time Jim Burger of Denver died, and I asked to serve, and then appointed after receiving his acceptance, Leonard P. Steuart of Almas Temple. He has rendered a yeoman's service ever since. He really is the watchdog of our funds. Anyway, it gives me a great deal of pleasure again to nominate for Imperial Treasurer of this grand Organization of ours, our present Imperial Treasurer, Past Potentate of Almas Temple, Past Imperial Potentate Leonard P. Steuart, and I ask that the rules be suspended and that Vaughn Reed, Past Potentate of Moslem Temple, my Temple, who is a close personal friend of Leonard Steuart's, be authorized to cast the unanimous ballot of this Assembly for Leonard P. Steuart for Imperial Treasurer for the ensuing year. (Motion seconded.)

Noble CALHOUN: Nobles, you have heard the nomination, and the motion that the rules be suspended and a second. All in favor of that motion let it be known by saying "aye". Opposed "no". Then Noble Vaughn Reed, under the terms of that motion will cast the unanimous ballot for Noble Steuart.

Noble REED: Imperial Sir, again it is a great pleasure for me, and an honor, to cast the unanimous ballot for our good friend Leonard P. Steuart for Treasurer of the Shrine.

Noble CALHOUN: Imperial Sir, do you accept?

Noble STEUART: Imperial Sir, and Nobles, thinking I might get elected, I just took the liberty of signing the payroll checks of over three hundred thousand dollars, pretty close to it at least. I do accept with pleasure, and I thank you for your vote of confidence.

(Applause.)

Noble CALHOUN: Nominations are now in order for Imperial Recorder, and I recognize Howard Millington, Recorder of Mirza Temple, Pittsburg, Kansas.

Noble MILLINGTON: In this Imperial Session it is a privilege to nominate anyone for an Office of this Imperial Council. Furthermore, it is a privilege and pleasure to nominate one for office who has served so well and by his experience has proven his capacity to handle the job. I think that each of you would make the same nomination if you were here. I therefore nominate for Office of Imperial Recorder, George M. Saunders. If there are no objections, I would move that the rules be suspended and that Noble Leslie Swan cast the unanimous ballot of this Imperial Council Session for George Saunders. (Motion seconded.)

Noble CALHOUN: You have heard the motion and the second. All in favor say "aye". Opposed "no". The Past Potentate and Recorder of India Temple, Leslie Swan, will cast the unanimous ballot.

Noble SWAN: Imperial Sir, and Nobles, I am thrilled and delighted of having the privilege and pleasure of casting the unanimous ballot of this Imperial Council for my very good friend, George M. Saunders.

Noble CALHOUN: Noble Saunders, do you accept?

Noble SAUNDERS: Imperial Sir and Nobles, I do, and with a heart full of grateful thanks.

Noble CALHOUN: Congratulations.

(Applause.)

Noble CALHOUN: I declare Noble Saunders elected Imperial Recorder. The next in line would be the nomination for Imperial First Ceremonial Master. I recognize Noble Quinn Glover, the Recorder of Scimitar Temple, Little Rock, Arkansas.

Noble GLOVER: If it please you Imperial Sir, Imperial Officers, and the Nobility, briefly but very proudly, I nominate our present Imperial Second Ceremonial Master, Walter C. Guy, to be promoted to First Ceremonial Master, and I move that the nominations be closed, the rules suspended, and Noble Willard Lombard cast the unanimous vote of this Body for Walter C. Guy for Imperial First Ceremonial Master. (Motion seconded.)

Noble CALHOUN: Nobles, you have heard the motion and the second. All in favor let it be known by saying "aye". Opposed "no". It seems to be carried. I will recognize Noble Willard Lombard of the Jurisprudence and Laws Committee.

Noble LOMBARD: Illustrious Sir, and Nobles: With pleasure which is still undiminished by its repetition, I again cast the unanimous vote of this Imperial Council this time for Walter C. Guy for Imperial First Ceremonial Master.

Noble CALHOUN: I then declare Noble Walter C. Guy elected First Ceremonial Master. Do you accept?

Noble GUY: With thanks to you for your inspired leadership of a year ago, and with humility, and appreciation to the Representatives present, I accept. Thank you.

(Applause.)

Noble CALHOUN: He was my Imperial Marshal, and we had a lot of trouble last year. Nominations are now in order for Imperial Second Ceremonial Master. I recognize Noble Reuben Adams, of Al Kader Temple of Portland, Oregon.

Noble ADAMS: Thank you Imperial Sir, and Officers and Representatives: Again the great Northwest and the State of Oregon salute the Dakotas. I think everyone here, I know I do, and I am sure you all concur, that Gerald D. Crary, should be elevated to the Office of Second Ceremonial Master, and I move Sir that the rules be suspended and that the Official Broadcaster—vote-caster, Willard Lombard, again be requested to cast the unanimous ballot for Noble Crary. (Motion seconded.)

Noble CALHOUN: Nobles, you have heard the motion and the second. All in favor of same say "aye". Opposed "no". It is carried. I recognize Noble Lombard.

Noble LOMBARD: I feel amply repaid for that long trip from Boston, when it becomes my pleasure to cast the unanimous ballot of this Imperial Council Session for such men as Gerald D. Crary for Imperial Second Ceremonial Master.

Noble CALHOUN: Gerald, you have been having a tough time. I wonder if you want to get rid of this Marshal job.

Noble CRARY: Imperial Sir and Nobles, I accept this elevation with the greatest of humility, realizing my many incapacities, but I accept it with pride. Furthermore, that if there is any chance to get rid of the Imperial Marshal job, I will take anything.

Noble CALHOUN: I declare Noble Crary elected Imperial Second Ceremonial Master. Nominations are now in order for Imperial Marshal. I recognize Past Imperial Potentate William H. Woodfield of San Francisco, California.

Noble WOODFIELD: Imperial Sir, it is my pleasure to present in nomination a man who is really now qualified for the job of Marshal, because he has been Aide to your present Marshal, and he has really served his apprenticeship, Tom Melham of Tripoli Temple, and just to break the monotony of the Willard Lombard business, I am going to ask a newcomer, a new member of the Imperial Council, Noble Elmer E. Robinson, Potentate of Islam Temple, and Mayor of San Francisco, to cast the unanimous ballot. I move the rules be suspended, and Noble Robinson cast the unanimous ballot for Tom Melham. (Motion seconded.)

Noble CALHOUN: All in favor, let it be known by saying "aye". Opposed "no". It is so ordered. I recognize Potentate Elmer E. Robinson, the distinguished Mayor of San Francisco, California, Potentate of Islam Temple. How these Californians stick together.

Noble ROBINSON: Imperial Sir, it is my pleasure, in response to the resolution, to cast the unanimous ballot of this convention for Tom Melham for Imperial Marshal for the ensuing year.

Noble CALHOUN: Noble Melham, will you step up? Do you accept the position of Marshal?

Noble MELHAM: With great happiness and great relief, I do. Thank you.

Noble CALHOUN: I declare Noble Melham duly elected Imperial Marshal for the ensuing year.

(Applause.)

Nominations are now in order for the office of Imperial Captain of the Guard, and I recognize Noble Ward Collier, Past Potentate and Recorder of Moslah Temple.

Noble COLLIER: Imperial Potentate, Members of this Imperial Council, one year ago because of illness, Noble Abit Nix, that fine gentleman from down at Atlanta, was prevented from carrying out the assignment later given to me. It was my happy privilege, and I considered it quite an honor to place before this Imperial Council the name of the great man from the State of New Jersey. He has served this Imperial Council well and faithfully. I believe he deserves a promotion, and that he can be of more assistance on the inside than on the outside, and so, Imperial Sir, I would like to place in nomination the name of Illustrious Noble George E. Stringfellow for Imperial Captain of the Guard. If there are no other nominations, I would like to move that the rules be suspended and that Noble Abit Nix be requested to cast the unanimous ballot of this Imperial Council for Noble Stringfellow. (Motion seconded.)

Noble CALHOUN: You have heard that motion and the second. All in favor say "aye". Opposed "no". That motion is carried. Well, Noble Abit Nix.

Noble ABIT NIX: Imperial Sir and Nobles, it is with distinct pleasure that I cast the unanimous vote of this Imperial Council for that Prince of Good Fellows, George Stringfellow, for Captain of the Guard for the ensuing year.

Noble CALHOUN: You know, Abit, I am glad to hear that brogue of yours. You have been sitting over there by Willard Lombard so long, I didn't know but what it might get catching. Is the gentleman from New Jersey here? Noble Stringfellow, I wonder if you would consider the place of Captain of the Guard?

Noble STRINGFELLOW: I certainly would. I have been on the outside of the door for a whole year. This is a great honor. I appreciate it and thank you very much.

(Applause.)

Noble CALHOUN: I now declare Noble George Stringfellow duly elected Captain of the Guard. Now, nominations are in order for the exalted position of Imperial Outer Guard. I recognize Noble W. A. Browning from Dallas, Texas.

Noble BROWNING: Imperial Potentate, Imperial Divan, and representatives to this Imperial Council:

I believe that the man whom I am going to nominate for Imperial Outer Guard needs no introduction to most of the Representatives to this Imperial Council, as he has been a Representative for a great many years and his services to the Imperial Council are well known to most of you. He is a man, a "he man", a man's man, who loves the pageantry of the Shrine as well as the great philanthropic work we are engaged in. He has that very rare ability of never forgetting a name once he has met you. Last year at Chicago I had the honor and pleasure of presenting to the Imperial Council the name of Noble Clayton F. Andrews, Past Potentate of Sesostri Temple for Imperial Outer Guard. Noble Andrews was a strong runner-up in that election. It is again my pleasure to nominate this distinguished man, this outstanding Mason, this wonderful Shriner, Clayton F. Andrews. Noble Andrews, my friends, has served his God with reverence and humility, being an active member of the Episcopal Church. He served his country in World War I with honor and distinction as an officer in the United States Army on foreign soil in England and France, fighting for the same principles which you and I as American citizens hold dear in our hearts.

That great Governor of the State of Nebraska, Val Petersen, has this to say of our Noble Andrews: "He has distinguished himself in his civic affairs as an able executive and business administrator, a man who has given generously of his time and money in all worthwhile civic affairs". My friends, Noble Andrews has served Masonry in all its branches, the Blue Lodge, the York Rite, the Scottish Rite, and the Shrine. In fact he is Past Master of all four Scottish Rite bodies, and in recognition for his service to God, his fellow man, and Masonry, was honored by receiving the 33rd Degree. He served his Temple as its Potentate in 1941. His professional record, my friends, is brilliant in its achievement, and Noble Andrews is considered one of the outstanding physicians and surgeons in our nation today. Let me briefly review his professional record.

M. D. University of Pennsylvania 1916.

Medical Officer United States Army, 1917-1919.

Department of Surgery, Mayo Clinic, 1919-1923.

Master Science in Surgery, University of Minnesota, 1922.

Fellow of American College of Surgeons.

Founders Group, American Board of Surgery.

Past President Lancaster County Medical Society.

Past President Nebraska State Medical Association.

Fellow of American Medical Association.

Surgeon to Lincoln General & Bryan Memorial Hospitals.

Chairman Medical Section Nebraska Civilian Defense Committee.

Past Commander Medical Corps United States Naval Reserve.

Noble Andrew's business ability combined with his outstanding knowledge of medicine, surgery and hospitals would be a great asset to the Imperial Divan in the administration of our one great constructive program, the Shriners Hospitals for Crippled Children.

It is now my pleasure to give you the name of Noble Clayton F. Andrews, Past Potentate of Sesostri Temple for your consideration for Imperial Outer Guard for the ensuing year. Thanks a million.

(Applause.)

Noble CALHOUN: Any further nominations? I recognize Noble Stan Bruner of Al Malaikah Temple.

Noble BRUNER: Imperial Sir, and Representatives of the Imperial Council:

Today I feel signally honored in being called upon to nominate one of our outstanding Nobles of North America. I am not going to dwell on the fact that he is a good fellow. I am not going to dwell on the fact that his Temple loves him, nor am I going to tell you that the surrounding Temples love this man. I am going to skip that because for twenty years I have heard every nomination for Imperial Outer Guard and every time they have gone to great lengths, some times not as long as others, to tell you what a fine fellow he was. I, and the boys I am speaking for, stipulate wholeheartedly that no man is ever able to get his head high enough for a nomination such as this without his being in possession of all of those faculties. Those are stipulated.

Here are two great Nobles, two men who have side by side for the last three years, run for this office, so what do we have to look at? We have to take into consideration the multitude of the Shrine of North America; we have to take into consideration the fact that a man to be a good Imperial Potentate must possess two faculties, one, he must be a leader of men, and secondly, he must be a good business man. The man that I am going to mention, his first name, because it is easier for me to do it than to skip and talk about a man often to be named in the future. I am going to call him George from here on.

George is a man who has represented big things in his area. He has three times been the president of his Chamber of Commerce; he has represented a great hospital movement, not a Shrine Hospital but a children's hospital in that area, and been on their board and been one of their leaders. He is the man who conceived and worked for the USO during the war when the USO was just a sprawling child; no one would give it a home; no one would admit it had any place, but it did take a place, and he did make the USO in his area an outstanding organization, one of the best in the country. He has been the head of organizations around there. It has been said in an introduction in his own home city that George has been president of everything in the area except his competitors' business. So, that stamps George as being a leader of men, he is an outstanding leader of men.

George is one of a family of nine born in the hills of Alabama. George, being of a large family, was not blessed with a father and mother with all kinds of riches. He had to make his own way. He had to work his way through college, and when he became of age or through college, his father selected him as a business partner and they started a business that has grown over the past thirty years to one of the largest institutions of its kind

in the South. What does that stamp him? That stamps him as a good business man. Now I happen to know because I have gone by the half way mark quite a ways, and I know that it is no crime to grow old; I know, however, that it is not an asset to grow old. It is something we can't help. George happens to be right at the fifty mark today and could normally be our Imperial Potentate at the age of sixty when he had plenty of fire in him, when he had the ability to work, when he had the constitution to go around the entire country on a travelling trip that is hard in itself, but Brothers, believe me, when you don't eat anything but chicken and steak for a year it will pretty nearly kill you, and you can't do that unless you have a constitution.

Last but not least, let me say to you that the Shrine is known as the Shrine of North America. Yesterday we saw an exemplification of the Shrine of North America. We saw Temple after Temple pass by in review, all in their uniforms. In my many years in a uniform passing in review for Al Malaikah Temple, and passing in review, you will excuse me, I thought everybody was looking at me. I did know everybody was looking at Al Malaikah Temple with pride, every person that knew Al Malaikah Temple had a pride in it. Therefore, as the Shrine of North America, let us consider something serious, Nobles. We should be democratic, and we are not going to be democratic if our Imperial Divan comes from one area.

Now, it doesn't come from one area today, but it is getting closer all the time. I want to take a map, or if I happen to be there now, I will take an automobile and drive four hundred miles from Kansas City as the hub, and we could shake hands with five of our Imperial Divan. I want to know, is that democracy? I am not talking against these five men. They are swell friends of mine and they are going to make swell Imperial Potentates, but there is a limit to everything, fellows. The South is a vast and great area. You can't go four hundred miles from Birmingham and find another hand to shake that is on the Imperial Council. So, let's be a little gracious in what we have to offer, let's kind of divide this job up, let's allow a man from another locality except the central part of the United States to obtain this wonderful office. So, not to take too much of your time, let me take a very few moments to demonstrate a good fellow, a leader of men, a good business man, a man of the proper age, and a man in the proper location to take this job. Nobles, I give you the name of George A. Mattison, Jr. of Zamora Temple. Thank you.

(Applause.)

Noble CALHOUN: Nobles, are there any other nominations?

A Noble: Move nominations be closed. (Motion seconded.)

Noble CALHOUN: Motion has been made that the nominations close and that motion has been seconded. All in favor say "aye". I declare the nominations closed. I wonder if you wouldn't be glad to have these two good Nobles come up on the stage?

(Applause.)

I am sure all of you don't know these two boys, and I am going to introduce them to you. I am going to introduce them to you in reverse order. I believe that is proper parliamentary procedure, and on my left we have Cousin George Mattison from Birmingham, and on my right Cousin Clayt. Andrews from Lincoln, Nebraska.

(Applause.)

Now, I would like to have that distinguished Noble C. Bert Clausin, Past Potentate Spokane, Washington come up here and tell us how to do.

Noble CLAUSIN: We are down now to when it becomes the duty for you to do a duty. I find at the registration here a number of you Nobles have not received your ballots. I will be over here in this corner and will be glad to see you get them if you present your credentials properly. Come up and get them. The ballot boxes will be at the rear of each one of the aisles going out here. The ballot boxes are all ready. Now, if you will pardon me for a moment. I presume you want to vote. If you Nobles do, each one of you will move in your section to the left, and go out and deposit your ballots and come right back in again with as little delay as possible. Thank you very kindly.

Noble LAW: I now recognize Noble Jack McGilvray, Past Potentate of Islam Temple.

Noble MCGILVRAY: Imperial Sir and Imperial Officers and Nobles of this Convention: I am going to introduce, or talk on the Code. It is something to clear up an article that should be cleared up so that we may avail ourselves of certain cities that could come under this Code if it was amended. I think the Code should be amended, so I will read it to you and then they can ask you to vote on it. This is a suggested amendment to Article XXVII Section 219 of the Code.

"Section 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by a direct line, between itself and the nearest Temple; provided, that in no case can it extend beyond the limits of the state, territory, or district in which it is located, except by agreement between Temples affected only; provided, also that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory, should they so desire; provided, also that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located; PROVIDED ALSO THAT A SECOND TEMPLE MAY BE FOUNDED IN THE SAME COUNTY IN ANY CITY THEREOF HAVING A POPULATION OF NOT LESS THAN 200,000 AS DETERMINED BY THE OFFICIAL STATEMENT OF THE STATE CHAMBER OF COMMERCE OR AN EQUALLY RESPONSIBLE STATE OR DISTRICT AUTHORITY FOR THE CURRENT YEAR: Provided also that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, should it appear for the best interests of the Order to do so."

Nobles, my interest in this is to give us an opportunity to increase our Membership, for Members who have to go miles and miles to a Temple. Many of these places are covered by Shrine Clubs, but I am sure that we would improve our Membership by many prominent men and good men that

would be interested in our work by putting this provision in there. I think it would be helpful to Shrine generally. I submit it to you.

Noble SMITH: I move it be referred to the Jurisprudence and Laws Committee. (Motion seconded.)

Noble LAW: That motion is automatically referred to the Jurisprudence and Laws Committee, and if it is returned to you it will require a two-thirds vote to pass as an Amendment to the Code of the Imperial Council.

Noble WOODFIELD: Imperial Sir, I would like to make a motion that inasmuch as this resolution is of such a serious nature that nothing be done at this Meeting, that a copy be sent of this resolution to every Temple in North America so that they will have time to talk it over among themselves in their own Temples to find out what the effect is going to be on the various Temples, and to come back here next year and decide it. I make such a motion. (Motion seconded.)

I'm informed by our Counsel that in order to do that I have to move that the motion be tabled, but if I can add to that motion, I would like to move that the Imperial Potentate appoint a committee to see that this thing is thoroughly, both sides, presented to the entire Nobility of North America, because it has a very serious consequence on Temples of two hundred thousand population within an area of maybe ten miles from another Temple. It is something that requires a lot of serious talk and study. I want to move it will be tabled, and if I can add to that motion legally, I have got some more legal talent here, to have the Imperial Potentate send out all the information so you can vote on it intelligently at the next meeting.

Noble WEBSTER: Imperial Sir, I second that motion.

Noble LAW: Nobles, I am informed this can be made a substitute motion of a motion to table. Motion to table is not debatable, but do you want to make it, Noble Woodfield, do you make a motion to table?

Noble WOODFIELD: Yes.

Noble CHACKES: I rise to a point of order that the motion is out of order. I would like to speak on my premise that the motion is out of order.

Noble WOODFIELD: I make mine then as a substitute to the original motion.

Noble CHACKES: It is still confusing, but I rise to a point of order.

Noble LAW: I recognize Noble Lou Chackes of Ainad Temple.

Noble CHACKES: My point of order is rather simple. In my estimation most of the argument that we have had is upon the merit of the motion, of the amendment itself, which of course was out of order because that wouldn't come up until the Committee on Jurisprudence and Laws had reported, and I permitted that to go on, and then came a motion and another motion and another motion. The reason that I claim it is out of order is because when anyone introduces a resolution to change our By-laws, that automatically goes to the Committee on Jurisprudence and Laws. It is not right to pre-judge the merit of the amendment. My talk now does not intend to convey to you any idea on how I will vote on it if it comes to us on the floor, but I

here and now always will protect the right of any man to present any amendment he wants at any time and let that go to its right committee, then let it come out and do whatever we want with it afterwards.

(Applause.)

I raise the point of order that the motion as presented by Noble Jack McGilvray of itself must go to the Committee on Jurisprudence and Laws and nothing that we can do should deprive him of that right. The motions that are now made, as confusing as they may be, all move to that particular point, and I will protect the right to put in an amendment. I raise the point of order that the motion is out of order, and I am no lawyer.

(Applause.)

Noble LAW: I will ask the Chairman of the Jurisprudence and Laws Committee to make the ruling, or advise me the ruling, of whether this substitute motion is in order.

Noble FONTAINE JOHNSON: Imperial Sir, I will say the substitute motion is in order. It rests entirely with the body what you want to do with it. Bill Woodfield's motion to lay the matter over for one year is in order at any time.

Noble CHACKES: May I ask the question? You say the substitute motion is in order?

Noble JOHNSON: That is right.

Noble CHACKES: It is a substitute for which original motion?

Noble JOHNSON: Substitute of the original motion was to refer the matter to the Committee on Jurisprudence and Laws.

Noble CHACKES: There is no motion necessary to refer the matter to the Committee on Jurisprudence and Laws because it automatically goes there without a motion.

Noble JOHNSON: One was made and it was passed by this body. We are only going by what you have done up to the present time.

A NOBLE: No, we didn't vote on it.

Noble JOHNSON: I stand corrected. I thought the matter had been moved and seconded, and the matter referred to the Committee on Jurisprudence and Laws. As the presiding officer referred the matter to the Committee on Jurisprudence and Laws, no motion is necessary, and that is where it is. We will take it.

Noble CHACKES: Then my point of order is correct?

Noble JOHNSON: Yes.

Noble LAW: Your point of order is sustained.

(Applause.)

Noble LAW: The ruling is that the motion of Noble McGilvray was referred to the Jurisprudence and Laws Committee, who will bring it back with the report.

I recognize Noble Bert Clausin.

Noble CLAUSIN: Imperial Sir, and Officers of the Assembly:

It is my duty to report your election. Your Committee finds that the Imperial Council possible vote is 708. There were 685 Nobles that voted. Necessary to a choice 343. They are divided as follows: Noble Clayton F. Andrews, Sesostri Temple, Lincoln Nebraska, received 382. Noble George Mattison, of Zamora Temple, Birmingham, Alabama, 303.

(Applause.)

It constitutes an election.

Noble LAW: Well, will Noble Clayton Andrews please come to the rostrum. I recognize first Noble George Mattison.

Noble MATTISON: Imperial Sir, Imperial Officers, and Nobles:

I want to first thank each of you Nobles for the consideration you have given me in a campaign that has been most interesting, and one of great value to me, that I have had the opportunity of meeting more friends and new friends daily, and friends that I will always like, that I will always love. I think that at this time I am going to ask you that we forget the Election Committee's report and ask that the Nobles give a unanimous ballot to Noble Clayton Andrews for Imperial Outer Guard for the ensuing year, and in doing so I suspect you Nobles have been kinder to me than you think.

(Applause.)

Noble LAW: Nobles, you have heard the motion made by Noble Mattison. (Motion seconded.)

It has been duly seconded, that this Imperial Council give a unanimous vote to Noble Clayton Andrews for Imperial Outer Guard. All who favor that motion will signify by saying "aye". Opposed "no". It is so ordered. Now, will you come up Noble Andrews?

(Applause.)

Noble Andrews, this Imperial Council has unanimously elected you Imperial Outer Guard for the ensuing year. Will you accept?

Noble ANDREWS: Imperial Sir, Members of the Imperial Divan, Past Imperial Potentates, Fellow Representatives, and Nobles:

After due consideration and careful deliberation I do accept. May I at this time express my sincere appreciation and that of the Nobles of my fine Temple for the honor that you have done us and for the many friendships which we shall always cherish. To our great leader I promise my complete cooperation, and it shall be my purpose to conscientiously and to the best of my ability serve every Noble of the entire Shrinedom. May Allah's blessings rest upon you.

(Applause.)

Noble LAW: I declare Noble Andrews duly elected Imperial Outer Guard of this Imperial Council. I recognize the Imperial Potentate.

Imperial Potentate LLOYD: I want to congratulate you also, Clayton, and I want to say, all the boys in this fine city know what a splendid officer you are going to make this organization.

Noble ANDREWS: Thank you very much Harold. You have been a wonderful inspiration to all of us, and it is going to be a job to follow these great men who are serving us at this time. (Applause.)

Noble LAW: I now recognize Noble Robert P. Smith, General Counsel.

Noble SMITH: Imperial Sir, the proposed amendment to Section 20, Article IV of the By-laws of the Imperial Council of the Iowa Corporation which is now with the Committee on Jurisprudence and Laws, I move be referred to the Committee on Nominations for Emeriti Members and be given to that Committee for a report.

Noble LAW: That is a motion. You have heard the motion. (Motion seconded.) All in favor will signify by saying "aye". Opposed "no". It is so ordered.

A NOBLE: What was the motion?

Noble LAW: Simply the matter be referred to the proper Committee. You haven't voted on it yet. Noble Smith, will you repeat your motion? It seems it wasn't heard.

Noble SMITH: The motion concerns the election of Emeriti Members. It is now with the Committee on Jurisprudence and Laws, and should be referred to the Committee on Nomination of Emeriti Members for report, and afterward it will go to the Committee on Jurisprudence and Laws if the report is adopted.

Noble LAW: Now is it fully understood?

Noble CHACKES: I would like to have a little clarification on that again. We are voting the same procedure. Now, I find out what the motion is about. Somebody has introduced an amendment to the Code, is that correct?

Noble LAW: Is that correct, Nobles?

Noble SMITH: Somebody, Noble Gardiner Wilson, has presented an amendment to the Code.

Noble CHACKES: Doesn't that go to the Committee on Jurisprudence and Laws?

Noble SMITH: It goes first to the Committee on Nomination of Emeriti Members. If their report requires it be sent to the Committee on Jurisprudence and Laws, it will go there.

Noble CHACKES: If that is so, doesn't the Committee on Emeriti Members merely act in accordance with the Code rather than have the Code in conformity with the Committee on Emeriti Members?

Noble SMITH: The resolution must first have a report.

Noble CHACKES: The resolution must first go, in my estimation, where all resolutions should go, to the Committee on Jurisprudence and Laws.

Noble LAW: This is an amendment to the Code which was referred to the Jurisprudence and Laws Committee. Now, Noble Smith has made a motion that it be again referred to the Committee on Emeriti Members. I

will ask the Chairman of the Jurisprudence and Laws Committee to advise us on that point.

Noble JOHNSON: I will say that the resolution having to do with the amendment to the Code should go to the Committee on Jurisprudence and Laws. The question of policy should go to the Committee on Emeriti Members.

A NOBLE: May I ask what is the change? I don't know what the change is.

Noble LAW: You are not required to vote on this until it comes back from the Jurisprudence and Laws Committee, then we will have full opportunity to discuss the motion and vote on it.

A NOBLE: I would like to vote now.

Noble LAW: The motion has been made by our General Counsel and concurred in by the Chairman of the Jurisprudence and Laws Committee, that this be referred first to the Committee on Emeriti Members, and then to the Committee on Jurisprudence and Laws. (Motion seconded.) If there is some misunderstanding, I will take another vote on that motion of Noble Smith's, that it be referred to the Committee on Emeriti Members, unless there is some discussion.

Noble ELMER E. ROBINSON: I would like to rise to a point of order, the point of order that was sustained for the gentleman a few moments ago would apply in this instance. A matter of policy under Robert's Rules of Order and under the ordinary procedure of such organizations, would first go to the Committee having to do with the matter of policy. After they have once enunciated a policy it would then go to the Committee on Jurisprudence to be tested as to legality, then it would be reported to the body. I urge the point of order.

Noble SMITH: That is exactly, Noble Robinson, what we are trying to do. It is a matter of policy, and in our procedure we first get a report from the appropriate committee.

Noble ROBINSON: The point of order is, it is not necessary to put it to a vote at all. The chairman refers it to the committee having to do with the policy, the committee prepares the policy, sends the report to Jurisprudence, and Jurisprudence reports it back to the Chair, and the Chair reports it to the body, and they act. That is my point of order.

Noble LAW: The point of order is well taken. and I refer the matter to the Committee on Emeriti Members. You will hear from it later.

(Applause.)

I call on the Imperial Treasurer now for his report.

Noble STEUART: Nobles, I will make my report while I am on my feet for both Corporations, that is the Iowa and the Colorado Corporations. I

Respectfully submitted,

Yours in the Faith,

L. P. STEUART,

Imperial Treasurer, A.A.O.N.M.S.

Noble LAW: This Report is referred to the Committee on Finance and Accounts, and I will now call on the Imperial Recorder for his Report.

Noble SAUNDERS: Imperial Sir and Nobles of this Imperial Council:

The reports of the auditors which you have received previous to this Session, give you in detail the business conducted in the office of the Im-

perial Recorder and Secretary for the past year. From this detail you will note our growth and expansion.

It is most gratifying to be associated with you in this great work and I appreciate the cooperation of the Imperial Officers, members of the Board of Trustees and all who have been so helpful in handling the assignments of their various tasks.

The Imperial Officers have ever been ready to answer the call of the Imperial Potentate, and Imperial Sir, Harold Lloyd, has, in spite of an emergency operation, been able to enshrine himself in the hearts of all with whom he has come in contact. He has made many visitations and his meetings have broken records on every hand.

We were able to move the Central Office to Chicago in accordance with your instructions and it was accomplished with little or no confusion. We closed the office in Richmond at night on Thursday and were open for business in Chicago the following Monday. All Nobles who have visited the office in Chicago are warm in their praise for the pleasant surroundings so much more commensurate with our great organization. Other than the additional rent cost, the operating cost of the office is little more than previously.

The Nobles of that great Medinah Temple have ever been helpful in making this transition and our most gracious thanks go to Past Potentate Noble George H. Vann, and the officers and Nobles of Medinah for taking us into their hearts and giving us every possible aid in this moving job. They are truly a great group of Nobles earnestly interested in the work of the Shrine and Shriners Hospitals for Crippled Children.

Your Chairman of the Board of Trustees, Illustrious Noble Galloway Calhoun, has devoted much of his time to the work of Shriners Hospitals and deserves your earnest cooperation in his plans for the future of our work. He is a tireless worker.

Your General Counsel finds more and more work to be done in his office as we continue to grow and expand and it is a pleasure to tell you how much I have valued his counsel and advise. His great personal interest in Shriners Hospitals and everything connected with the work, and his efforts are unceasingly yours in this work.

I am deeply grateful for the friendship and cooperation I have received from the Imperial Treasurer, the various Committees, and especially the staff of splendid and efficient workers we have in the Central Office. While it has been necessary to "break in" new help because of the move, we have been able to do this without any sacrifice of quality in our work. To my Assistant, Charles Marshall, and others of the staff, my warmest thanks for their generous cooperation and help.

To our engrosser, Noble Joe Rosen of Boston, I want to say a word of appreciation for his generosity in giving us the new certificates for our Emeritus Members and the certificates for the surgeons at the Units. Joe does a splendid job for us on all of our certificates and very often gives us complimentary such items as special certificates that we develop. He is a grand Noble and we express our thanks to him for his interest.

Our earnest desire is to make the office of Imperial Recorder and Secretary more and more a service office for the Temples and the Hospitals and we appreciate the opportunity to serve you in any way. We welcome your suggestions and ideas to the end that we may be of even greater service to the organization we all love so much.

Thank you for these few moments of your time.

Number of Honorary Members.....	2

TOTAL	708

The statistical information respecting the jurisdiction at large and the various Temples is shown on the pages following.

In carrying out the instructions of the Imperial Council in establishing the office of the Imperial Recorder and Secretary in Chicago, we feel that in spite of the great amount of details involved in this Herculean task we now have a Central Office to which all Nobles can point with pride, commensurate with our great order, and we deeply appreciate the help of all who have served in this work.

I want to express my grateful thanks to the Assistant Imperial Recorder, Noble Charles W. Marshall, for his untiring efforts and unselfish cooperation. His has been a contribution beyond the call of duty and I truly appreciate his fine work and his friendship. To the others of our office staff a word of thanks should be written for their loyalty, efficiency and willingness to carry on in this great and noble work for the Shrine and crippled children. My earnest thanks and grateful thought to each and every one.

To the Imperial Council Officers, committees, to all Temple Recorders and Officers of subordinate Temples and to Illustrious Noble Robert P. Smith, General Counsel and Past Imperial Sir Galloway Calhoun, Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, I extend my most gracious thanks for your continued and generous cooperation.

MEMBERS OF THE DIRECTORATE OF THE IOWA CORPORATION

IMPERIAL SIRs:

We have examined the balance sheet and the related statements of receipts and disbursements for the fiscal year ended February 28, 1950, have reviewed the system of internal control and the accounting procedures of the Order, and, without making a detailed audit of all transactions, have examined or tested the accounting records and other supporting evidence of the Imperial Council, by methods and to the extent we deemed appropriate. This examination was made in accordance with provisions of the by-laws of the Imperial Council, A.A.O.N.M.S., Section 39 of Article VII, and covers the examination of the records of the Iowa Corporation.

The report is submitted herewith and contains the following statements, together with our comments and opinion thereon.

HISTORY

The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America is a non-stock, non-profit corporation, organized in 1936 under the laws of the State of Iowa. It governs "the system of fraternal lodges or temples known in the aggregate as the Ancient Arabic Order of the Nobles of the Mystic Shrine . . .", and also collects assessments and contributions for the Shriners Hospitals for Crippled Children from its members and others, and disburses such collections to a corporation organized under the laws of Colorado under the name of Shriners Hospitals for Crippled Children.

IMPERIAL RECORDER

During the year, the office of the Imperial Recorder was moved from Richmond, Virginia to the Pure Oil Building on Wacker Drive in Chicago. The space in the new building is entirely adequate, beautifully appointed, and well adapted as the headquarters of the Imperial Council. Under Noble George M. Saunders, Imperial Recorder, much work has been done in systematizing the accounting work and developing a Shrine program for advancement.

While Noble Saunders has had a substantial turnover of personnel, he still has the competent assistance of Noble Charles Marshall, whose experience in the Richmond office has been a contributing factor in the excellent way that Noble George M. Saunders has handled the work. All other employees of the Iowa Corporation are new and are being trained in the work.

In order to meet the competitive labor market of Chicago, it was necessary to give an advance in salary to each person, and the costs incident to the moving and maintenance of the office of the Imperial Recorder in Chicago are increased substantially.

All receipts were verified by examination of monthly and annual reports of subordinate temples, and disbursements to the Imperial Treasurer were verified by examination of cancelled, approved and endorsed vouchers.

A statement of accountability of the Imperial Recorder is shown on Exhibit "A". This exhibit fully accounts for all funds that have come to the Imperial Recorder.

An examination of the reports of subordinate temples discloses a total membership as at December 31, 1949 of 607,915 members, a net gain of 31,961, somewhat less than in any year in the past six years. However, it still represents a satisfactory gain, the percentage of net gain being 5.55%. A detail of the membership record for the past five years is as follows:

	1949	1948	1947	1946	1945

In order to take care of the needs of this vast body of the Nobility, a great deal of clerical work is involved, and our observation is that all of this is kept up to date promptly by the Imperial Recorder and disposed of with dispatch.

IMPERIAL TREASURER

The Imperial Treasurer, Noble L. P. Steuart, has taken care of the work of his office with his usual efficiency. During the year, bonds in the amount of \$400,000.00 were purchased. These bonds were of Series 1967-72.

The records and accounts of the Imperial Treasurer were audited in the office in Washington, D. C. The cash receipts transmitted from the Imperial Recorder's office were traced into the depositories, and balances at the end of the fiscal year were verified and reconciled with certificate received from the depository. Warrants, numbering 5856-6248 inclusive, were issued by the Imperial Recorder, approved by the Imperial Potentate, and, after proper endorsement of payees, were paid by the Imperial Treasurer. All supporting invoices on file in the office of the Imperial Recorder were checked against the disbursements. United States Government Bonds in the sum of \$588,060.00, representing investment of funds of the Imperial Treasurer, were examined at the safe deposit vaults of the Hamilton National Bank in Washington, D. C.

Exhibit "B" reflects a statement of receipts and disbursements of the Imperial Treasurer for the year ended February 28, 1950, and all funds were found to be on hand.

EXPENDITURES AND APPROPRIATIONS

On Exhibit "C", we present a statement of the expenditures of the Imperial Council for the year ended February 28, 1950 compared with the

budget appropriation. The budget was prepared by the Imperial Divan, presented to the Imperial Council in Chicago, and approved. The Imperial Divan, acting as a Board of Directors, met in Chicago in January of 1950, at which meeting additional expenditures were authorized, as shown in the supplemental schedule of Exhibit "C". In only two cases were the expenditures in excess of the appropriation. These two were \$18.86 for flowers, and incidental unforeseen expense of \$413.50. All others were substantially less than was called for by the budget, showing a net unexpended appropriation of \$56,777.84.

INCOME AND EXPENSES

A comparative statement of General Fund income and expenses the years ending February 28, 1949 and February 28, 1950 is presented on Exhibit "D". The total revenue decreased \$21,298.11 and the total expense decreased \$28,065.42, resulting in a net excess of income of \$6,767.31 over the year ending February 28, 1949. We call your attention to the fact that since this is an income and expense statement, it does not include the item of furniture and equipment of the Chicago office, amounting to \$13,050.39, which we believe is a capital item, and therefore not included as an expense. In addition, there are some non-recurring expense accounts applicable to this year only, such as moving expense in the amount of \$5,618.27 and the Mexico Scholarship Fund of \$500.00.

The decrease in income was due to a decrease in donations to Shrine Rooms and initiation fees. The Shrine Rooms at Alexandria are almost completely furnished, and but little additional work is contemplated. A detail of the expenditures for the Shrine Rooms is shown on Schedule "3". As above stated, at the meeting in January, the Board of Directors approved an appropriation for the remainder of the furnishings. However, the work was in process but had not been completed, and the bills had not been received. It is probable that the Shrine Rooms Committee will ask an extension of the appropriation. The maintenance expense of the Shrine Rooms is shown in detail on Schedule "4".

The premium on bonds and general insurance was increased substantially over the preceding year, but this was for a large policy, and premiums for three years were paid on this policy.

The Imperial Council session expense decreased \$29,121.78, due to the central location of the convention city, which reduced the mileage and per diem allowance \$34,355.45.

BALANCE SHEET

On Exhibit "E", we present comparative balance sheets for the years ended February 28, 1949 and February 28, 1950. This statement shows an increase in assets of \$169,465.20, an increase in accounts payable of \$3,482.00, with a corresponding increase in the capital accounts of \$165,983.20.

Cash in banks at February 28, 1950 amounted to \$441,466.00. This is represented by \$1,000.00 in petty cash, or revolving fund, for the Imperial

Recorder's office, and the balance in bank accounts of the Imperial Treasurer, which were verified by actual correspondence. The bonds are grouped and classified on Exhibit "B". They were inspected and the interest coupons have been properly deposited.

Subordinate temples were indebted to the Imperial Council in the sum of \$50,110.20. This is detailed on Schedule "1". The credit balances on Shrine News amounted to \$1,956.53, and have been set up as accounts payable. These amounts have subsequently been refunded to the subordinate temples, largely due to the fact that there was but one publication of the Shrine News during the year.

The accounts receivable do not include unpaid hospital assessments, as they are due the Colorado Corporation and are not a part of the Iowa Corporation. The accounts, however, do include amounts due from subordinate temples on annual dues. The Imperial Council by-laws permit installment payments on these dues, and the last 15% will not be payable until October 1st, and therefore, these accounts cannot be considered delinquent.

All subordinate temples showing balances due on Shrine News were circularized, and in some small balances the obligation was denied. This, however, is a matter to be worked out later.

At the request of the Finance Committee, we have made a detailed analysis of the furniture and equipment of the Imperial Council and set up the program of a 5% depreciation annually. We took the inventory as at February 28, 1950, showing a total value of \$10,519.11. This does not include the furniture and equipment of the Colorado Corporation. There is \$3,860.28 of new equipment that was purchased for the hospitals for which they have appropriations, and this item is shown in the Iowa Corporation balance sheet as due from the Colorado Corporation. Some of the furniture in our inventory was priced merely at a nominal figure because of its age and the fact that it is not in use. All of the new furniture was listed by us at cost, less some depreciation.

"Capital, Imperial Council Session Fund", amounts to \$60,791.50. This fund represents the ten cents per capita assessment levied on the basis of the membership reported in annual reports of the temples, which fund is "to be used only for such aid to Host Temple or its organization, entertaining the Imperial Council Session as may be ordered by the Imperial Potentate". No advancements have been made on this assessment during the fiscal year, all of the above amount being available for the purpose intended.

Your auditors have examined the insurance policies, and find that you have the following coverage: Public liability, \$100,000.00 for any one person and \$300,000.00 for any one accident. Blanket Position Bond covers \$1,000,000.00 for the Imperial Treasurer, \$200,000.00 for the Imperial Recorder, and \$50,000.00 for all employees and the Boards of Governors. The jewelry policy covers insurance on officers' jewelry in the amount of \$5,515.00. There is an additional liability policy on Shrine Rooms of \$100,000.00. The office furniture and fixtures have a coverage of \$2,500.00,

but shortly after the close of the fiscal year when the furniture had been completely installed, a new policy went into effect increasing the amount of insurance on office furniture and equipment to \$15,000.00.

AUDITOR'S OPINION

In our opinion, the balance sheet and related statements of receipts and disbursements present fairly the financial position of the Imperial Council, A.A.O.N.M.S. as at February 28, 1950, and the results of operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Imperial Sir, I move the report be accepted.

Noble LAW: The question is on the adoption of the Report of the Imperial Recorder. Any remarks? All those in favor signify by saying "aye". Opposed "no". The Report is adopted.

Noble JEPSON (Sphinx Temple): I would like to make a motion we give Imperial Recorder Saunders a rising vote of thanks for the work he did beyond the call of duty in moving the Office from Richmond to Chicago. (Motion seconded.)

Noble LAW: You have heard the motion and it has been seconded by the Imperial Potentate. Any remarks? All in favor will rise. (A rising vote of thanks.) Thanks, Nobles, and I am sure George thanks you.

Noble SAUNDERS: Thank you very sincerely.

Noble WEBSTER: I recognize Noble Saunders.

Noble SAUNDERS: Imperial Sir, this is something for the Record. By-law changes have been submitted by Pyramid Temple, Mizpah Temple, Islam Temple, Alec Temple, Khartum Temple, Moolah Temple, Aloha Temple, Rameses Temple, and Tehran Temple. These will be submitted to the Jurisprudence and Laws Committee.

Noble WEBSTER: I believe the Jurisprudence and Laws Committee have a report or two to make at this time. I recognize Noble Strum.

Noble STRUM: Imperial Sir and Representatives: There has been referred to your Committee on Jurisprudence and Laws a resolution proposing an amendment to Section 224, Article XXVII of the Code, to prohibit the incorporation of Shrine Clubs and other like organizations. That is, prohibiting the incorporation of them as civil corporations. Your Committee feels that Shrine Clubs and like organizations should derive their existence solely from the Temple in whose jurisdiction they exist, and that they should not have any other form of legal existence than this, so that such organizations will be subject to the direct and plenary control of the Temple under whose jurisdiction they are functioning and of the Potentate of that Temple. If such organizations are incorporated under the laws of a state, they have a separate legal existence, not subject to the control of the Temple in whose jurisdiction they exist, and we believe that such clubs should not have this independent legal status.

Your Committee also feel, however, that Shrine clubs should be authorized to organize, separately from the fraternal organization itself, a closely held and non-profit corporation for the sole and exclusive purpose of holding title to any property owned by the club, as title to said property must rest somewhere, and it is usually not desirable that it be held by individual trustees. In order to accomplish these purposes, your Committee recommends that said Section 224 of the Code be amended to read as follows:

That entire Section, Nobles, is rather lengthy. If you desire it read at length I shall be happy to do so upon request, but unless you do so request I will just read you the Amendment that is proposed to be inserted into it to

accomplish the results just mentioned. I will begin now in the middle of the Section where it says: "Also, no such organization—that is Shrine clubs—shall adopt by-laws without their first having been assented to by the Potentate of said Temple".

Now, that is in the Law as it now exists, and here is the new matter: "and no such club or organization shall be permitted to incorporate under the laws of any of the several States, Countries, or any sub-division thereof. Any such organizations so incorporating shall be subject to disciplinary action of the Potentate under whose jurisdiction the organization is functioning and shall be subject to such further disciplinary measure as the Imperial Council shall deem meet and proper. Any such Shrine club or organization, however, may organize separately from the fraternal club or organization itself, a non-profit corporation, for the sole purpose of holding title to property owned by said club or organization.

The trustees or other managing officers of said corporation shall be members in good standing of said club or other organization, and by accepting office in such corporation shall thereby become subject to the by-laws of the Temple in whose jurisdiction said corporation is organized, and to the orders of the Potentate of said Temple as to the conduct of said corporation. The Potentate may forthwith remove from office in said corporation any such trustee or other managing officer for disobedience of said orders, or for any violation of Temple by-laws with respect to the conduct of the affairs of said corporation."

That ends the proposed new matter. Then the Section reads on: "If any such organization is proposed to be formed in territory over which two or more Temples have concurrent jurisdiction", it must have the approval of both Temples. Now, as I have already said Nobles, the purpose of that proposed amendment is to prohibit a Shrine club which is supposed to be and should be a subordinate fraternal organization, having legal civil existence which is independent of and entirely separate from its Temple, so that the Temple thereby in effect loses control over that Shrine club, if the Shrine club desires to defy the Temple which creates it. We think that situation ought not to exist. Therefore, we recommend that the Code be amended as just read. Imperial Sir, I move the adoption of this report and the Amendment to the Code as just stated.

Noble WEBSTER: You have heard the reading of the Report and the motion of the Jurisprudence and Laws Committee, that this Report be adopted, and the Amendment as read be carried. Are there any remarks? If not, all in favor manifest by saying "aye". Opposed "no". It is carried.

I believe we have one or two other matters that we may dispose of at this time. I call upon the Jurisprudence and Laws Committee.

Noble MERWYN H. BROWN: Imperial Sir, and Nobles: This Report has to do with approval of Amendments to By-laws, and it involves Pyramid Temple, Islam Temple, Khartum Temple, Moolah Temple, Aloha Temple, Rameses Temple, in reference to amendments; and new By-laws in Mizpah Temple, Alec Temple, and Tehran Temple. All these By-laws have been

thought over by the Committee on Jurisprudence and Laws, and have been approved by the Chairman of the Committee, also by the Imperial Potentate, and therefore the Committee makes this Report.

Your committee on Jurisprudence and Laws has carefully gone over the By-Laws and Amendments to By-Laws referred to us by the Imperial Recorder.

We recommend that the action of the Imperial Potentate in approving and rejecting the By-Laws and Amendments to By-Laws of the various Temples during the past twelve months be ratified, approved and confirmed as submitted by the Imperial Recorder.

Imperial Sir, I move the adoption of the Report. (Motion seconded.)

Noble WEBSTER: You have heard the reading of the Report and the motion to adopt. Are there any remarks? All those in favor manifest by saying "aye". Opposed "no". It is so ordered.

I believe we are ready for the Report of Mileage and Per Diem, by Past Imperial Potentate Albert H. Fiebach.

We have one more report of the Jurisprudence and Laws Committee. I recognize Noble Grover C. Nolte.

Noble NOLTE: Imperial Sir, and Representatives, this is a Report of the decisions that have been rendered during the past year by the Imperial Potentate. They are attached to his Report. They weren't read to you, the decisions weren't, and unless you insist on these decisions being read I will not do so. You have the assurance of the Committee that they involve merely interpretations of the law pertaining to the usage and customs in the Shrine.

To the Imperial Council A.A.O.N.M.S.:

There have been referred to your Committee on Jurisprudence and Laws the five decisions made by the Imperial Potentate during the past year which are attached to his report. Your Committee finds that these decisions are in conformity with the laws of this Imperial Council and recommends that they be approved.

Respectfully submitted,

FONTAINE JOHNSON, *Chairman*
LOUIE W. STRUM, *Vice Chairman*
GROVER C. NOLTE
ABIT NIX
WILLARD P. LOMBARD
LINCOLN G. KELLY
MERWYN H. BROWN

I move the adoption of this Report. (Motion seconded.)

Noble WEBSTER: You have heard the reading of the Report and the motion for its adoption. All in favor manifest by saying "aye". Opposed "no". Carried.

We will stand adjourned until tomorrow morning at 9:30.

THURSDAY, JUNE 22, 1950

MORNING SESSION.

Imperial Potentate LLOYD: (9:30 a. m.) I now declare the 76th Imperial Council Session reconvened, and boys, we have a lot of work to do here, but I think that we can get through with it by late lunch if we could do one thing. There will probably be controversial issues arise on the floor. Naturally you want to be heard just as much as possible, but if we could

limit our talk on one subject to say not over five minutes, and for the same man not to speak more than twice on the same subject, I think we could probably push things through, and get out of here in good time so you gentlemen won't have to stay here all day.

I recognize Thomas Law.

Noble LAW: Nobles, this is a matter that you must decide for yourselves. It is nothing that the stage is trying to put over, but if we can get through at a reasonable time today, with the amount of work we have, we must stick to the subject and hurry it up just as much as possible. Now, I am going to make a motion that you either accept or reject, and it will take a two-thirds vote to carry it. I move that the wishes of the Imperial Potentate be carried out, that on all matters that may come up this morning, one Noble will not speak more than twice on the same subject, and confine his remarks to not more than five minutes. I make that as a motion. (Motion seconded.)

Imperial Potentate LLOYD: All right, any questions on it? Are you ready for the question? All those in favor say "Aye". Contrary "No". It is so ordered.

The first order of business is a report of the Committee on Necrology by our Chairman, Noble Stanton A. Bruner. He is one of our Illustrious Potentates of Al Malaikah Temple. He is not only Chairman of your Necrology Committee, which he has been for years, but he has been also Chairman of our Hospital Board, and has been the main cog in raising for the hospitals a million and a half dollars, among many other things he has done for Al Malaikah Temple and this great Order of ours. I want to say we are very proud of him.

(Applause.)

Noble BRUNER: (Reading)

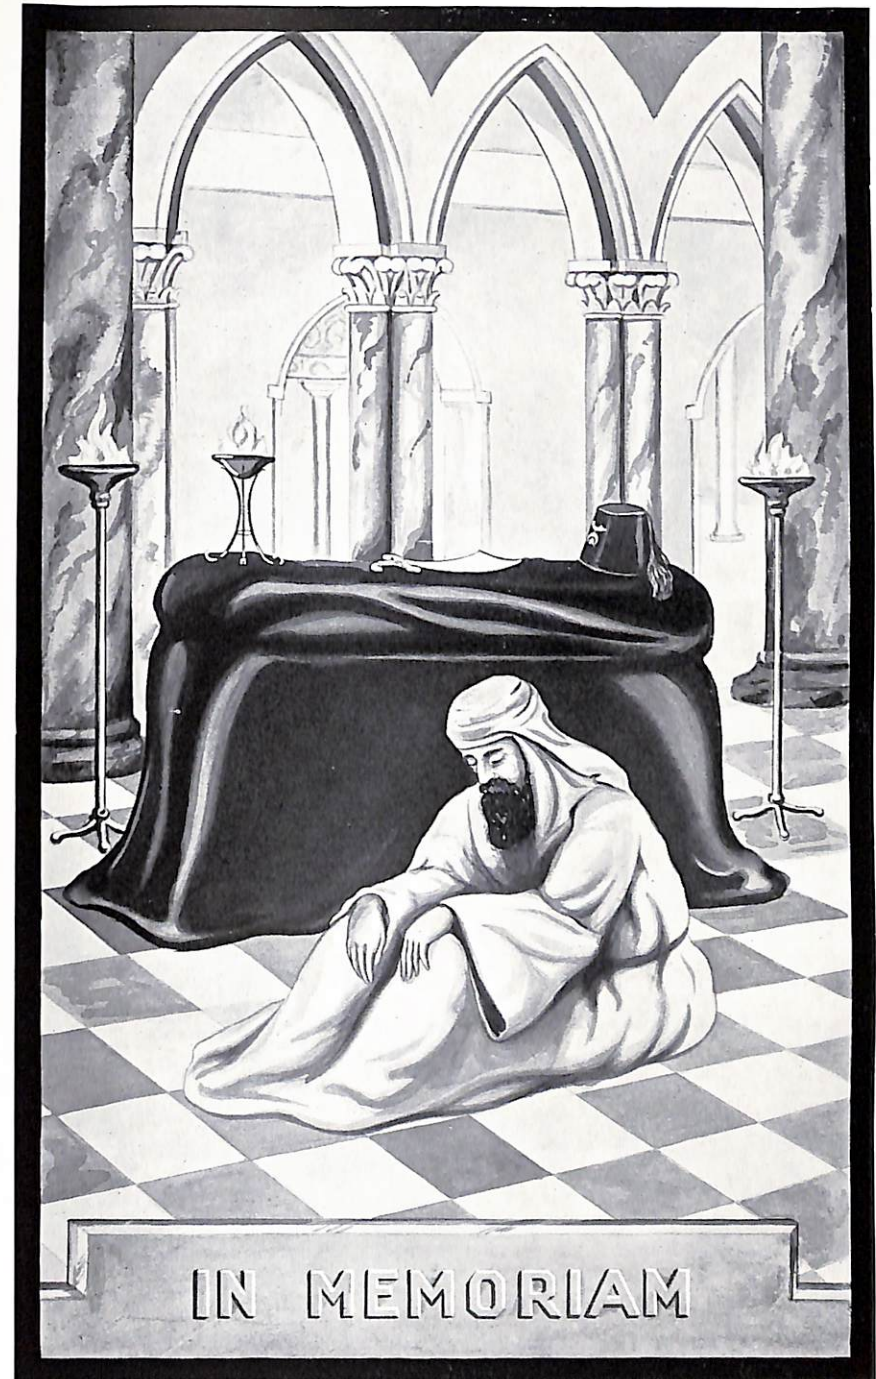

REPORT OF COMMITTEE ON NECROLOGY

We are gathered here to pay tribute of respect and affection for brothers who have passed on this year, a little while ahead of us, into a land more wonderful than the human mind can describe. They lived here and they live yonder.

Life may be symbolized as a day. The Psalmist said, "So teach us to number our days that we may apply our hearts unto wisdom". In the morning of life, we come into this world as new born babes. We open our eyes upon a strange world. As we grow and become conscious of moral responsibility, we reach our youth. Then there is the high noon of mature responsibility, with its heat and its burdens. Gradually, like the day, life slips on and evening comes. The sun begins to sink in the west, and soon there comes the call of sleep and rest.

During World War I, we had a term describing death, which we called "Going West". For a hundred years, "Going West" to Americans has meant the pushing out into the land of adventure. It has meant life that continues after the resurrection from sleep.

Sleep has ever been a symbol of death. We lie down and we go to sleep. We are unconscious of our surroundings. We hear nothing and see nothing, but we are living, and in the resurrection from sleep, we come forth refreshed and strengthened for a better life and nobler tasks. Death, as revealed to us in the Scriptures, is only a sleep. After the work of a busy day, we

IN MEMORIAM

sleep, and after the work of a busy life, we sleep momentarily in death, but rise again to live under conditions much finer and better than anything this world can supply.

We are not only comforted by the thought that it is well with them, but we are comforted by the memory of our fellowship with them here on earth. We recall the virtues in their lives and characters that we admired most and that inspired us to make our own lives more unselfish and helpful. Another has well said, "He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; . . . who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given the best he has; whose life was an inspiration and whose memory a benediction".

In this memorial, we pay tribute to those noble characteristics in our brothers that won our esteem and affection. We honor them because of the lasting qualities which radiated from their lives; because of friendships and acts of kindness and expressions of loyalty that abide in our memories. They could be depended upon to do well the task assigned them. They were sincere and genuine. These are the things which count as the day of life draws to a close and they pass over to be with the Lord.

CLARENCE MARTIN DUNBAR

The black camel has called at the tent of one of our dearly beloved Past Imperial Potentates.

Illustrious Noble Clarence Martin Dunbar was born October 29, 1871, at Wakefield, Massachusetts. He was educated in the Public schools at Melrose, Malden and Wrentham, Massachusetts, and had two children, Arthur Bradford and Margaret Tills Dunbar.

Noble Dunbar learned the jewelry business as an apprentice and started the fire of Dunbar, Leach, Garner Company, manufacturing platers, in 1899, at Attleboro, Massachusetts. He resigned from that firm in 1906, and established the corporation of Cook, Dunbar, Smith Company, manufacturing platers, at Providence, Rhode Island. At the time of his death, he was a Director and Treasurer of that company.

Our tears mingle with those of his family in the realization of the loss of one who was so active in our work and was such a friend of the Shrine. It is our earnest wish that the Supreme Architect of the Universe comfort and sustain his bereaved ones and lend con-

solation to his host of friends. We appreciate the privilege of his friendship, wisdom and counsel throughout these many years past.

"ES SELAMU ALEIKUM"

"There are no friends like old friends
 To calm our frequent tears
 When Shadows fall and deepen
 Through Life's declining years.
 And when our faltering footsteps
 Approach the GREAT DIVIDE
 We'll long to meet the friends of old
 Who wait on the other side."

KARL REX HAMMERS

In the early morning hours of Thursday, September 8, 1949, in Pittsburgh, Pennsylvania, the All Loving Father, in his Infinite Wisdom, called Home our dear friend and Past Imperial Potentate, Illustrious Noble Karl Rex Hammers who had only a short time ago relinquished the gavel of office to his successor.

Imperial Sir "Karl Rex," as he was so affectionately called by his host of friends in the Imperial Council, enjoyed a most successful administration, and throughout the years of his unselfish service to our order has made a most valuable contribution to the Shrine as a whole.

"Karl Rex" a farm lad who became a school teacher and whose broad experience included advertising, public relations, lecturing, acting (playing the entire repertoire from minstrel end-man to Masonic and Shrine ritualist, including production and direction of plays and degrees), plus an imposing stature, deliberative mind, kindly approach and impressive speech—put them all together and you have our Past Imperial Potentate.

Pennsylvania, whose historic shrines are the heart-stirring memorials of our nation's birthright, was his native state. Born to the soil at Indiana, Pennsylvania, on July 27, 1885, he attended its public schools and graduated from Indiana State Teachers College. For three years he taught in the school of nearby Jefferson County.

In 1909, this 24-year-old enthusiast began his life-long association with the H. J. Heinz Company, of Pittsburgh. After two seasons on the renowned Heinz Ocean Pier at Atlantic City, his natural tendency toward creative service was broadened through his connection with the Heinz Advertising Department, at the home office of the "57" varieties.

Freemasonry has received a full measure of Illustrious Noble Karl Rex Hammers' time, devotion and splendid service. Shortly after he became of age, he petitioned and was raised in Indiana Lodge, No. 313, F.&A.M. At Pittsburgh, he joined the Scottish Rite and became an active participant in its ritualistic and executive work. He was a Past Thrice Potent Master of Gorgas Lodge of Perfection and served a three-year term as a member of the Board of Trustees, A. A. S. R. The Supreme Council, Northern Masonic Jurisdiction, recognized his valued service when he was crowned a 33° Inspector General, Honorary, at Grand Rapids, in 1934.

Illustrious Noble Hammers was a member of Pittsburgh Chapter, Royal Order of Scotland. He was a past president and a member of the advisory board of Western Pennsylvania Masonic Veterans Association, and held membership in Tall Cedars of Lebanon Forest, No. 77. He was a member of the cast of Court No. 2, Royal Order of Jesters.

After election to successive offices on its Divan, he was elected as Illustrious Potentate of Syria Temple in 1932. He has served as a Representative to the Imperial Council since 1935, acting in many important capacities. At the Imperial Council session at Detroit in 1937, these services were rewarded through unanimous election to the office of Imperial Outer Guard. Through the succeeding years he was regularly advanced and elected as Imperial Potentate and was installed as Shrinedom's leader at Atlantic City, May 29, 1947. He served as a member of the Board of Trustees, Shriners Hospitals for Crippled Children.

We express the wish that our Heavenly Father temper the hours of grief and suffering with his tender mercies and bring comfort and consolation to all in this great loss. We are all grateful for the privilege of having known and loved him through the years and called him Friend.

"ES SELAMU ALEIKUM"

"To the promised land our friend has gone,
 To the land of perfect rest;
 His work is done—and the setting sun
 Has sealed his Life's request.
 "He has left this earthly strand,
 For the House beyond the sea,
 Though the past is gone, he will still live on
 To us all—Sweet in our Memory."

Noble William Ovid Abney, was Treasurer of Beni Kedem Temple for the past twenty-six years. He answered the call as quietly as he had lived. He had lived a full life and a long one.

He served two full terms as Harrison county circuit clerk before becoming clerk of the West Virginia Supreme Court of Appeals in 1938, and he held the latter post until the hour of death.

While the citizens as a whole will have kind thoughts of remembrance concerning Noble Ben Jarvis, he will be missed most by those in the legal profession, who will be without his wise counsel. He was a lawyer and a veteran of more than twenty years in public office. Throughout that period of public service he had worked with legal papers and had been closely associated with attorneys throughout the state. Clarksburgers who had occasion to appear before the State Supreme Court always found Ben Jarvis ready to help them if he could. In his capacity as clerk of the State Supreme Court he got innumerable letters, telephone calls, and telegrams from Clarksburgers asking for special favors. Each request got his careful consideration.

As these fine capacities developed through the years his friends looked forward to the possibility of serving under him as Potentate in the year 1951.

In the passing of such a personality there has been revealed an even greater bond of sincere affection, through which we become better Shriners. The way that he always put his whole heart into everything that he did, will inspire us to do greater works. CHARLES KINSEY PAYNE

Born—Newport, Virginia, November 27, 1859

Died—Charleston, West Virginia, September 8, 1949

Illustrious Noble Payne was truly a great Mason. He was initiated, passed and raised in Sinking Creek Lodge No. 218, at Newport, Virginia and on March 27, 1890, demitted to Kanawha Lodge No. 20, which he later served as Worshipful Master. For many years he was an active Trustee of the Masonic Temple, assisting in building its first Temple at Hale and Virginia Streets in 1895. He was one of the first three Masons in Charleston to receive the 50-year jewel. He was Exalted in Tyrian Chapter No. 13, R.A.M. on January 10, 1891 and a few months later knighted in Kanawha Commandery No. 4 of which he became Eminent Commander in 1905-6. He was created a Noble of the Mystic Shrine in Osiris Temple, Wheeling, West Virginia, in 1891 and became a charter member when Beni Kedem Temple was created in 1896—which he later served as Potentate.

Noble Payne received the Lodge of Perfection degrees in 1909, becoming a charter member and the first Treasurer of Odel S. Long Lodge of Perfection. He received the remaining degrees of the Rite from the 15th to the 32nd in Wheeling and later became a charter member of each of the other three Scottish Rite Bodies in Charleston. At the time of his death, which terminated sixty-eight years of active Masonic affiliation, Noble Payne was the oldest Mason in or near the City of Charleston. He not only took the high Masonic vows incident, progressively, to his membership in each Order, but he kept them. Throughout his long Masonic career and active life he put into practice those high ideals and tenets upon which the Masonic Orders are founded. It is not difficult to understand, therefore, why he held not only the affection and esteem of his Masonic brethren, but also the respect and admiration of the community in which he lived so long and so well.

Noble Payne's friends and associates recall him as an engaging companion whose naturally fine mind was cultivated and enriched by repeated travel to the four quarters of the globe and familiarity with the best in our literature. He was warm hearted, hospitable, loyal, with a great gift of winning and retaining close friends. Back of this was a great courage which lead him to express openly, vigorously and fearlessly his opinions upon the questions of his day, whether local, state or national, which had been formed as a result of careful consideration, broad knowledge and sound judgment.

A distinguishing trait of Noble Payne was his youthfulness. According to the calendar he was eighty-nine years of age at the time of his death, but he never grew old. As to him age was "a lusty winter, frosty, but kindly." The result was that he was welcomed in every social gathering and an appreciated companion of a host of friends much younger in years, though not in heart, than he.

Taking him all in all, it is an understatement to say this man was a distinguished, memorable and outstanding citizen whose like will not soon pass this way again.

Perhaps his record may be accurately summarized in few words: HE WAS A LOYAL AND CONSISTENT MASON.

For many years he had been one of our substantial and valuable members; an attorney in our city for many years and Grand Orator of the Grand Lodge of Oklahoma.

To attempt to recite the accomplishments of our Noble Brother Rittenhouse, or to recount the attendant Masonic honors that came with them, is deemed unnecessary here for all are acquainted with his enviable Masonic record. Suffice it to say that all the highest and noblest honors that are bestowed on Masonic Princes were his by right of his own sterling character and profound devotion. He was known and loved in the halls of the Symbolic Lodge as well as in the Temple of the Supreme Council, Ancient and Accepted Scottish Rite of Free Masonry, and was a Representative of the Imperial Council of the Shrine at the time of his death.

Masonic honors were not taken lightly by him. He served with honor and distinction and because of his sterling character and conscientious devotion to duty, he held the love and esteem of Nobles everywhere. He was a workman unafraid and a gentleman—a laborer worthy of his hire. He loved his Masonry and always lived and practised its great teachings. His great desire was to help others, and he was happy when at labor with the craftsmen, and was always spreading helpfulness and good cheer.

Oklahoma has lost one of its great leaders, and our Shrine, one of its most valuable and consistent members. Noble Rittenhouse's counsel was wise, his courage unflinching and his convictions unshakable, yet patience, loyalty and sympathy characterized his attitude toward those with whom he daily associated. It may well be said that in his life and in his passing he realized the noblest ambition of the human heart—to have lived well, to have done much for others, to have left the world better than he found it, and to be well remembered.

Rose Croix services were held in the First Methodist Church with Dr. Rev. John R. Abernathy, Grand Chaplain of the Grand Lodge, A.F. & A.M., of Oklahoma officiating. Burial was in Fairlawn Mausoleum, with the members of Arab Patrol of India Temple, acting as Honorary Pallbearers.

Illustrious Noble Wenzel was created a Noble of the Mystic Shrine in Syrian Temple on May 19, 1923. Illustrious Noble Wenzel maintained his interest in Syrian Temple to the end, having served as Chairman of our "Visiting Divans" Committee ever since his retirement as Potentate, an appointment for which he was well fitted due to his pleasing personality and jovial disposition. His loyalty to Syrian endeared him to our membership, amongst which he had countless friends and in his passing Syrian has suffered a great loss—a typical Shriner, he will be keenly missed by his fellow Nobles.

WILLIAM M. WILEY**Born—Cedar Rapids, January 25, 1888****Died—Walker, Iowa, February 23, 1950**

He was a District Lecturer and Past Master of Rob Morris Lodge, No. 500, A.F. & A.M. at Walker. He had been worthy patron of Walker Chapter, No. 88, Order of Eastern Star, for 25 years.

FRANCIS E. WILMS**Born—Springfield, Illinois, December 28, 1880****Died—Springfield, Illinois, October 23, 1949**

Illustrious Francis E. Wilms was an ardent worker in the Masonic vineyard and served as a member of the Board of Governors of the St. Louis Unit, Shriners Hospital for Crippled Children from 1942 until his death. He attended board meetings regularly until his health would not permit traveling. He was thoroughly familiar with the operation of the hospital and contributed generously from his personal funds to this charitable cause.

Noble Wilms was first elected a Representative of the Imperial Council in 1929 and had served eighteen terms. He was a member of the committee on national publication and for the last few years a member of the committee on a short history of the Shrine. His long tenure as an Imperial Representative made it possible for him to become personally acquainted with many of the Imperial Officers and Imperial Representatives.

Noble Wilms was initiated in Mohammed Temple about forty years ago and was active in assisting to organize Ansar Temple in Springfield in 1913. He was a charter member of Ansar Temple, appointed Outer Guard in 1922 and elevated to the office of Potentate in 1930.

CECIL VANCE WILSON**Born—September 11, 1891****Died—July 23, 1949**

Illustrious Noble Cecil Vance Wilson served as Potentate of Algeria Temple in 1945 and as Imperial Representative 1945-1946 and 1948.

Noble Wilson was an outstanding leader in civic, business and fraternal circles in Helena, Montana. He had a remarkable personality and held the respect and confidence of all his friends, which were legion. His counsel was widely sought in all circles and his leadership was paramount.

"Sleep on, dear friend, such lives as thine,
Have not been lived in vain.
But shed an influence rare, divine,
On lives that here remain."

"Jesus," said the Apostle John, "Knew that he came forth from God and was going back to God." This same Jesus said to his disciples, "In my Father's House are many mansions . . . I go to prepare a place for you." Thus revelation and reason agree that there is a future life. "We know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

Those wonderful friends, we are taught, are not gone forever. The very foundation of our Masonry is a firm belief in the hereafter, so we go along with that faith and know that we shall see them again in the morning. We look forward with happy anticipation of meeting our brothers in a better

and more glorious world. It will be a world in which there will be no temptations, nor trials, nor trouble. There shall be no mourning, nor crying, nor pain any more. God shall wipe away all tears from our eyes, and Death shall be no more.

*"So live that when thy summons comes to join
The innumerable caravan, that moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like a quarry-slave at night,
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."*

STANTON A. BRUNER, *Chairman*

Appropriate selections were sung by the Chanters of Al Malaikah Temple.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Imperial Potentate LLOYD: It has been moved and seconded the very fine and very revered report be adopted. All those in favor say "Aye". Contrary "No". It is so ordered.

Boys, we certainly have a great group of Chanters in all of our organizations. We are mighty proud of ours, and I know each of you are proud of yours.

The next order of business will be the report of the Committee on Forms and Ceremonies, by our Imperial Potentate Elect Hubert M. Poteat.

Imperial Potentate Elect HUBERT POTEAT:

Imperial Sir and Nobles: The Committee on Forms and Ceremonies respectfully makes the following report:

1. On page 102 of the 1949 proceedings there is a small error in the revised pledge of allegiance; the pledge should read: I pledge allegiance to my flag and to the country for which it stands, one Nation indivisible, with liberty and justice for all.

The rubric just below the pledge, on page 38 of the Ritual should be deleted.

2. We recommend that the following description of the Mystic Grip be inserted in the Ritual, on pages 25 and 33, on a sticker to be supplied by the Imperial Recorder:

Each Noble arranges his thumb and fingers in the position for giving the sign of the Order; the hands are clasped and then sharply withdrawn.

3. On page 24 of the Ritual we recommend that the following be substituted for the rubric in lines 10-12:

SECOND CEREMONIAL MASTER: Let each of you lay the fingers of his right hand upon the stone and then touch his lips.

The Imperial Recorder should supply the necessary stickers.

4. A distinguished Canadian Noble, who modestly prefers to remain anonymous, has prepared a beautiful and appropriate ceremony to be used at the dedication of Shriners Hospitals for Crippled Children, and we recommend that the ceremony be approved but not required. Respectfully submitted.

I move its adoption, Imperial Sir. (Motion seconded.)

Imperial Potentate LLOYD: It is moved and seconded. All in favor say "Aye". Contrary "No". It is so ordered.

Noble WEBSTER: Now, we will have the report of the Committee on George Washington Memorial by Imperial Chief Rabban Roland D. Baldwin.

Noble BALDWIN: (Reading)

Imperial Officers and Imperial Representatives of the Ancient Arabic Order, Nobles of the Mystical Shrine for North America:

Your Committee wishes to report that the Rooms are about completed and there is little now to be placed in them. However, if there is any Temple or individual Shriner who has any article which might be of some value to the Rooms, we hope you will submit it to the Chairman. Please do not send the article to the Chairman, but first write him a letter, describing it—thus avoiding any unnecessary trouble and expense.

In estimating our attendance, we figure that about two out of every ten visitors register. Therefore we had, this year, about 160,000 visitors. There was at least one Noble from each of the 160 Temples.

We had visitors from the following Countries: India, China, Argentina, Cuba, Brazil, Norway, Greece, France, The Philippines, Japan, Romania, Hawaii, Canada, Italy, Scotland, England, Canal Zone, Guam, Uruguay, Germany, Chile, Alaska, Australia and Mexico..

After a delay of some time, we are glad to announce that the paintings of the three Presidents who were and are members of our Order, have been placed in the Rooms, the three being Warren G. Harding, Franklin Delano Roosevelt and Harry S. Truman. These paintings were done by the nationally known artist, Jerry Farnsworth.

The Committee appreciates very much the full cooperation of the 160 Temples, and we are pleased to report that all of the 160 have contributed to the Rooms.

Your Committee is also very proud to announce that the following Shrine Associations have contributed, as well as the Officers of the Imperial Divan:

Central States Shrine Association
Illinois Shrine Association
Midwest Shrine Association
Northeastern Shrine Association
Ohio Shrine Association
Southeastern Shrine Association
Texas All State Shrine Association
Shrine Directors Association
Shrine Recorders Association
New York State Shrine Association

The names of the 160 Temples, as well as the above named Associations, have been placed on the Bronze Honor Roll Plaque.

Last year your Committee reported that Aleppo Temple was the largest contributor, as far as the individual Temples are concerned. We wish to call your attention to the fact that although the Pennsylvania Shrine Association's name has not been placed on the plaque, because, as an Association, it has not made a contribution, the seven Pennsylvania Temples have given \$6,000.00, and for the above reason we feel that this very generous gift by the Pennsylvania Temples should be called to your attention.

Your Chairman has been in contact with other Shrine Associations, and it is hoped that we will hear from them in the future.

At the time of this report, we have received from Temples and Associations the sum of \$43,881.05, and we will receive \$1250 in January 1951, which will bring the total to \$45,131.05.

Your Committee has had a great deal of difficulty regarding the moving picture of these Rooms, and we are ever indebted to George Kossuth for his untiring efforts in producing these pictures. We have now completed this moving picture, which includes the paintings of the three Presidents which were placed in the Rooms the first of this month. It is an all silent picture with captions, this having been decided upon after a tryout on sound. We found, first, that the cost would be prohibitive, and we considered the further fact that the picture would be shown in some places where there would be no sound machine available. Therefore, the silent picture has been produced and can be obtained from the Imperial Recorder's office.

We, as a Committee and individually, thank each and every one of you for your splendid cooperation in this undertaking; and we feel that the Rooms will always constitute an attractive display of genuine interest to the visitors to the George Washington National Masonic Memorial Building at Alexandria, Virginia.

This report respectfully submitted by

ROLAND D. BALDWIN, *Chairman*
ALFRED G. ARVOLD, *Vice Chairman*
HOWARD P. FOLEY
FRANK S. LAND
GEORGE J. KOSSUTH
WM. H. WOODFIELD, JR.

I move this report be accepted. (Motion seconded.)

Noble WEBSTER: Nobles, you have heard the reading of the report and motion it be accepted. All in favor manifest by saying "aye". Opposed "No". It is so ordered.

I think at this time we will have the report of the Committee on Transportation. Noble Walter G. Seeger is the Chairman.

Noble SEEGER: Imperial Sir and Representatives:

In reporting for the Transportation Committee, I would like to report that we have held one meeting that was held here in Los Angeles on arrival. We have had nothing to do during the year. The Pullman Company and various railroads have done their job so well in connection with the various Temples that no assistance was asked of the Committee.

That is the report of your Transportation Committee, and is signed by all members. I move its adoption. (Motion seconded.)

Noble WEBSTER: You have heard the reading of the report, and the motion to adopt. All in favor manifest by saying "Aye". Opposed "No". It is so ordered.

Imperial Potentate LLOYD: I just want to thank Noble Walter Seeger for the many things he has done for me this year. He has made my blood awfully rich by carting me around in his private business car. It has to be thinned out. He was our leader in the Jesters organization, that splendid organization, and he did a magnificent job there. Walter, I thank you very, very much for everything you have done for me. Thank you.

(Applause.)

Noble SEEGER: Thank you, Harold.

Noble WEBSTER: We will now have the report of the Committee on Grievances and Appeals. In the absence of Past Imperial Potentate Frank C.

Jones, Chairman, the report will be made by Noble Orson J. Graham, Vice-Chairman.

Noble GRAHAM: (Reading)

To the Imperial Potentate and Representatives of the Imperial Council:

The Imperial Potentate referred to the Committee of Grievances and Appeals two matters. In each case the files were incomplete. While your Committee held hearings and endeavored to arrive at a conclusion, we were unable to do so because of insufficient evidence. We, therefore, recommend that additional time be granted to enable interested parties to present additional evidence.

Respectfully submitted,

FRANK C. JONES, *Chairman*
O. J. GRAHAM
GEORGE C. FOSTER
ROBIN B. MULLOY
M. N. PORTER

I move the adoption.

Noble WEBSTER: Nobles, you have heard the report and motion to adopt. All in favor manifest by saying "Aye". Opposed "No". It is so ordered.

We have now another report from the Jurisprudence and Laws Committee.

Chairman JOHNSON: Imperial Sir: (Reading)

To the Imperial Council:

To your Committee on Jurisprudence and Laws has been submitted an amendment to Section 219, Article XXVII of the Iowa Code which reads as follows:

Proposed Amendment to Article XXVII Section 219 of the Code.

Section 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by a direct line, between itself and the nearest Temple; provided, that in no case can it extend beyond the limits of the state, territory, or district in which it is located, except by agreement between Temples affected only; provided, also that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory, should they so desire; provided, also that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located; PROVIDED ALSO THAT A SECOND TEMPLE MAY BE FOUNDED IN THE SAME COUNTY IN ANY CITY THEREOF HAVING A POPULATION OF NOT LESS THAN 200,000 AS DETERMINED BY THE OFFICIAL STATEMENT OF THE STATE CHAMBER OF COMMERCE OR AN EQUALLY RESPONSIBLE STATE OR DISTRICT AUTHORITY FOR THE CURRENT YEAR: Provided also that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, should it appear for the best interests of the Order to do so.

In order to comply with the intent and purpose of Article XXVII, your Committee has changed the language somewhat, but not the legal effect, so that the proposed amendment reads as follows:

"Section 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by direct line between itself and the nearest Temple; provided that in no case can it extend beyond the

limits of the state, territory or district in which it is located, except by agreement between Temples affected only; provided also that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory should they so desire; provided, that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city not having a Temple having a population of not less than 200,000, as determined by the official statement of the State Chamber of Commerce, or an equally responsible state or district authority for the current year; provided that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in state where more than one Temple exists, should it appear for the best interests of the Order to do so."

The effect of the amendment is to permit the existence of two or more Temples in the same county where there is an existing Temple, but also in which there is another city having a population of 200,000 or more. The amendment does not determine the jurisdiction of these Temples, as that is a matter that must be determined by the Imperial Council, upon the recommendation of the Committee on Jurisdictional Lines. It is permissive only in that it permits the consideration of a petition for another Temple under the circumstances indicated above.

Your Committee recommends the adoption of the amendment.

Respectfully submitted,

FONTAINE JOHNSON, *Chairman*
GROVER C. NOLTE
ABIT NIX
WILLARD P. LOMBARD
LINCOLN G. KELLY
MERWYN H. BROWN.

Imperial Sir, I move the adoption of the Resolution and the adoption of the Amendment. (Motion seconded.)

Noble WEBSTER: It has been moved and seconded that this report we just heard be adopted, which carries with it the amendment as read. Are there any remarks upon the motion?

I recognize Noble Woodfield.

Noble WOODFIELD: Imperial Sir, Representatives:

We are now in a position, if we chose, to introduce the resolution as we tried to present yesterday, but we have chosen to follow a different course. We have chosen to abandon that procedure and present the case to you representatives here.

Now, strictly speaking I do not know whether my good pal and friend Jack McGilvray, when he introduced the resolution had anything in mind regarding the Temple proposed at Long Beach, California or not. Long Beach, California is only twenty miles away from Los Angeles. If you adopt this motion you will create, in my judgment, a turmoil in every Temple in the Nation. Let's take our own Temple, Islam, for instance. We had eleven thousand members in the year, I think about 1929 or 1930. We have a great advantage there, because we have this famous East-West game that publicizes the Shrine to the community.

Last year we came out in favor of presenting a Charter to Tehran, the new baby Temple, and that Temple is to be congratulated for the remarkable

job it has done, but that Temple was 178 miles from San Francisco. If you adopt this motion, in my judgment you invite everybody who is within twenty miles of your Temple to present, and make a request for a Temple. Now, you men are all business men. We, in my judgment, and perhaps you from your own experience will realize that the Shrine had a membership of 587,000 in the thirties, in the early thirties. We have now reached the height of 622,000; we fell to 307,000 during the depression. In my judgment, we are at the top of a boom. These big Temples will automatically become small Temples if we should hit hard times. Now, the big Temple here, Al Ma-laikah, is in competition with Syria attempting to become the biggest Temple in the Nation. There are only thirty Temples exceeding five thousand.

I think, Nobles, this is very serious and that you should vote to defeat this motion. I thank you.

(Applause.)

Noble WEBSTER: Any further remarks. The chair recognizes Noble Jack McGilvray.

Noble MCGILVRAY: Imperial Sir, Nobles and Representatives: I am an American, and I don't want to have myself gagged as they tried to do yesterday. I believe you feel the same. I have no interest whether they have a Temple at Long Beach or not, but I don't want to tie an opponent of mine, tie his hands behind his back, and put him in a position where I know I can lick him. I want them to have the same chance you have. This is a family affair. I do not intend to introduce any resolution here sanctioning a Temple at Long Beach, but I want to give those good Nobles over there a chance if you men feel they should have a Temple. A lot of this talk by my good friend Bill is, if I were a lawyer I would say, incompetent, irrelevant and immaterial. This is a matter for your judgment, gentlemen. You are the men to decide this. If you say they open it up it is all right with me.

You know, I had an experience a long time ago, and I don't want to get mixed up in family affairs. One time I had a friend of mine, he had been out and had a good time, had been drinking. I met him and I said, "I will take you home". I took him home, and his wife darned near beat me up. She said, "You get my husband drunk and bring him home and dump him on me". I haven't any more to say. This is a matter for you people to decide. I don't agree with my good friend Bill. I don't believe the Temple is going to get so large or small it will hurt anything. I think in a community like Long Beach if you started a Temple it would bring in a great many more men. I agreed with him during the war. We reduced the rates regardless of where they came from, but that wouldn't be the case if another Temple be formed in a place where citizens have an opportunity to go to their own Temple. I leave it with you.

Noble WEBSTER: Are there any further remarks, Nobles? I recognize Noble Elmer Gates, of Mecca Temple.

Noble ELMER C. GATES: I don't know whether most of you Nobles are aware of the situation in New York City. We in New York City have five counties. It is true that we have another Temple. However, we are very

friendly at the present time in one of those counties, but if another Temple were to be put in the same county with Mecca Temple, it would mean the ruination of Mecca Temple, and such a situation would not work out.

NOBLES: Question.

Noble WEBSTER: Any further remarks? We can't stop, Nobles, if anybody desires to speak on this matter. I recognize Noble Arthur J. Hook, Past Potentate of Tehran Temple.

Noble Hook: Imperial Sir, Illustrious Nobles of the Imperial Council:

I don't wish to cross up my good friend Bill Woodfield. I wouldn't cross up any of our good friends in Al Malaikah Temple. I am not bringing to you anything except one idea I want to put over. We all realize the fact that in numbers there is strength. We realize this fact also, that there are many Temples which have become so large, and they are so far distant from the outlying communities that men who wish to join the Shrine will not join the Shrine because of their inability to attend the meetings. That situation exists in California, and it exists in many other states, and I believe that in all fairness to all Masons who are eligible to become members of the Shrine, they should be allowed an opportunity to join it.

(Applause.)

They can only do so if they have a Temple. In fairness to each and every Temple, regardless of where they may be, I urge you to adopt this amendment. I thank you.

NOBLES: Question.

Noble WEBSTER: Are there any further remarks? Nobles, this vote requires a two-thirds vote of the accredited Representatives. Now, I will take the vote and see whether there is any question about it. If there is any question, we will have to have a count. You want to understand now what you are voting on, the resolution that was offered. The Jurisprudence and Laws Committee favors the adoption of the resolution and makes this motion that it be adopted, and that the Code be amended as required. All in favor of this resolution, the report of the Jurisprudence and Laws Committee, and the amendment as indicated manifest by saying "Aye". Opposed "No". Well, I would say that if there are two-thirds of the accredited representatives in the room, the motion carried.

(Applause.)

I didn't understand the Imperial Potentate wanted to talk on that motion. We will still listen to you.

Imperial Potentate LLOYD: No, it is too late now.

Noble WEBSTER: I think the record should show—perhaps this is a matter that has to be done just right, and perhaps we should even take a count, because we do not know how many accredited representatives there are. Now, only the accredited representatives vote. All in favor of this motion and resolution will raise your hands please. Will you assist me in counting?

Imperial Potentate LLOYD: There is only one thing I wanted to say. I have had no controversy in any way. I have been on the road all year, and I am not really familiar with the situation here, but I do think you boys should definitely think this over. I know the ones who have Temples that are in areas of cities over 200,000, it won't bother you at all, but some of the larger Temples it probably will bother. I think that with this taking place here, probably there are several other cities around here that may also want Temples all over the jurisdiction, so it looks like you are going to have a great many smaller Temples and not so many large ones. That is all I have to say.

(Applause.)

Noble WEBSTER: Nobles, I believe I asked all in favor to raise their hands, but I neglected to ask those opposed to raise their hands. Will you please raise your hands, all opposed to the resolution. The chair announces that the motion, the resolution, the report, and the amendment is almost unanimously adopted, enough so that I may state on the record that it is adopted.

We now have the report of the Committee on Dispensation and Charters. I recognize Noble Stephen S. Jones of the Committee on Dispensations and Charters.

Noble STEPHEN S. JONES: Imperial Sir, and Nobles: There are four matters referred to your Dispensation and Charters Committee. One of them is the matter on Long Beach which we will have to draft a report on directly. The petition itself did not have sufficient signatures, admittedly, that is, not sufficient admitted signatures, and there will be no opportunity to process that petition before the close of this Imperial Council.

There is another matter from Alexandria, Virginia which we haven't quite concluded, but we will in the next few minutes after reading of these reports.

(Reading)

To the Imperial Council, A.A.O.N.M.S.:

Your committee on Dispensations and Charters have carefully considered the Petition for a Dispensation of certain qualified Shriners of San Angelo, Texas. We have conferred with the Potentates, Representatives, and Nobles of the Texas Temples affected. We find that the Petition is in accordance with the requirements of the Imperial Code, and we recommend granting the Dispensation requested.

Respectfully submitted,

STEPHEN S. JONES, *Chairman*
OSCAR W. BURDATS, *Vice Chairman*
H. E. SHARRER
MAX FROHLICH
MATT C. PRATER
ROBERT A. HEFFNER
RAYMOND PUGH

I move the adoption of that much of the report of the Committee on Dispensations and Charters.

Noble LAW: The motion is seconded. Nobles, you have heard the motion that this portion of the report be adopted, and there has been a second. All who favor the adoption of this portion of the report will signify by saying "Aye". Opposed "No". The Ayes have it and it is so ordered.

(Applause.)

Noble STEPHEN S. JONES: (Reading)

Imperial Sir and Nobles:

The Black Camel visited Duluth, Minnesota on the 17th day of last month and summoned Noble Past Potentate Thomas P. Bradley of Aad Temple, to his eternal reward.

He had been Chairman of your Committee on Dispensations and Charters for many years.

I have had the honor of being appointed by the Imperial Potentate to succeed him, and, on behalf of the Committee, ask leave to make these brief remarks.

Tom Bradley died in the harness.

He had a reservation on the Santa Fe Chief, leaving Chicago on June 14th.

He was confident he would ride that train.

He was an indefatigable worker, and kept the members of his Committee informed at all times of every development relating to the petitions on file before his Committee.

He was a great Shriner, a true Mason and a good man.

In the hearings before the Committee, he displayed a judicial temperament—to a degree too often not seen on the Bench.

He never raised his voice.

He never belittled anyone

Regardless of how ridiculous was the proposition proposed.

He never lost his temper.

He invariably kept his poise

And calmly and sincerely magnified the office which he filled.

We have a hesitancy of using the word "Love" when referring to our friends lest we appear to be effeminate—

But I declare to you that he had the very deep and sincere love of all who knew and worked with him.

Now these remarks are not meant to supplement the very beautiful report of the Committee on Necrology; nor are they intended to influence anyone in his voting on the report of this Committee.

But your Committee wants you to know that this report is among the things decided by his Committee at the Imperial Session in Chicago last year, although its publication before the Imperial Council was passed by unanimous agreement, not only of the Committee but of the parties to the contest, until this meeting.

If he were here today, Tom Bradley would read this identical recommendation, for, in a very real sense, this is his last report to this Imperial Council.

To the Imperial Council, A.A.O.N.M.S.:

Your Committee on Dispensations and Charters have considered carefully the Petition of certain qualified Shriners of Albany, Georgia. We have

conferred with the Potentates, Representatives and Nobles of the Georgia Temples affected, and find that the Petition is in accordance with the requirements of the Imperial Code, and we recommend the granting of the dispensation requested.

There is, however, to be deleted from the list of counties comprising the proposed jurisdiction the counties of Sumter and Crisp.

Respectfully submitted,

STEPHEN S. JONES, *Chairman*
OSCAR W. BURDATS, *Vice Chairman*

ROBERT A. HEFFNER
RAYMOND PUGH

I move its adoption. (Motion seconded.)

Noble LAW: Nobles, you have heard the motion of the adoption of this portion of the report. Are there any remarks? I recognize Noble George W. Hunt of Alee Temple.

Noble HUNT: Imperial Sirs, Representatives to the Imperial Council: It is unfortunate that I must get up and oppose this report. I have been coming to this Imperial Council for about fifteen years and never have come before you with any other than a report from the Time and Place Committee, but this matter is vital, not only to Alee Temple from whose jurisdiction the Nobles at Albany, Georgia are asking all of the territory they desire, but because deep down in my heart I know that there isn't the potential in that area to support a Temple. You can go out and get people to sign petitions. Yes. That effort to get petitions has been circulated now almost four years. It was presented at Atlantic City with not sufficient numbers, and was allowed to be withdrawn. It was re-presented last year at Chicago, and with the decisions we have now from the Jurisprudence and Laws Committee, if we had them then as they are now, it would not have been allowed at that time, I am sure. However, the Committee on Dispensation and Charters had a decision from the Jurisprudence and Laws Committee that led them to believe that the petition was good, a sufficient number on it.

I am just a business man, gentlemen. I don't know how to make a speech. I know that the potential in that area is not sufficient to warrant a Temple, and I am going to ask, if you will allow me, to present Noble Robert E. Falligant, a member of our Temple and now a representative here this year, to make our report as it should be made. Would that be permissible?

Noble LAW: He is a representative?

Noble HUNT: Yes.

Noble LAW: There is no question about it.

Noble HUNT: From now on I will let Bob tell you the conditions, what we are up against down there, and what has transpired in the past.

Noble ROBERT E. FALLIGANT: Imperial Sir and Representatives of the Imperial Council: I will not take more than the five minutes allotted, and I

will do the best I can to give you just a brief picture of what our situation is in Alce Temple in South Georgia.

There are three Temples in the State of Georgia. The northern Section of our State is under the jurisdiction of Yaarab Temple at Atlanta. The second section is under the jurisdiction of Al Sihah Temple at Macon; and south Georgia territorial jurisdiction is under Alce Temple at Savannah.

Nobles, I call your attention to the fact that this is not a dispute which involves a city of 200,000. To be absolutely frank about it I seriously doubt there are 200,000 residents in our entire territorial jurisdiction of white people, because I direct your attention respectfully to the fact that approximately forty per cent of the population of South Georgia is colored, and we all know they are not eligible to become Shriners.

I will not bore you with a lot of figures, but these few figures I must call your attention to. In Yaarab's jurisdiction in North Georgia, they have 43,600 Masons as of January 1st, 1950, and of that they have 5700 members in Yaarab Temple. It is the largest one in the State. Al Sihah Temple in Macon in middle Georgia has only 17,800 Masons in the entire district. They have a membership of 2500. Alce's jurisdiction has 18,600 Masons in the entire jurisdiction, and we have 3,000 members. Thus, you will see, gentlemen, that Alce's pro rata total Masonic jurisdiction is considerably more than the National average which is 13.2 of the white Masonic population of Shriners; whereas, in Alce we have 16 per cent of them.

I also wish to direct your attention to the fact of what exists in our neighboring states. In the great State of North Carolina where our Imperial Potentate Elect comes from, which has a Masonic population comparable to or perhaps in excess of that of Georgia, has only two Shrine Temples in it. South Carolina immediately to our east has only two Shrine Temples. Florida to our South has only three Shrine Temples, and Alabama on our west has three Shrine Temples.

The City of Albany is a City of an official population in 1950 of only 30,032 people of which, as I have stated, forty per cent are colored, leaving a net of 18,000 white population in the entire City, and is the largest City in the district outside of Savannah, and Augusta. They seek to have a Temple placed there in that City, which is the largest city, and there are no other cities in that district, in the entire territory which is in any manner comparable to it in size.

The first reason that is advanced from our dear brothers of Albany is the fact distance is such a great length from Savannah that they desire to have their Temple which will more nearly service the needs of the men in that immediate vicinity.

I ask you to consider the fact that two of the largest Shrine Clubs throughout the entire area are located adjacent and near to Albany, a distance greater from Savannah than the City of Albany, and that these two Shrine Clubs, the largest in the district outside of Albany Shrine Club have gone on record unanimously and adopted a resolution against this, stating they don't want to leave the Mother Temple Alce.

In addition to that we conclude these two Shrine Clubs will be destroyed because of a peculiar situation which exists in that district. Putting the Temple at Albany, Georgia will not serve any purpose; it won't solve the problem of distance from the home Temple, because of the fact Albany is situated only 68 miles from the Florida border, and 59 miles from the Alabama border. It is within 105 miles of the City of Macon where Al Sihah Temple is struggling, and we do here and now offer, if they wish to, we will be glad to consent to concurrent jurisdiction with Al Sihah, and if Albany desires it, we will be glad to surrender the right to their territory and let them go into Al Sihah where men will be readily accessible to a Temple ready and willing to serve them. Then in addition to this, there are nine counties in Al Sihah territory, all of which are closer to Albany than they are to Macon, yet not a single one of these nine counties have been requested by the proposed Temple at Albany, in order to eliminate any objection on the part of Al Sihah to that territory.

You heard here this morning from the report of the Committee on Dispensation and Charters, the elimination of two of those countries, Crisp and Sumter, which are in Al Sihah territory for that express purpose.

I will get on to this final statement to you on it, and I trust that you will follow me.

This petition was originally presented to the Imperial Council in 1948 at Atlantic City. It was there discovered to be defective, and withdrawn. It was re-submitted to the Imperial Council Session in the City of Chicago in 1949 at which time it had a grand total of 845 signatures on the petition. As you know, our Imperial Code requires a minimum number of signatures of 800 qualified and valid Shriners at the time the petition is presented. This petition was discussed at a meeting before the Dispensation and Charters Committee, and because of some uncertainty about its legal position, it was deferred until this session. The matter was referred to the Committee on Jurisprudence and Laws for ruling as to whether or not it was qualified, and under the decision of the Jurisprudence and Laws Committee, a copy of which I hold in my hand here today, and 172 of those 845 had been eliminated because they were not in good standing in the Order at the time they signed the petition, and therefore we respectfully submit there is no legal petition before this Imperial Council today.

I thank you for your attention, and God Bless you.

(Applause.)

Noble STEPHEN S. JONES: Imperial Sir, and Nobles: Bob Falligant wasn't before our Committee in Chicago. He is evidently not properly advised about much of the proceedings, but I do feel in all fairness Noble Kelly Peacock of Albany, Georgia, even though he is not a representative should be given unanimous consent to speak to this convention.

NOBLES: No.

Noble STEPHEN S. JONES: All right, then, I just simply want to say this, that this whole business was processed in Chicago and Alce Temple, over the signature of its Recorder and over the Seal of its Temple certified

that 791 of the names on the petition of Albany, Georgia were in good and regular standing.

Now, there was a matter submitted to the Jurisprudence and Laws Committee, and that was simply whether or not were some of those Nobles who had had their dues paid by someone else, whether or not their dues were paid, and the Committee on Jurisprudence and Laws simply held that they were not concerned with that question, as long as they were qualified. Not only were the 791 names qualified on that petition, but they had an additional number that he speaks of. Why, on one or two occasions they disputed the title of a certain Noble one of them said wasn't even a Mason, and the Nobles from Georgia showed the actual photostatic copy of his card from Alee Temple. On other occasions they disputed other members, but when your Committee finally processed that petition, there were approximately 850 names on the petition. Now, there couldn't be any question about that, and this year they have added over ninety names, about half of which to say the least, are thoroughly qualified to sign that petition.

I don't know much more about it except we are satisfied that this Temple is to be located in one of the richest territories Masonically speaking, of Georgia. They have showed a magnificent spirit. Up there in the balcony is one of the high officers of Masonry who is going to preside if dispensation is granted, as its first Potentate.

Your Committee has no pride of opinion about this. We are just simply sitting in session. We have heard—

A NOBLE: Oh, yes.

Noble JONES: Well, maybe you think I have. But, I want to say this to you, it is just thoroughly immaterial to us as Shriners. We just think the motion to adopt the report ought to carry. Thank you. (Motion seconded.)

Noble LAW: Any further remarks, Nobles? I will recognize Noble Hunt again.

Noble HUNT: Gentlemen, I don't want to prolong this thing, but in Chicago Bob Falligant was not there, but I was there, and there were at least 150, I think, somewhere between 150 and 172 Nobles who were on that petition who had not paid their dues at the time the petition was presented. Now, I insisted upon a ruling at that time from the Jurisprudence and Laws Committee, and Tom Bradley, I think it was, maybe the whole Committee went up and got some decision. The decision was that those members were in good standing because, as I understood it, I got it second handed, I got it from Tom Bradley himself, because even though they had not paid their dues before the petition was presented, we had not put them out of the Temple for non-payment of dues, they were still members, therefore they were eligible, especially in view of the fact that these boys from Albany came down a month afterwards and paid their dues in order to put them in good standing, as they thought. Now, this year we have brought that point again to the Jurisprudence and Laws Committee, and I just tell you what their ruling is offhand, and here is a copy of their ruling, "We the Committee of Jurisprudence and Laws find that the eligibility of Shriners

whose names appear on a petition seeking a dispensation for a new Temple shall be determined as of the date said petition is filed in the office of the Imperial Recorder", and on further down, "To be qualified to sign a petition for a dispensation for a new Temple, one must have his current dues paid". Now, if we had had that kind of a decision last year, this petition of Albany would have been thrown out I am sure. Add to that that this thing has been going on for almost four years. When a man signs a petition he can't take his name off of it. We have got signatures from over 200 down there that said they would like to withdraw their names, but they can't take them off unless they can show that their names were obtained by fraud. That is all, gentlemen.

NOBLES: Question.

Noble LAW: Nobles, anyone who wants to speak on this subject will have the right to speak. Every representative in this Imperial Council has the same rights I do. We will not have the question until we find out who wants to speak on it.

(Applause.)

I recognize Noble Max Frohlich of Mirza Temple.

Noble FROHLICH: Imperial Sir, Members of the Imperial Divan, and Representatives:

Your Committee on Dispensation and Charters has had this matter before them for three years. This argument that you are hearing here now could go on for the next three or four days. There is merit to the other side of this question. I believe in sportsmanship, fair play in the spirit of the Shrine. I think that this body should give the boys from Albany an equal chance to be heard so that you may judge after hearing both sides of the case, and I so move, Imperial Sir, that the boys be given the same time to state their case to you, so long as you are to be the jurors. I think it is only fair you should listen to them.

Noble LAW: The motion is seconded by Noble George Hunt. Are you ready for the question. All who favor—I will not put it that way because it requires a unanimous vote. Is there any objection to Albany being permitted to have the floor.

A NOBLE: Yes.

Noble LAW: Is there any objection? Who wants to object? Will you stand up?

A NOBLE: I don't think they know what the question is back here.

Noble LAW: The question is that it requires a unanimous consent for a non-representative to appear before this Imperial Council.

A NOBLE: No.

Noble LAW: The motion is that the representative from Albany, a Noble of the Mystic Shrine, be permitted to appear before you. It takes a unanimous consent to permit him to do so. The motion is made by Noble Max Frohlich and seconded by Noble George Hunt, Alee Temple, Savannah.

Noble ALLEN McCANTS: I object.

Noble LAW: Objection is made so the Chair is compelled to rule that we will have to deny him the floor.

A NOBLE: No.

Noble LAW: By unanimous consent, Nobles, there can be no other ruling I could possibly make. I will entertain any remarks on the motion, but I will say you must have unanimous consent. Will the Noble who made the objection please give his name?

Noble ALLEN McCANTS: Allen McCants from Hamasa Temple. My objection, Sir, is not an expression of my decision as to the merits of either side. I object to the precedent established by that motion of permitting anybody excepting an accredited duly elected representative of this Council to speak on any question. I object to it.

A NOBLE: I am from Al Menah Temple, Nashville. I think there should be some representative here, if they are not from Georgia, from some part of the United States, that could present the other side of this case to this body. If he is a representative, he is entitled to a voice.

Noble LAW: The Chair must rule that permission for a representative from Albany to appear is denied. Now, we return to the former question, and we are still under the head of remarks on the original motion. I recognize Noble Aubrey Graham, Past Potentate of Khedive Temple of Norfolk, Virginia.

Noble GRAHAM: Imperial Sir, Representatives to the Imperial Council, Nobles: I had the honor and the pleasure of serving on the Dispensation and Charters Committee under that able Chairman Tom Bradley, and the most of these men who are here today, especially the Chairman Noble Jones who has tried to tell you some of the things that went on last year. I am from Norfolk, Virginia. I do not know a great deal about the present petition but there is a lot of dirty linen down in Georgia in respect to the dispensation and granting of this Charter to this Temple. As I understand it, last year the Committee was unanimous to grant this request as they have granted here today. As has already been told you, this group of men got up before the Committee last year, and things were said and things were going on that I do not wish to bring out here today, but I believe that this gentleman that just spoke to you, I am told he is an attorney, a man who was brought here for the purpose of bringing to you the matter for you all to hear, and I believe in fairness to all concerned that if it isn't your request that Noble Peacock who has represented this Albany crowd be granted the request, that at least some member that is now on the Dispensation and Charters Committee take the time. Nobles, it means to you and to me, the fact that these Nobles live quite some miles from their Temple and Alec Temple has ignored them for twenty years. They have not given them any consideration whatsoever, and those men down there are ready and willing to put in a Temple and do just like that new California Temple did, to bring respect to this Imperial Council and to their location of their Temple. I ask that you give somebody some consideration on that, so they can present their case, and you are the jury, and leave it up to them.

I am not on the present Dispensation and Charters Committee, but in fairness to myself and in fairness to this Imperial Council Session, and in fairness to myself as a Shriner, I think their side, in some manner, if not by Noble Peacock, but by some member of this Committee ought to present the other side of this case. Thank you, Nobles.

(Applause.)

Noble LAW: Are there any further remarks?

A NOBLE: Question.

Noble LAW: If there are no further remarks, we will have the question on this portion of the Report of the Committee on Dispensation and Charters, that the petition of the Albany group be approved. Those who favor this motion will signify by saying "Aye". Opposed "No". It appears to the Chair the Ayes have it.

(Applause.)

Noble HUNT: Mr. Chairman, I don't believe they understood the question.

Noble LAW: I don't see why they couldn't understand it. I put the question on the adoption of the Committee's Report, or the portion of the Committee's Report. If Noble Hunt is not satisfied I will ask for a rising vote on this. All who favor—

A NOBLE: No, it has already been voted.

Noble LAW: Well, the Chair declares that the Motion is carried.

(Applause.)

Nobles, will you give attention to the request of the Chairman of the Committee?

Noble JONES: Will the members of the Dispensation and Charters Committee, and one or two representatives of each side of the Alexandria question, and one or two members of each side of the Southern California question meet us back stage right now?

Noble LAW: You have heard that request. I recognize Noble Munger T. Ball Chairman of the Membership Committee. May I just have one brief word to say, that it was my privilege nine years ago to appoint him on this job, and I think he is more responsible than anyone man in the Shrine for the great increase we have had in membership. Noble Munger Ball.

Noble BALL: Imperial Sir and Representatives of the Imperial Council:

I will make you a brief resume of my report. You will be interested in knowing that the membership of the Shrine as of December 31st, 1949 was 607,915. The net gain in membership for 1949 was 31,961. This is 7,331 less than the gain for 1948. Our 1949 gain was the sixth largest since 1922. During 1949 three Temples reported a loss in membership, suspensions being the principal cause. Medinah Temple with a gain of 1,305, ranks first in Temple gains and was the only Temple to exceed 1,000. Syria Temple, with 842 gain, ranks second; and Al Malaikah Temple, with a gain of 749, ranks third place. These three Temples placed in the same order as they did in 1948.

Tehran Temple topped in percentage gains, increasing her membership by 32.8%. Ansar Temple, last years leader, is in second place, with a net gain of 18.3%. Al Malaikah Temple's class of Saturday, June 17th, of 1278 novices, will stand for a new high. In ranking of membership by states, Pennsylvania is first with 55,900, for seven Temples; California ranks second with 44,845, for the six Temples; Texas ranks third with 40,717, for 10 Temples.

In Temple membership, Syria Temple continues in the lead with 19,629; Al Malaikah second with 17,246; and Medinah third with 16,645.

Restorations for 1949 were 3,897 while suspensions amounted to 5,905, a loss of 2,008. Our creations were 44,902 and exceeding our net gain by 12,914.

Now I give you the most gratifying part of this report: Our membership as of June 1, 1950, stood at 622,003, a net gain for the year to June 1st of 14,088, which is 6,853 less than last year for this same period. However, these factors should be taken into consideration. This year we are reporting on only five months activities with ten Temples not reporting, while last year we had six months with all Temples reporting. Our membership as of now exceeds the all time high of 1927 by 34,870. The Potentates, Recorders, and Membership committees of the subordinate Temples have done a fine job on membership this past year and I am sure that they will keep their efforts and goal work up for 1950. Our Imperial Potentate, Harold Lloyd, I am sure, is elated in turning over to his successor, the largest membership that the Shrine of North America has ever recorded. And to the incoming Imperial Potentate, we pledge our support in perpetuating our membership gain for 1950.

We are happy to report to you the following record on membership as received from the Imperial Recorder's Office:

The figures reveal a net gain in membership of the Shrine for North America of 31,961—the seventh largest gain since 1921 when a gain of 92,814 was reported and which, no doubt, will stand for some time to come as a record. As has been told to you before, the gain in membership from 1889 to 1918 was a steady, progressive one, indicating normal times and conditions. From 1918 through 1922, abnormal gains were made, in keeping with abnormal times and conditions. 1923 saw our membership gain drop almost 50% even though we had a gain of 29,210, and 1925 was the beginning of our nose-dive. Our first year of loss in membership was 1928. Membership losses increased year after year until 1934 when our greatest loss was reported, 52,749. Then there was a gradual easing up until the year 1943 when a gain of 1,121 was shown. 1944 was the first of the big years in gains, mounting to 53,598 in 1947 and, from that date to the present, our gains in membership have been lesser each year—16% less in 1947, 13% in 1948 and 13% less in 1949. The three years, 1945, 1946 and 1947, were the crest, the following year showing a steady decline in keeping with general economical conditions of the nation. While this is contrary to statements of many of our economists, we feel the Shrine is a good barometer of the times.

The above figures can be food for much thought by our various Temples, especially when planning is being made for future expenditures and budgets of income are being set up. Now is the time for all Temples to conserve their resources.

Total creations for 1949 exceeded our net gain by 12,941, some 2,824 in excess of 1948. Demits exceeded affiliations by 325, a further indication of retrenchment. Death again took a high toll. In 1947, we lost 2.1% of our 1946 membership; in 1948, we lost 2% of our 1947 membership and in 1949 we lost 1.8%. Our percentage of loss by death has shown a decline for the past two years. This indicates younger men make up the greater percentage of our membership.

During the nine-year period 1941 to 1949, inclusive, our record of affiliations and demits is good. During that period, there were 31,405 demits and 29,813 affiliations, a loss of 1,582, at least 2% of which were accountable for by deaths. During the same period, there were 46,605 suspensions and 57,669 restorations, a gain of 11,064, a sure sign of prosperity.

Again we say good work is being done in the field of restorations, in particular. This source of potential membership is always open, and a most fertile one. It takes less salesmanship to sell a brother who once has taken the vows than a new novice. Of course, the greatest productivity can be had by getting new novices; next, affiliations and restorations. Each field is a special one and requires different methods of approach and workers with different temperaments and habits. It has been said many times that today is a day of specialists. Let each Temple have a group of special Nobles to fit every type of membership work. Do not depend upon the newly created Knights Templar or Scottish Rite Mason for your list of eligibles for membership. Did you know that in the jurisdiction of every Temple there are a greater number of Scottish Rite Masons and Knights Templar that have not taken the Shrine than those who have? To prove this, compare your membership records with those of the prerequisite bodies. Think it over. There lies open your most lucrative field for new members. They have taken the prerequisite vows and are eligible now, no waiting for a re-union or to be Knighted. They are available now. Show your salesmanship and sell the Shrine for the benefit of our hospitals.

Again, we charge the Potentates of the subordinate Temples to choose with care the chairman of his membership committee and to comb his membership for the right Nobles to serve with him. They are the sales organizations of your Temple. Your advertising matter placed before the public are your good deeds and deportment. Let the deportment of the membership of our Temples be above reproach and our acts of charity such that the Shrine will be held up as an example before the eyes of the public.

We regret to report that two of our larger Temples show a loss in membership for 1949, suspensions being the primary cause. Our baby Temple, Tehran, starting off with an initial membership of 1572, reports a gain of 515 members or 32.8% gain—not bad! The average gain per Temple for 1949 was 199 or 47 under 1948 and 95 under 1947. The Shrine as a whole had a gain of 5.55% which is 1.77% under 1948 but in keeping with the gradual drop as shown for 1948 which was 1.86% under 1947. The 68 Temples of the Eastern Division had a gain of 12,373 or 4.8% which is .75% under the average for all Temples and 1.54% under the 1948 gain.

The Western Division with 83 Temples shows a gain of 18,752 or 6.1% which is .55% higher than the average for all Temples. The 9 Temples of the Canadian Division show a gain of 836 or 7.8% which is 2.25% above the average for all Temples but 2.38% under the gain for 1948. This gain shows good work being done by the Nobles of the Canadian Division. The results speak for themselves.

Again, the Mid-West Region with 18 Temples came in with the highest regional gain—5874 or 6.18%. This is .65% above the national average but 2.11% under the 1948 gain. Here again shows a fair consistency. 1951 and '52 should bear this out. Showing the second highest gain was the Far West Region, in the same position as in 1948, with a gain of 51,486 or 5.63%. This was 2.23% under the gain for 1948 and .08% above the national av-

erage. The third highest gain was the Central West Region with a gain of 4402 or 7%, being 1.45% above the national average but .6% under its gain for 1948.

It is noteworthy that in 1948 there were seven regions showing a gain over 4,000 while the year 1949 shows only four. The four regions showing the largest drop in membership gains were the Southeast Region 1620, Southwest Region 1565, Mid-West Region 1400 and the Far-West Region 1212. Most of the mid section regions held colsely to their 1948 gains.

Again Medinah Temple leads in membership gains with 1305 which is 21 under their 1948 gain, followed by Syria Temple with 842 which is 351 under its 1948 gain. This was the same order as in 1948—Medinah and Syria in first and second places. Tehran Temple with a gain of 32.8% led the field. No other Temple was anywhere close, Al Azhar Temple, with a gain of 18.3%, being in second place.

The following Temples reported gains during 1949 of 500 or more:

Al Malaikah (Los Angeles).....	749	Moolah (St. Louis).....	535
Zuhrah (Minneapolis).....	712	Tehran (Fresno).....	515
Al Koran (Cleveland).....	699	Aladdin (Columbus).....	500
Aleppo (Boston).....	586		

With a grand total membership of 19,629, Syria continues in first place and Al Malaikah follows with a membership of 17,246. There are five other Temples with memberships over 10,000—Medinah (Chicago) 16,645; Aleppo (Boston) 12,533; Murat (Indianapolis) 11,099; Al Koran (Cleveland) 11,452 and Moslem (Detroit) 10,434. The total membership of these seven Temples is 99,038—16.3% of the total Shrine membership.

There are 5 Temples in the 8 and 9 thousand membership range:

Aladdin (Columbus).....	9,828	Islam (San Francisco).....	8,859
Lu Lu (Philadelphia).....	9,288	Nile (Seattle).....	8,830
Hella (Dallas).....	9,098		

This totals 45,903 which is 7.6% of the total Shrine membership.

There are 16 Temples in the 6 and 7 thousand membership range:

Ararat (Kansas City).....	7,581	Beni Kedem (Charleston)....	6,768
Aahmes (Oakland).....	7,556	Syrian (Cincinnati).....	6,510
Al Kader (Portland).....	7,505	Tripoli (Milwaukee).....	6,493

Zembo (Harrisburg).....	7,246	Zamora (Birmingham).....	6,030
Moolah (St. Louis).....	7,178	Mohammed (Peoria).....	6,004

This totals 109,796 which is 18.1% of the Shrine membership.

There are 7 Temples in the 5,000 range:

Yaarab (Atlanta).....	5,775	Ainad (East St. Louis).....	5,376
El Jebel (Denver).....	5,705	Moslah (Fort Worth).....	5,285
Boumi (Baltimore).....	5,546	Salaam (Newark).....	5,263
Antioch (Dayton).....	5,503		

Totaling 38,453 which is 6.3% of the Shrine Membership.

There are 15 Temples in the 4,000 bracket, 26 in the 3,000 bracket and 39 in the 2,000 range, leaving 46 Temples with less than 2,000 membership.

In the ranking of states, first comes Pennsylvania with a membership of 55,900 in her seven Temples. Second is California's six Temples with a membership of 44,845. Texas is third, her ten Temples totaling 40,717 members; Ohio fourth with six Temples totaling 39,712; Illinois fifth with five Temples totaling 35,004 members; and New York is sixth with a membership of 26,414 in her ten Temples.

Attached to this report is a twelve-page detailed breakdown of membership according to the three "divisions" (Eastern, Western and Canadian), the various "regions" within the "divisions" and the various "groups" within the "regions". As a reminder of past records on membership from year to year, there is attached a tabulation covering the years from 1888 to the present Shrine year of 1950. This record is invaluable as here is shown the loss or gain by years. History records the economical conditions of the country which, in turn, is reflected in our membership.

Your Committee is indeed proud to report a continuous gain in the membership of the Shrine for North America. The fine work which has been done and is being done by the Potentates, the membership committees and the Nobility individually has produced the results. Your Committee on Membership will continue to be as helpful as possible, generous with its suggestions and advice and careful not to intrude or disturb any Temple's plan or method used in membership work. We only ask the opportunity to lend our services if needed.

The Shrine has not only passed its goal in membership but has reached a height unthought of a decade ago. As we march forward in ever-increasing numbers in these epoch-making days, let each Temple and each Noble renew his interest in our noble work, our philanthropy and the crippled child. To the incoming Potentates your Chief Rabbans of today, make a careful survey of the territory lying outside of the Temple city and see if you are taking advantage and availing yourselves of the material which can be molded into a Shriner who will be a credit to your Temple. Remember that the activities of your Temple are not to be for the few but for the benefit of your entire Nobility. If you have Nobles living outside of your Temple city who can not attend all Shrine affairs, then, in fairness to them, take the Shrine to them. You not only will be received with welcome arms by these Nobles but by the general citizenship of the community in which they live. Remember to pick your candidates among those who will stay when once they have joined. Never high-pressure a brother into joining, as much as you would like to, if there is any doubt of his financial ability to keep up his membership.

Your Committee is proud of the fine showing that our baby Temple, Tehran, has made and wishes to congratulate its officers for their efforts.

We extend our appreciation to all the Imperial Officers, Potentates, Recorders and Membership Committees of the various Temples for the manner in which they are conducting their membership drives. May they keep up the good work.

Respectfully submitted,

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Noble LAW: You have heard the motion for the adoption of the report. Any remarks? All who favor the motion signify by saying "Aye". Opposed "No". It is so ordered.

I call on the Chairman of the Committee on Jurisdictional Lines, Noble George M. Armor.

Noble ARMOR: Imperial Sir, and members of this Imperial Council: There was presented to your Committee on Jurisdictional Lines the resolution from ten Temples in the State of Texas covering a new agreement concerning Jurisdictional Lines to the Temples in question, and your Committee has given careful consideration to the proposed changes. The agreement has been signed by the Potentate and Recorder and under the Seal of each Temple, and your Committee has approved the same.

The agreement is a very lengthy one. It only concerns the ten Temples in the State of Texas at the present time. If you want it read, I will read it.

A NOBLE: No.

Noble ARMOR: I move the adoption of the report. (Motion seconded.)

Noble LAW: Nobles, this report must be referred to the Committee on Jurisprudence and Laws before it is acted upon. I therefore order it referred to that Committee, and reported back to you by them.

Noble H. WARD COLLIER: Might I ask for a ruling on that? We were just wanting to find out what position this would place us in with this new dispensation which is granted to the boys at San Angelo. This Jurisdictional Lines agreement is between the ten Temples of Texas that have been down there for a number of years.

Now, the boys at San Angelo came in with a petition asking for an exclusive jurisdiction in their home County of Tom Green, and concurrent jurisdiction over the rest of the State with other Temples except the counties in which the Temples are now located. We would like for this to be deferred until we have an opportunity to get with the boys at San Angelo and see if we can't work out with the Jurisdictional Lines Committee a revised list of counties so that when we go back home from this place we can go with exclusive jurisdiction for eleven Temples in Texas, if you please.

(Applause.)

Noble LAW: Nobles, he has a right to take this matter up with the Committee on Jurisdictional Lines, and it can be referred to this Committee, and by them to this body for final action, if it is necessary now to change it. The original adoption will be wrong with another Temple in the field, so I am going to make that ruling if there is no objection.

I recognize the Jurisprudence and Laws Committee, Noble Grover Nolte.

Noble GROVER NOLTE: This is not a controversial resolution I have to present here. It involves the clarifying amendment to Section 205 of the Code pertaining to the election of representatives in Temples. As the Code now reads when there are more than four representatives to be elected, sometimes a half dozen are in there, or eight candidates, and they elect two on the first ballot, and then on the next ballot they have four or five candidates

for the remaining two positions. It sometimes happens several of those, more than the number they can actually send down here, receive what is known as a majority of all ballots cast. That has led to some difficulty at times in the past, but we have interpreted that section to mean that they must not only receive a majority of the votes, but they must also, the ones that receive the highest number of votes and majority, they are the ones who are elected as representatives. So in order to clarify the Code an amendment has been submitted which reads as follows: "In the event more candidates shall receive a majority vote of those present and voting than the number of representatives to be elected, then the candidates among those receiving a majority vote of those present and voting, receiving the greatest number of votes, shall be declared elected". That is the new matter that is proposed to be added to Section 205.

Your Committee recommends that the Resolution be adopted and that Section 205 of the Code be amended as proposed in said Resolution. (Motion seconded.) The report is signed by the entire Committee.

Imperial Sir, I move the adoption of the report and amendment to section 205.

Noble LAW: This is a double motion, as you vote on the adoption of the report and the change in the Code. Are there any remarks? If not, all who favor it, will you signify by saying "Aye". Opposed "No". It is so ordered.

Noble NOLTE: Having adopted that amendment, it is necessary to correct a corresponding Section in the By-laws of the Iowa Corporation, and we add after the words, "Majority vote", there, so as to reconcile Section 205 with Section 17 of Article IV of the By-laws, and your Committee on Jurisprudence and Laws recommends the adoption of the above resolution, an amendment to Section 17, Article IV of the By-Laws of the Iowa Corporation.

I move the adoption of this Report and the Amendment. (Motion seconded.)

Noble LAW: Any remarks? If not, all who favor vote "Aye". Opposed, "No". It is so ordered.

I recognize Past Imperial Potentate Noble George H. Rowe, Chairman of the Committee on Nomination of Emeriti Members.

Noble LAW: Imperial Sir and Representatives: I submit the report of the Committee on Emeriti Members. (Reading)

THE COMMITTEE ON THE NOMINATION OF EMERITI MEMBERS

The Committee reports that two representatives are eligible to become Emeriti Members:

Noble Harrison B. Cave of Hella Temple

Noble Lee A. Folger of Oasis Temple

Signed by the Committee

GEORGE H. ROWE, *Chairman*

HUGH M. CALDWELL

C. J. ARTIS
JOHN D. MCGILVRAY
ARTHUR CHAPMAN
ALBERT H. LADNER

Noble Cave and Lee Folger, Imperial Sir, I move that these two Nobles be elected as Emeriti Members. (Motion seconded.)

Noble LAW: The question is on adoption of the Report of the Committee, electing Lee Folger and Harrison B. Cave as Emeriti Members. All who favor this motion signify by saying "Aye". Opposed "No". Carried. God Bless you both.

Noble ROWE: Noble Cave, it is with a great deal of pleasure on my part and an honor, to present to you, after your service here as a representative for twenty-one years, and to extend to you this certificate of valued service to this great Organization, and I wish for your continuous good health, and that you perform the same service in the future as you have in the past.

And Lee, North Carolina has been doing pretty good work in this Session. Lee, here, has served twenty-one years. We have got our new Imperial Potentate from North Carolina, and now we have a new Emeritus member from North Carolina. You have done a great lot of work and good work for the Imperial Council, and I want to congratulate you and also this 76th Session on your receipt of this new honor.

Noble CAVE: Thank you Judge.

Noble FOLGER: Thank you.

Noble LAW: Now we will have the report of the Committee on Public Safety, Lucius McK. Crumrine, Chairman.

Noble CRUMRINE: Imperial Sir and Representatives of the Imperial Council:

The Committee on Public Safety desires to make its usual brief report. It does wish to call attention to the provisions of the general orders issued by our Imperial Potentate that Temples having uniformed units at the convention session shall have certain men report to the Provost Marshal to compose the Provost Guard. In conferring with the Provost Marshal we find some of the Temples have not complied with this directive, and we have the recommendation of the Provost Marshal that hereafter Temples attempt to cooperate, because these men are for the protection of the Nobility, not only within their own circles but from outside circles. They are able to handle certain simple information for the benefit of the visitors. They desire also, and they have found it to be a great advantage that experienced men be assigned.

I wish to acknowledge the splendid work that the various Committees on Public Safety of the Los Angeles Convention Committee have done. They have done a magnificent job, and have been well organized. I think that it would be fit for us to give them proper recognition. I would suggest that the Imperial Recorder write a letter of acknowledgment to the Imperial Council Committee, or the Los Angeles Convention Committee, and including a

specific recommendation to the Provost Marshal, and the other Public Safety Committees.

I move the adoption of the Report. (Motion seconded.)

Noble LAW: You have heard the motion we adopt this Report. Any remarks. All who favor signify by saying "Aye". Opposed "No". The Imperial Recorder is delegated to carry out his wishes.

A report from the Committee on Jurisprudence and Laws.

Noble MERWYN BROWN: Imperial Sir and Nobles:

This Report has to do with the Amendment of Section 209 of Article XXVI of the Code, and what it does is to eliminate the word "consecutive". Instead of reading the entire provision, I will read just the last sentence. The Code now reads: "No Potentate of any subordinate Temple shall serve in that office for more than two consecutive years." The proposed amendment eliminates the word "consecutive".

Your Committee on Jurisprudence and Laws, to whom is referred the proposed amendment have carefully considered the proposal and feel that the limitation is proper and desirable, and recommend that the same be approved and adopted. We therefore recommend that the Code be amended in accordance with the proposal. Imperial Sir, I move the adoption of the Report and the Amendment.

Noble WILSON: Nobles, you have heard the Report of the Committee, and Motion is made and seconded for the adoption of the Report. All those in favor say "Aye". Opposed "No". It is a vote.

Request is made that members of the Committee on Jurisdictional Lines meet the Chairman at the rear of the stage. Is there another report by the Jurisprudence and Laws Committee at this time?

Noble L. FRED STEIN: Imperial Sir, and Nobles: Your Advisory Committee on Shrine Circus Events, those that are here, have met and decided that if they can be of any service to any Temple in North America with reference to their circus in an advisory capacity, either by mail or by personal attention, you have but to call on it.

I move the adoption of the report, Sir.

Noble WILSON: The motion is made for the adoption of the report, and it is seconded. All those in favor say "Aye". Opposed "No". It is a vote.

There is a report from the Committee on Jurisprudence and Laws.

Noble JOHNSON: Imperial Sir and Nobles: There has been referred to the Committee on Jurisprudence and Laws a proposed amendment to Section 52, Article VII of the By-laws of the Iowa Corporation, increasing the salary of the Imperial Recorder from \$6,000.00 to \$9,000.00. If this proposed Section is adopted Section 52 will read as follows: "Sec. 52. The Imperial Recorder shall receive for his services the sum of Nine Thousand Dollars (\$9,000) per year."

We approve of the amendment, and recommend its adoption. Signed by all members of the Jurisprudence and Laws Committee.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Noble WILSON: You Nobles have heard the Committee Report and the amendment. Are there any remarks? If not, will all those in favor vote "Aye". All those opposed "No". It is a unanimous vote.

(Applause.)

Noble WILSON: Is Noble Albert Ellis ready on the Report of the Committee on Short History of the Shrine?

Noble ALBERT ELLIS: (Reading)

To the Imperial Potentate, Imperial Officers, and members of the Imperial Council:

We your Committee on the Short History of the Shrine, wish to submit the following report:

Data is being compiled, investigations made, and we feel that we are making satisfactory progress. We are confident that under fine guidance and direction of Lou Chackes, who has been appointed to complete this history that you can confidently expect to have the complete history in the hands of the Imperial Council by January 1st, 1951.

Respectfully submitted, Committee Short History of the Shrine.

ALBERT ELLIS, *Chairman*

I move the adoption of this report. (Motion seconded.)

Noble WILSON: Motion is made and seconded that the report be adopted. All those in favor say "Aye". Opposed "No". It is a vote.

Noble GEORGE H. ROWE: I move that a Committee of not less than five be appointed by the Imperial Potentate to consider the advisability of amending the Code Section 211, Article XXVI, and Article XXXIV, Section 285, so as to clarify and further define the duties of recorders of subordinate Temples, the Committee to report with its recommendations at the next Imperial Council Session. I move the adoption of the Resolution. (Motion seconded.)

Noble WILSON: You have heard the motion as made. It will be referred to the Committee on Jurisprudence and Laws. All those in favor say "Aye". Opposed "No". The motion is carried.

We will proceed. Another report now by the Jurisprudence and Laws Committee.

Noble NIX: Imperial Sir, and Delegates: It is hard to tell when you get up here what is controversial and what isn't, but I rather think you have got something up here you want to pay strict attention to, so I beg of you to give due consideration to the matter now about to be submitted to you.

At the present time, representation in this Imperial Council is made up broadly speaking by three types of representatives: The Life members, the Ad Vitam members, containing the Past Imperial Potentates; there are Emeriti members who are men who have attended 21 sessions of the Imperial Council meetings; and who have been recommended to the Emeriti Membership Committee for election as emeriti members; and then there are the duly elected representatives of the various temples, so that broadly speaking you have those three groups of representatives.

To become an emeritus member as the law now stands, and as it has been for some time, it is necessary as I indicated a moment ago that a man be elected as a representative and attend 21 sessions of this Imperial Council. When he has done that he is then eligible for election as an emeritus member.

Now, there has been presented to the Committee on Jurisprudence and Laws an amendment to the Code changing that requirement from 21 years of attendance to 16 years of attendance, and if you were to adopt this proposed amendment then it would be necessary that a man attend 16 sessions as an accredited representative, that he would then attend 16 sessions rather than 21 sessions as a duly elected and accredited representative.

That resolution was introduced and referred to us, and comes from one for whose opinion I entertain the highest regard. This Committee sensing the importance of that particular resolution has given it very careful consideration. At this time we have about forty-seven emeriti members. If you were to pass this resolution, I understand that there are approximately 42 men who would immediately or very soon thereafter, become eligible to become an Emeritus member as well, thereby increasing the number; perhaps in the immediate years that follow there might not be so many.

I don't know, but having in mind this organization is not a temporary organization, and having in mind too that legislation when once passed ought to apply not to any particular individual or situation, but should be general and far reaching in its scope, and looking to the long future of the great organization which we know as the Shrine, the Committee after very careful consideration submits this report: We, the Jurisprudence and Laws Committee, to which was referred the proposed amendment to Section 20, Article IV of the By-laws of the Imperial Council of the Ancient Arabic Order Nobles of the Mystic Shrine for North America report as follows:

It is the opinion that the adoption of the proposed amendment would give this Imperial Council a disproportionate number of Emeriti members, and we are of the opinion that the existing laws should not be changed, and therefore we recommend that the amendment does not pass.

(Applause.)

I want to make one additional statement because no doubt this matter will be discussed by those who favor its adoption. It is your baby. Whatever you do with it, of course, it is satisfactory to us. On this Jurisprudence and Laws Committee are at present three emeriti members. They have been coming a long time. There are three members on the Committee who are appointed to that Committee. I occupy the proud distinction of being the only member of the Jurisprudence and Laws Committee who is a duly elected representative of my Temple. I jealously accept that honor. I myself have many years of attendance to my credit as an elected representative. I have been coming a long time. I covet the day when I too may become an emeritus member of this great body, and hope that I might live to make it, but I do not think that I deserve it until I have complied with the law which has been complied with by my three older brethren on this Committee, and by the other 44 distinguished members of this Council. I believe we ought to

labor 21 years in this vineyard before we accept the fruits of an emeritus membership. Therefore, I recommend and move the adoption of the report. (Motion seconded.)

Noble WEBSTER: Nobles, you have heard the report and the motion to adopt. You will recall when you vote upon it you are voting to approve or disapprove the report of the Committee. If you approve the report of the Committee, it means the defeat of the resolution as such. Are there any remarks?

Noble WILSON: I appreciate the recommendation of the Jurisprudence and Laws Committee. I have the same attitude as the proposer of this proposed amendment. It won't break my heart whichever way you vote, but the proposed amendment was offered in a spirit of what I thought was improvement. This is the proposed amendment to the Code which caused so much fun yesterday. In that play from first base to third base, and to second, to first, it finally reached the Jurisprudence and Laws Committee. It has been well stated that at present to be an emeritus member requires attendance in twenty-one Imperial Sessions, and that the Amendment that I have proposed would reduce the period from 21 to 16 years, and I offered the proposed Amendment to the Code with no disrespect to our emeriti members, but in recognition of the real value of these experienced men each year in our deliberations. I personally don't think it would ruin us to have a few more of these boys before they are dead.

I don't wish to detract from the honor of being an emeritus, but I want to increase the usefulness of the emeriti members after we get them. The average man, after he has become a Mason and a member of the Shrine, and a Potentate of his Temple, when you add 21 more long years, is fairly well along. I wonder how many of the Nobility on the floor have been here five years, or eight, or ten, or twelve, or fifteen. The position of an emeritus is now, as has well been said, chiefly honorary. I feel that it should be also an opportunity for continuing the active service after the honor has been received, and not like membership in the Baseball Hall of Fame. We can well afford to use the experience of these splendid Nobles at our annual sessions. The Imperial Recorder will tell you that the number is growing steadily smaller and not greater. There are now but 47 out of 708 representatives, and of the 47, six of those aren't here.

Send your Potentate from your Temple each year as a representative, and your Chief Rabban if you want to, or the Junior Past Potentate, or Recorder, or some of the other splendid Nobles as your delegates, but I urge you also to send a potential future emeritus from your Temple who knows the ropes, not for one year, or two, or five or ten. Let some of the young fellows acquire a sustained interest in Shrine affairs.

I again state that I have the most profound respect for the officers of our Committee on Jurisprudence and Laws who oppose this amendment, but I personally want to ascertain the personal view of the men on the floor, and I ask that the report of the Committee on Jurisprudence and Laws be rejected, that the proposed amendment be adopted, and that we drop the requirement from 21 long years to 16 years, so that some of you men here

today who aren't emeritus can expect perhaps through the generosity of your Temples, that you can be an emeritus before you drop dead in your tracks.

(Applause.)

Noble WEBSTER: Are there any further remarks? If not all in favor—

Noble AL. F. WILLIAMS (Arab): Nobles of this Session I just want to say a few words. I am very much in favor of the reduction to 16 years of the requirement in years to become an emeritus member, and I want to say to you the reason why I am in favor of it.

We have, as we are told by Noble Ball approximately 622,000 members throughout the jurisdiction of this Imperial Body. For many years there have been a group of men coming down here from their Temples year after year, and I want to say to you that it is my firm opinion that these men who have continuously been coming down here as representatives from their Temples have been workers in their individual Temples. Every one of them has shown speed, class, and hard work, and labor and effort in an endeavor to put over an increase of membership in his own Temple, and the reason why he is sent down here is because he has earned it in his own Temple. He has been recognized as a worker.

I am not a union man, but I am in favor of paying the man for his work, and that is what I believe this will do, when a man comes down here for sixteen years, year after year, most of the time, even in the face of the gratuities they give us, they lose money on these trips. They do it because they love the Shrine; they do it because they want to increase the membership of your Shrine; they do it because they think it will help their own individual Temple.

I am saying to you that if you give this opportunity you will have a more concrete membership up here of men who know more about what is going on year after year, and year after year. A good many of you boys came down here today, and you may not be back next year. Some of you may be back two or three years, but it is only an exception when you come year after year, and year after year up until sixteen years. What if it is increased 25 or 35 or 40 per cent. Before that increase will become very material, a great many of these old chaps are going to be laid away. Let's give the fellow who has been doing the work, helping build this organization up from something over 300,000 to 622,000 some pay, some recognition. Let's get back to the ditch with this, recognizing the Temple back home, which will be entitled to another representative at that time.

I hope you, in your wisdom and in your fairness will say that this is a good thing, and you will defeat this report of the Jurisprudence and Laws Committee.

(Applause.)

Noble WEBSTER: Any further remarks?

Noble GUY W. VAN HORN: Imperial Sir and Representatives: I want to state to you that the passage of this resolution would not affect me in the slightest way, so I have no personal interest in it except that I feel very

much like my predecessor speaker here, that it is time that we considered some of the elder statesmen. Now, we just passed a resolution a few minutes ago so that a Potentate cannot be re-elected after he has served two years. You know in your Temple usually you will start off with the Assistant Rabban, or if you have a man you want to carry on year after year, you have the Past Potentate, then the present Potentate, and the other two officers. Now, with that two year limitation you are just not going to have many Emeritus members. You are just not going to, and when you get up to 21 years—someone has said that is the law—well, my gracious Nobles, we don't know what the law is today. Our United States Supreme Court will have a five to four decision on one proposition, and on the same proposition the next year, if they change the complexion of one man, it is five to four the other way. This 21 years is simply an arbitrary number.

I don't know whether I am absolutely for sixteen, but there is no way to amend this resolution. I think 18 would probably meet with the approval of everyone out here, but we can't amend it because this report of the Jurisprudence and Laws Committee says you can't do it. You either have to reject or approve this report. I hope it passes.

Noble WEBSTER: Any further remarks?

Noble GEORGE T. VANDERMEULEN (Ismailia): I won't take much of your time, but I want to answer two arguments. The one argument was that we need these extra men to carry on the duties of the Council. I think the present membership of the Council has done very well, and I don't see why we should reduce the years from 21 to 16. In my Temple a man ran against officers who were entitled to go here, and he had sixteen years, and of course if this is passed, he will come despite the fact that he was defeated by the members of my Temple. He was defeated, and the members of my Temple do not believe in this perpetual membership in this Council. We think the men coming up should have the majority, have the say, not the perpetuated group here who will run things and override us.

(Applause.)

As to the argument of this other man about all these things these men have done, all these fellows have done so much that we couldn't get along without them. They are not the only ones who have done those things for the Temples in America and Mexico and Canada. There are many men who have never had an honor who have done more than some of these men you want to send simply because they have sixteen years of coming here. I oppose this, and I am in favor of rejecting this reduction of 21 to 16 years, and I hope you vote that way.

Noble WEBSTER: We will vote now on the motion of the Jurisprudence and Laws Committee to approve their report. This requires only a majority vote to carry. I think you all understand it now. All in favor of this motion to adopt the report of the Committee on Jurisprudence and Laws manifest by saying "Aye". Those opposed "No". The motion is carried.

(Applause.)

Committee on Time and Place, George W. Hunt, Chairman, of Alee Temple.

Noble HUNT: The Time and Place Committee would like to have its report heard, at least. I know you don't care where you are going, but you are on your way anyhow. It will have to be accepted as an oral report of the Time and Place Committee.

Last year I reported to you that we had an invitation from New York, Mecca Temple, Kismet Temple of Brooklyn, and Salaam Temple of Newark, that joined together and invited this Imperial Council to meet in the City of New York in 1951. We did not act on it last year; it was deferred for action until this session. So, therefore, your Time and Place Committee, inasmuch as this invitation has not been withdrawn, has decided to accept it, on the week of July 8th, 1951 in New York City. Please accept that as the report. Now, I don't know whether Walter A. Delamater is in the audience or not, but I understand he has been elected General Director for the meeting next summer, and if he is here and would like to say something, I think it would be in order.

Noble DELAMATER: I don't think there is anything for me to say at this time. Those that were here this morning heard me speak, and the Report of the Time and Place Committee spoke for itself, the week of July 8th to 14th was designated and selected by the Imperial Potentate Elect.

Noble WILSON: It is moved and seconded that the Report of the Committee on Time and Place by George Hunt be accepted with thanks. All those in favor of its adoption say "Aye". Opposed "No". It is a vote.

We will now hear from Noble Norman A. Boyd of the Committee on Finance and Accounts.

Noble BOYD: Imperial Sir and Representatives: This is a preliminary report of the Committee on Finance and Accounts which is submitted for your consideration and I trust your approval.

Los Angeles, California
June 19, 1950

To the Imperial Potentate, Imperial Divan and Representatives of the Imperial Council, A.A.O.N.M.S.:

Your Committee on Finance and Accounts begs to report that in compliance with the requirements of the By-Laws, we have carefully examined the annual report of the Auditor, and assuming same to be complete and correct, we recommend that it be placed on file and printed in the Proceedings of this Imperial Council Session.

The Imperial Treasurer having furnished us with all the vouchers issued during the past fiscal year, we examined same and have made such recommendations as appeared necessary.

As in previous years, expenditures have in one or two items slightly exceeded budget amounts but in most cases appropriations were in excess of amounts used. The Auditor's report shows "in only two cases were the expenditures in excess of the appropriations and these were of a very small amount. All others were substantially less than was called for by the budget, showing the net unexpended appropriation of \$56,777.84." Your Committee

endeavors to forecast requirements as accurately as possible, its estimates being based upon information made available to the Committee.

As shown in the Auditor's report, a copy of which has been furnished each Representative, certain interim appropriations were authorized by the Imperial Divan, acting as a Board of Directors of the Iowa Corporation, at a special meeting held in Chicago in January 1950. These appropriations were approved by the respective Chairmen of the Jurisprudence and Laws and Finance and Accounts Committees.

These appropriations made at the Chicago meeting of the Board of Directors in January 1950 are shown in detail in the Auditor's report and we recommend that this action of the Board of Directors and the appropriations made at this special meeting be approved by this Imperial Council.

Respectfully submitted,

THOMAS S. RISHWORTH, *Chairman*
NORMAN A. BOYD, *Vice Chairman*
J. HARRY SPENCE
J. MILTON RYALL
CARL A. RAHN
ERNEST C. HUETER

Imperial Sir, I move the adoption of this Report.

Noble WILSON: You have heard the Motion made by Noble Rishworth of the Committee on Finance and Accounts, for the adoption of the Report. Any remarks? If not, all those in favor of the Motion will say "Aye". Opposed "No". It is the unanimous vote. The Chair recognizes Noble Louie W. Strum.

Noble STRUM: Imperial Sir and Representatives: Things have been happening so rapidly here this morning some of your Committees are a bit behind with their work. Can't quite keep up. The Committee on Jurisdictional Lines is out just now trying to agree on things that can be reported on before any specific report can be made by the Committee on Jurisprudence

and Laws, and therefore I wish to offer in order to expedite matters, a general omnibus resolution for your consideration, which will take care of the whole situation and will not delay the adjournment of the Imperial Council Session here until such time as the Committee on Jurisdictional Lines brushes out these problems.

Several Temples have been granted dispensation here today by the Imperial Council. A Temple cannot exist without a jurisdiction in which to operate. It must have a jurisdiction. Those things require considerable consideration and thought, and also in the end the Code must be amended so as to provide that jurisdiction.

As I say, the Committee on Jurisdictional Lines is still meeting out there with respect to some of these matters. Therefore, in order not to delay the adjournment of this Imperial Session, the Committee on Jurisprudence and Laws offers the following Resolution.

BE IT RESOLVED that each and every new Temple granted a dispensation at this Session of the Imperial Council have and exercise, until the next meeting of the Imperial Council, the jurisdiction approved for that Temple by the Committee on Jurisdictional Lines, and that the Committee on Jurisdictional Lines fix the jurisdiction for each of these new Temples under dispensation. (Motion seconded.)

Imperial Sir, I move that the resolution be adopted and several Nobles have seconded it.

Noble WILSON: You have heard the Motion as seconded. All those in favor of the adoption will say "Aye". Opposed "No". A unanimous vote.

Noble WILSON: I recognize Noble Harry E. Sharrer.

Noble SHARRER: Imperial Sir and Representatives: Before I read this report, I want to tell you that I don't like what somebody said when you were considering that matter of Emeriti members, that you could get along without old men. I have been here 43 consecutive years without missing a session, and I am coming back.

Los Angeles, California
June 20, 1950

To the Imperial Council, A.A.O.N.M.S.:

I move the adoption of that report. (Motion seconded.)

Noble WILSON: Motion is made and seconded. You have heard it. Any remarks? All those in favor will say "Aye". Opposed "No". I would gather that the motion is lost.

Noble JONES: I think it ought to be explained to you that in each of these cases the petitions do not have sufficient names upon them to justify it.

A NOBLE: Why didn't you say so.

Noble JONES: I am telling you now. These petitions did not have sufficient names upon them to justify their being acted on by your Committee. In one instance there was no time to process the names; in the other they were processed and were discovered that there were not sufficient names.

Noble WILSON: Well, Nobles, now that we have the glad tidings, I gather there is a motion to reconsider.

Noble JONES: I so move, and it is seconded.

Noble WILSON: Motion to reconsider our action, in view of the fact there aren't enough signatures to qualify in any event. All those in favor of the Motion to reconsider will say "Aye". All those opposed "No".

A NOBLE: I move to a point of order. The petitions were not properly presented in the first place, and we should not have voted on them.

Noble WILSON: I will announce that the motion to reconsider is carried. Now that we know the facts, the Motion is made that these two matters be put over for one year, in view of the fact that they are not in proper legal order to be passed on at this session. All those in favor of the motion will say "Aye". Opposed "No". It is a vote.

Noble JONES: I move the adoption of the report as a whole. (Motion seconded.)

Noble WILSON: You have heard the motion. All those in favor say "Aye". Opposed "No". It is a vote.

I recognize Noble Fontaine Johnson of the Jurisprudence and Laws Committee.

Noble JOHNSON: Imperial Sir and Representatives: I now move that all of the actions of the Officers and Committees during the interim since the last Session of the Imperial Council and transactions taken by these various officers, the Official Divan, and the Committee, be ratified and confirmed and approved. I move the adoption of that Resolution. (Motion seconded.)

Noble WILSON: You have heard the Motion as made and seconded. If there are no remarks, all those in favor say "Aye". Opposed "No". It is a vote.

The Chair recognizes Noble DeLamater, Chairman of the Committee on Special Resolutions.

June 22, 1950.

WHEREAS, our beloved, efficient leader, Illustrious Imperial Potentate Harold Lloyd, has been outstanding in his interest, his leadership, his desire to contribute of his talent, his time and effort, and at a time when no doubt it would have been to his own personal interest to have looked after his physical welfare, nevertheless went on to the firing line, as it were, and remained there during his term of office as evidenced by the 126 visits which he made. We commend him for his zeal, energy, and leadership, sincere earnest devotion to the duties of Imperial Potentate, all of which were outstanding. He has been a real inspiration, and has greatly inspired, and increased the spirit and morale of all Shriners.

WHEREAS, the Motion Picture Industry has made such a great contribution in arranging and staging a great electrical pageant and the personal appearances of many of its outstanding stars of stage and screen, all of which was a fine tribute to the Shrine and our beloved Imperial Potentate Harold Lloyd, himself an outstanding star of the screen as well as of the Shrine. We especially express our thanks and appreciation.

WHEREAS, under the auspices of Al Malaikah Temple a new Shriners Hospital for Crippled Children is being erected in Los Angeles, we desire to congratulate the Temple on the progress of this great project and to commend the Grand Master of Masons in the State of California and his staff for the very impressive ceremonies incident to the laying of the cornerstone thereof, and

L. A. CORNELIUS
JACK MUMMA
EVERETT H. TRUNK
SAM S. TOLER
ELMER E. ROBINSON

I move that the report be received, adopted, and printed in the Proceedings. (Motion seconded.)

Noble WILSON: You have heard the motion and the second. All those in favor will signify by a rising vote.

(Rising vote and applause.)

Imperial Potentate LLOYD: I want to thank you for approving that report. I want to say to you, I have had a very happy time here, and it could not have been so without your support and the wonderful hospitality you showed me. I feel I have your affection, and I want you to know I am deeply grateful. I thank you very, very much.

The next order of business is going to be the installation. It is the desire of the Imperial Potentate Elect to have the installation made by a Noble who is 92 years of Shrine Spirit. I just want to tell one little anecdote on Frank Roundy of Medinah Temple. I was there on a visit some time ago and he was ill in the hospital. I went out to see him, and I said "Frank, what are you trying to do, lay down on the job? You have been installing all the rest of the boys, and I have only a couple more years to go. I am depending on you". He still had to go through another operation, and he said,

"Harold, I am going strong. I will be there". He says further, "Then I am going to be out to Los Angeles when you hold your convention". And boys he is here today. Frank, will you take over.

The following officers were then duly installed by Past Imperial Potentate Frank C. Roundy:

Imperial Potentate—Hubert M. Poteat, Sudan Temple
 Deputy Imperial Potentate—Roland D. Baldwin, Morocco Temple
 Imperial Chief Rabban—Robert Gardiner Wilson, Jr., Aleppo Temple
 Imperial Assistant Rabban—Harvey A. Beffa, Moolah Temple
 Imperial High Priest and Prophet—Remmie L. Arnold, Acca Temple
 Imperial Oriental Guide—Frank S. Land, Ararat Temple
 Imperial Treasurer—Leonard P. Steuart, Almas Temple
 Imperial Recorder—George M. Saunders, Ararat Temple
 Imperial First Ceremonial Master—Walter C. Guy, Scimitar Temple
 Imperial Second Ceremonial Master—Gerald D. Crary, Naja Temple
 Imperial Marshal—Thomas W. Melham, Tripoli Temple
 Imperial Captain of the Guard—George E. Stringfellow, Salaam Temple
 Imperial Outer Guard—Clayton F. Andrews, Sesostri Temple

Past Imperial Potentate LLOYD: Past Imperial Potentate Roundy, I know I express the feelings of every member of the Imperial Divan when I say to you that it gives us the greatest joy that you were here today to install us. May you live to be 200. (Applause.)

This occasion would not have been complete if you hadn't been here to do the job, Frank. God Bless you.

Noble CALHOUN: Imperial Sir, I have long sought the opportunity to see you inducted into this great office. It is now my happy privilege to present to you your flag, the flag of the Imperial Potentate. The flag of the Imperial Potentate is a symbol as are all flags, a symbol in this case of the power and authority and the presence of the Imperial Potentate, and a flag symbolizing such things could not possibly be placed in better hands, and as long as you are Imperial Potentate this flag will stand for everything that is true, pure, and good.

Imperial Potentate POTEAT: As Allah is my witness, I will try to live worthy of this great symbol of our Order.

I recognize Past Imperial Potentate Bill Woodfield.

Noble WOODFIELD: Nobles, it is my proud purpose to present the Past Imperial Potentate Jewel to our great now Past Imperial Potentate, who during his term of office was successful in having the membership increased to 622,000, an all time high.

Harold, they have said some wonderful things about you during this session. I will endorse them all. Without further ado I am going to welcome you into the Past Imperial Potentates. There is his Jewel, boys.

(Applause.)

Past Imperial Potentate LLOYD: Let me merely say, boys, I will wear this with the same pride I did the Imperial Potentate's Jewel, because it is

a symbol that signifies that I have had an opportunity to serve this great organization. Thank you.

(Applause.)

Imperial Potentate POTEAT: Is there anything further to come before this Session of the Imperial Council? I will recognize the Imperial Recorder, George Saunders.

SHRINE PROTOCOL

For the Use and Guidance of Illustrious

Potentates and Divan Members of

the Subordinate Temples

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station: -

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters: -

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. It should afford private and personal quarters and the Potentate should assign to him an Aide who is in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

PARADES

Colors: -

Singly or massed Colors should precede the first uniformed marching unit.

Order of automobiles: -

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present, and Potentate of Host Temple. (The Imperial Potentate will ride alone—or by agreement with Potentate—may invite any celebrity who may be in attendance at the function to be a guest passenger.) Only the Imperial Potentate will ride on the back of the seat of the car, all others must remain on the seat of their cars.
2. Imperial Officers other than the Imperial Potentate. (One officer to a car—no guests except by invitation.)

3. Past Imperial Potentates.
4. Host Temple Divan.
5. Distinguished guests other than those in groups 2, 3 or 6.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

Ceremonial or Reception: -

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An Aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies: -

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line: -

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests: -

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than those listed below).
 - a. Grand Master of the Grand Encampment.
 - b. Sovereign Grand Commander.
 - c. Most Worshipful Grand Master.
3. Past Imperial Potentates.
4. Imperial Officers (presented individually in reverse order of their official station.)
5. Imperial Potentate.

Introduction of Imperial Potentate: -

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....Temple,.....(City),.....(State or Province)."
or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet: -

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the

table. In the event no other Imperial Officer is present the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions: -

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands: -

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

The Fez: -

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Turkish Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, and Recorders of Temples, as well as official uniformed organizations, to have their titles embroidered in small letters on the front of the Fez near the bottom.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Dress: -

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

The Salaam: -

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations: -

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute: -

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance: -

"I pledge allegiance to my Flag and to the country for which it stands, one Nation, indivisible, with Liberty and Justice for all."

Salute to the Flag: -

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer: -

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate: -

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

ARTICLE XXV.

Enthronement.

Sec. 208. Previous to the enthronement of a Potentate-elect, the Imperial Council requires his assent to the following ordinances (see also Sec. 32, Article VI, of the By-Laws):

DO YOU SOLEMNLY VOW, UPON YOUR HONOR:

That you will exert your best endeavors to promote the true happiness of your brother Nobles of the Mystic Shrine?

That you will endeavor to promote the general good of the Order and observe the solemnity of the ceremonies with profound respect and reverence?

That you will not acknowledge or have intercourse with any Temple which does not work under constitutional authority as recognized by the Imperial Council?

That you will ever maintain and support the authority of the Imperial Council for North America, and enforce obedience to its By-Laws, Code, Regulations and Edicts?

Do you submit to all these ordinances and promise to observe and practice them faithfully?

Answer:

ARTICLE XXVI.

Duties of Officers

Sec. 209. ILLUSTRIOUS POTENTATE: The Illustrious Potentate shall open and preside at all sessions of the Temple; he shall be responsible to the Imperial Council for the government of his Temple. It shall be his duty to require of his Temple at all times due observance of the Articles of Incorporation, By-Laws, Code, Regulations, Edicts and Usages of the Imperial Council and the by-laws of his Temple; that accurate records are kept and just accounts rendered; that regular returns are made to the Imperial Council, and that the annual dues and assessments are promptly paid; and that no fewer than four stated sessions are held annually, of which one shall be held in January. He shall send a copy of each printed notice issued by his Temple to its members, and at the same time mail a copy to the Imperial Potentate and Imperial Recorder. No Potentate of any subordinate Temple shall serve in that office for more than two years.

Sec. 210. CHIEF RABBAN: The Chief Rabban shall preside in the absence of the Illustrious Potentate. In the absence of both Illustrious Potentate and Chief Rabban, the Assistant Rabban shall preside. In the absence of all three of said officers a Past Potentate of the Temple shall preside.

Sec. 211. The remaining officers are to perform such duties as are appropriate to their several stations, or as may be assigned them by the Illustrious Potentate, or by the Temple.

Sec. 213. Special sessions of a Temple may be called by the Illustrious Potentate at any time, due notice thereof being given to each member stating the business to be considered, and no other business than that specified in the call or summons shall be transacted.

Temples may hold stated sessions, also ceremonial sessions, at any time on the call of the Potentate, without applying for a special dispensation, provided due and timely notice is given to all members of the Temple.

No Temple shall hold a session for business or ceremonial on the Sabbath day, commonly known as Sunday.

ARTICLE XXVII.

Jurisdiction of Temples, Candidates, Members, Working Code, Etc.

Sec. 218. Each Temple, subject to the Articles of Incorporation, By-Laws, Code, Regulations and Edicts of the Imperial Council, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Sec. 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by direct line between itself and the nearest Temple; provided that in no case can it extend beyond the limits of the state, territory or district in which it is located, except by agreement between Temples affected only; provided also that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory, should they so desire; provided, that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city not having a Temple having a population of not less than 200,000, as determined by the official statement of the State Chamber of Commerce, or an equally responsible state or district authority for the current year; provided that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, should it appear for the best interests of the Order to do so.

Sec. 220. **TEMPLE MUST PROCURE WAIVER, WHEN.** A Temple shall not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining permission of such Temple. It shall be competent in such cases for the Temple to waive its jurisdiction and permit another Temple to confer the Order upon one residing within its jurisdiction; *provided*, that where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting the waiver, the candidate shall pay to the Temple which asks for the waiver a fee equivalent to the fee he would have been required to pay had he petitioned the Temple in whose jurisdiction he resides and which grants the waiver. The Temple which asks for the waiver shall then remit the difference

in fee to the Imperial Recorder and that amount shall go into a fund for the Shriners' Hospitals for Crippled Children. No Potentate, however, shall have the power in himself to grant such waiver, but it shall be given only by authority and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. Temples having concurrent jurisdiction must notify each other of the names and addresses of all candidates rejected, or to whom objections have been made, residing in the territory over which their jurisdiction is concurrent.

It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council.

Sec. 221. **WHEN REQUEST TO CONFER ORDER MAY BE MADE.** A candidate having been elected in a Temple, that Temple may request, under seal, another Temple to confer the Order upon the candidate as a favor to the requesting Temple. The Temple conferring the Order shall certify the same, under seal, to the Temple in which the candidate was elected. The Temple which elected the candidate shall enter this official communication upon its record, place his name upon its membership list, and he shall then become a member of that Temple.

Sec. 222. **PLACE OF MAKING APPLICATION.** No applicant actually resident within a Temple jurisdiction can apply elsewhere for the Order without the consent of the Temple. Where two or more Temples hold concurrent jurisdiction over territory, the consent of *each* shall be necessary to enable an applicant of that jurisdiction to be created a Noble in a Temple in any other jurisdiction. A Temple having received a petition from one possessing the necessary qualifications and having regularly elected the candidate, retains jurisdiction over him until initiation, no matter whether said candidate subsequently removes from its jurisdiction or not.

Sec. 223. **TEMPLES MAY HOLD MEETINGS, WHEN.** Except as hereinafter provided, Temples may open, elect candidates, and confer the Order at any place within their jurisdiction, notice being given of such intent, but no other business can be transacted at such session. Where two or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the city or town in which the Temple is permanently located; but the Imperial Potentate, upon request of any Temple, accompanied by a waiver of jurisdiction from the Temple, or Temples, having concurrent jurisdiction, may grant a special dispensa-

tion to hold a ceremonial session at any place requested in said concurrent jurisdiction.

A Temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

Sec. 224. SHRINE ORGANIZATIONS, CLUBS. No organization of Shriners of any kind, meeting as such, using any of the emblems of the Order or having a title or titles indicating it to be an organization of Shriners, shall be organized in the jurisdiction of any Temple, except with the official sanction and under control of the Potentate of the Temple in whose jurisdiction it is organized, and all Nobles, whether belonging to said Temple or not, shall be amenable to the by-laws and regulations of said Temple; also, no such organization shall adopt by-laws without their first having been assented to by the Potentate of said Temple, and no such club or organization shall be permitted to incorporate under the laws of any of the several States, Countries, or any sub-division thereof. Any such organizations so incorporating shall be subject to disciplinary action of the Potentate under whose jurisdiction the organization is functioning and shall be subject to such further disciplinary measures as the Imperial Council shall deem meet and proper. Any such Shrine club or organization, however, may organize separately from the fraternal club or organization itself, a non-profit corporation, for the sole purpose of holding title to property owned by said club or organization. The Trustees or other managing officers of said corporation shall be members in good standing of said club or other organization, and by accepting office in such corporation shall thereby become subject to the by-laws of the Temple in whose jurisdiction said corporation is organized, and to the orders of the Potentate of said Temple as to the conduct of said corporation. The Potentate may forthwith remove from office in said corporation any such trustee or other managing officer for disobedience of said orders, or for any violation of Temple by-laws, with respect to the conduct of the affairs of said corporation. If any such organization is proposed to be formed in territory over which two or more Temples have concurrent jurisdiction, it must have the consent, as provided for above, of the Potentates of the two nearest Temples to its proposed location, and shall be under the control of the Potentate of the nearest of these two Temples, provided, however, that no independent association of Shriners formed for the purpose of providing relief or benefit funds for the widows or families

of deceased members shall be under the control of the Potentate or Temple in whose jurisdiction it is organized or elsewhere; provided, further, that if a change is made in jurisdictional lines of any Temple, jurisdiction over any such existing organization shall be in the Temple under whose authority the organization was created, unless otherwise agreed by the Temples involved.

Sec. 225. PATROLS, BANDS AND OTHER UNITS. The Patrol, Band and all other units, are parts of the working corps of the Temple, and under the control and authority of the Potentate and such working corps must be composed wholly of Shriners in good standing in some Temple of the Order. No Temple shall set aside or appropriate any portion of the fees collected for initiations or affiliations or annual dues or assessments of the Temple to and for the exclusive use of any such units, or any subordinate club or organization in the Temple.

Sec. 226. FEMALE PATROLS, ETC., PROHIBITED. No Temple shall organize a female patrol, or any uniformed body of women, and introduce the same into the Temple at a ceremonial session, or permit such organization to parade, drill, or appear in public, under the auspices of the Temple, or by its authority.

Sec. 227. PARADES, PERSONS PROHIBITED IN. In the parade of Temples of the Order at annual sessions of the Imperial Council, or in parades given under the auspices of subordinate Temples of the Order, no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying Temples. No females shall be permitted to participate in parades.

Sec. 228. TEMPLES MAY NOT SPONSOR CERTAIN ORGANIZATIONS. No Temple shall organize or sponsor any body of women, or men and women, purporting to be an Order connected with the Ancient Arabic Order of the Nobles of the Mystic Shrine, composed of Nobles of the Mystic Shrine and female relatives of such, and making such relationship the prerequisite for membership in such body. The Imperial Potentate shall arrest the charter of any Temple violating this section.

Sec. 229. STREET PARADES. COSTUMES. The appearance in street parades of novices or Nobles in costume, dress or other attire calculated to bring reproach upon the Order is prohibited.

Sec. 230. The uniform organizations of any Temple may appear on the street or in any public place only with

the expressed approval, previously given, of the Potentate holding control over such organization.

Such appearance shall be under the auspices of the Temple with which such organization is identified, and shall not be in any place in which such Temple has not jurisdiction except with the consent of the Potentate of the Temple having jurisdiction. Under no circumstances shall the members thereof receive any reward or compensation for such appearance or participation.

Sec. 231. GAMBLING, ETC., PROHIBITED. It shall be unlawful for any Temple or any organization connected therewith, or under its control, or any group of its members, or any member acting for or on behalf of the Temple, to promote or take part in any engagement or enterprise prohibited by the law of the land.

Sec. 232. USE OF THE WORD NOBLE, ETC., AS ADVERTISING PROHIBITED. The use of the word "Noble", "Shriner", or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises is prohibited. Any Noble violating this section may be suspended or expelled from the Order. Should the Temple of which the offender is a member neglect to take action, the Imperial Potentate may suspend such offender until the next regular session of the Imperial Council, at which session the suspension may be made permanent. Any Temple neglecting to take action in such a case is subject to having its charter arrested by the Imperial Potentate. Provided, however, that this section shall not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

Sec. 233. No subordinate Temple of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America shall solicit funds or accept real estate, money, securities or other property for purposes connected with the building or launching of hospitals for crippled children or similar projects without first obtaining permission of the Imperial Potentate. Provided, however, that nothing herein contained shall affect existing projects now supported and and operated by subordinate Temples.

ARTICLE XXVIII.

Dispensations for New Temples.

Sec. 235. No dispensation for a new Temple shall be granted except by action of the Imperial Council, and then only upon the filing of a petition which shall have been signed by at least eight hundred (800) Nobles of the Mystic Shrine, residing in the territory of the proposed Temple;

provided, that such dispensation shall not be granted in the event of the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, being reduced to less than two thousand (2,000) members by the withdrawal of the petitioners for the dispensation. The Imperial Council may, however, grant a dispensation for a Temple in unoccupied territory without such restriction.

Sec. 236. The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Sec. 237. The application for dispensation shall be in the prescribed form furnished by the Imperial Recorder, which must have printed therein in red ink Section 240 of this Article, and shall be in duplicate, one copy for the Imperial Recorder, and the other kept by the petitioners for reference.

Every name on the application must be the actual signature of the petitioner, and when once signed the name cannot be withdrawn from the application except upon the voluntary written request of the petitioner and which shall be for none other reason than that his signature has been obtained by false representations, and the said written authority for such withdrawal showing the reasons therefor shall be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

If, after the application for a dispensation has been delivered to the Imperial Recorder, in accordance with the next paragraph of this section, a signer of the application desires to withdraw his name, he must send his voluntary request in writing stating the reasons therefor direct to the Imperial Recorder, who shall erase the name from the application, if the reasons be as provided in this section, and shall attach the authority for such erasure to the application before presenting it to the Imperial Council, and shall furnish such list of withdrawing members to the other petitioners organizing the proposed new Temple, who may supplement the same to replace withdrawn names until the meeting of the Imperial Council.

When completed the application must be filed with the Imperial Recorder at least sixty (60) days prior to the annual session of the Imperial Council, and notice of such application must be published in the official call for the

Imperial Council session. Unless such application is filed and published as herein provided, it must lie over until the next regular session of the Imperial Council.

Sec. 238. When the application for a dispensation is received by the Imperial Recorder he shall notify the Temple nearest the site of the proposed new Temple, in the same jurisdiction, if any, or, if the proposed Temple is to be established in unoccupied territory, then the nearest Temple in another jurisdiction, at least thirty (30) days prior to the meeting of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of such dispensation, may be presented to the Imperial Council.

Sec. 239. If the dispensation is granted, the Temple shall be liable for dues to the Imperial Council only for the fractional part of the year remaining after the date of such dispensation, and for the per capita tax and assessments in full on members created. (See Art. XI, Sec. 91, By-Laws.)

Sec. 240. A Noble signing an application for a dispensation becomes a member of the Temple under dispensation on the date such dispensation is granted, and shall be amenable to it for dues; provided, however, that the Temple of which he was a member prior to the granting of the dispensation may retain the dues already received from such member for the current year.

Sec. 241. If the dispensation is refused and no charter granted, all Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the granting of the dispensation, and all members of said Temple created therein become members of the Order at large, subject to the authority of the Imperial Council; and are entitled to a certificate to that effect from the Imperial Recorder, which certificate has the force of a demit for the purpose of affiliation.

Sec. 242. A Temple under dispensation has a legal existence and a legal jurisdiction, and, whether it works or not, such jurisdiction cannot be interfered with except by action of the Imperial Council. Such a Temple, however, cannot adopt by-laws until a charter has been granted and the Temple regularly constituted in accordance with the laws of the Imperial Council; but it shall in the meantime be governed by the By-Laws, Regulations, Code and Edicts of the Imperial Council.

Sec. 243. A Temple under dispensation has no power to elect officers, but must retain its provisional officers until a charter has been granted to it.

The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

Sec. 244. No charter shall be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between two regular sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order, and has at least one thousand (1,000) Nobles in good standing on its roll of membership.

Sec. 245. When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

Sec. 246. When a dispensation for a new Temple shall have been refused by the Imperial Council, no further application therefor shall be made until three years have elapsed.

ARTICLE XXIX.

Membership in Temples.

Sec. 251. One applying for the Order shall be an actual resident for at least six (6) months in the jurisdiction of the Temple to which he applies. Actual residence is defined to mean the place where the applicant in good faith makes his home; any Temple of the Order may, however, receive and act upon the petition of one who is a resident of a country, territory or state wherein no Temple of the Order exists. Provided, however, any commissioned, non-commissioned or warrant officer, or enlisted soldier, sailor or marine of the Army, Navy or Air Corps or other branch of the armed forces of the United States, the Dominion of Canada or Mexico, may petition any subordinate Temple of the Order within whose jurisdiction he may at the time be stationed without reference to his actual or legal place of residence, and may thereupon, after election as provided in Section 252, be initiated by and become a member of such Temple. Membership may be terminated by voluntary demission upon payment of all indebtedness to the Temple or by expulsion or suspension in the manner provided in the By-Laws and Code.

Sec. 252. If, upon the balloting for a candidate, subsequent to a favorable report, three black balls shall appear, another ballot shall immediately be had, but no more. Upon the appearance of three black balls a second time the candidate shall be declared rejected and disqualified to make a second application for thirteen (13) weeks. A written ob-

jection, signed by at least three (3) members of the Temple in good standing, presented to the Potentate, shall have the same effect as an adverse ballot.

After a candidate has been declared elected, any subsequent objection or protest must be presented to the Potentate in writing, signed by at least three (3) members of the body and must stand. Provided however, that if written notice of the candidate's application has been given to the membership not less than 10 days before the date set for the balloting upon his application, no such objection or protest can be made unless made at least 48 hours before the time specified in the notice for the obligation of such candidate. The fact that said objection has been made, but not the written objection itself, shall be entered upon the minutes and shall have the same force and effect as an adverse ballot, and shall prevent a reconsideration of the matter for thirteen weeks.

Sec. 253. A Noble can hold active membership in but one Temple. In order to retain membership in a Temple a Noble must be in good standing in one or the other of the two prerequisite Masonic bodies—a Commandery or Preceptory of Knights Templar or a Consistory of the Ancient and Accepted Scottish Rite. Where a Noble holds membership in both of these prerequisite bodies, so long as he is in good standing in one of these bodies his membership in the Temple is not affected by any action of the other prerequisite body in depriving him of membership in that body.

In case a Noble holds membership in only one of the prerequisite bodies and for any cause is suspended or expelled by that body, he stands suspended or expelled, as the case may be, in his Temple until restored to good standing by the prerequisite body suspending or expelling him, when he shall be restored to good standing in his Temple without vote of the Temple. He shall not be charged with dues to the Temple during the period of his suspension. The acquirement of the other prerequisite subsequent to his suspension or expulsion does not restore him to good standing in the Temple, but he may be restored by vote of the Temple.

When a Temple learns in an official manner or has reasonable cause to believe that one of its members, by reason of his non-affiliation for six months or more, is not in good standing in at least one of the prerequisite Masonic bodies, it shall notify the member so charged that he must appear before the Temple, or give evidence to the Temple, at its first stated session thereafter, and show cause why he

should not be suspended. Should he fail to do so he shall be declared suspended from all his rights and benefits of membership in the Temple until he removes the cause of his suspension.

Sec. 254. A Demit is a certificate that at the time of granting such demit the Noble named therein was in good standing, and of good repute, and recommended as such to other Temples.

A Temple cannot withhold a demit from a Noble applying for same, provided he is free from charges and indebtedness to the Temple. No demit can be granted to a Noble accused of violation of the Laws of the Order, pending his trial. A Temple may issue a duplicate demit to a Noble, but must satisfy itself that the Noble asking for it is still in good repute.

A demit may be issued by the Potentate and Recorder of the Temple between regular sessions of the Temple, if deemed necessary. A record of a demit so issued must be made, and made of record and reported to the Temple at its next succeeding regular session.

A demit, when granted, shall become effective for all purposes, as of the date of the filing of the application therefor with the Recorder of the Temple, which said application shall be in writing.

Sec. 255. A Noble of the Mystic Shrine holding a demit from a Temple may only affiliate with a Temple within the jurisdiction of which he is and for at least six months has been an actual resident.

Any Noble residing within concurrent jurisdiction and holding membership in a Temple in such jurisdiction cannot demit and affiliate with another Temple in the same jurisdiction, without a vote of the Temple granting such demit, provided that this section shall not apply to any Noble holding a demit as of date prior to June 1, 1934, if all Temples holding concurrent jurisdiction charge the same dues and/or assessments.

A Noble holding a demit and who is desirous of re-affiliating with the Temple that issued the demit, may be restored to membership without a vote of the Temple, provided written application for reaffiliation is made, with the original demit attached to the application, such application to be accompanied by written evidence that such demitted member is in good standing in his prerequisite body, and provided that such reaffiliation shall be reported to the Temple at its next succeeding regular session and

recorded in the minutes. This shall not apply where demit is placed in a Temple other than the one issuing same, in which latter case the provisions of Section 252 of the Code of the Iowa Corporation shall apply.

Sec. 256. A member may be suspended for non-payment of dues only by a majority vote of the members present at any regular session, provided notice by first class mail to the last known address has been given to the delinquent member that he is in arrears, and an opportunity afforded him to be present, and any delinquent Noble desiring to appear before the Temple pursuant to any such notice shall be entitled to admission into the Temple for such purpose only and regardless of the fact that he is in arrears. A member suspended for non-payment of dues or assessments may be reinstated without a vote of the Temple upon payment of all arrearages, provided written application for reinstatement is made, such application to be accompanied by written evidence that such suspended member is in good standing in his prerequisite body, and provided that such reinstatement shall be reported to the Temple at its next succeeding regular session and recorded in the minutes. No Temple shall carry a member on the books who is more than two years in arrears without taking some action thereon.

Sec. 257. A Temple may levy an assessment upon the members thereof, for purposes general to the membership, at a regular session of the Temple, after due notice to all the members, which said notice shall state the amount of said proposed assessment, and the date upon which action shall be taken thereon. To be valid such assessment must receive a two-thirds vote of those present and voting, and must be approved by the Imperial Council in a manner similar to the approval of amendments to the By-Laws of a Temple. When so passed by the Temple and approved by the Imperial Council the assessment shall be binding on each member of the Temple as of the date of passage of the resolution levying the assessment and shall be paid as dues are paid. No card shall be issued to a member if his assessment or any installment thereof is in arrears. No card shall be issued to a member if any voluntary obligation due from him to his Temple, or any installment thereof, is in arrears. No demit shall be issued to a member until his assessment or financial obligation shall be paid in full.

Sec. 258. A Past Potentate who shall become a charter member of a new Temple shall be entitled to be classified as a Past Potentate of the new Temple.

Sec. 259. When an application for the establishment or change of Jurisdictional Lines of any Temple or Temples is proposed, the application shall be filed at least sixty days before the Annual Session of the Imperial Council with the Imperial Recorder.

The Imperial Recorder shall notify the Temple or Temples affected by said proposed established or change of Lines, giving full information in regard to the application, in order that objections to the granting of such proposed change may be presented to the Imperial Council.

Sec. 260. When the application for the establishment or change of Jurisdictional Lines is refused by the Imperial Council, no further application or renewal application therefor shall be made until three years shall have elapsed.

ARTICLE XXX.

Discipline—Trial Procedure.

Sec. 262. A Noble shall be subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction the Noble resides, for conduct unbecoming a Noble of the Mystic Shrine.

Sec. 267. Proceedings for the discipline of any Noble shall be as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine shall state the nature and character thereof in writing, sign such complaint and deliver to the Potentate of the Temple.

(b) Upon receipt of any such complaint it shall be the duty of the Potentate to appoint a grievance committee of five (5) members of the Temple, preference being given to Past Potentates, whose duty it shall be to thoroughly investigate the complaint, and if in the judgment of the majority of said committee, they shall find probable cause for believing that an offense has been committed, it shall be the duty of such committee to so report to the Illustrious Potentate.

(c) Immediately upon the receipt of such report from the grievance committee, it shall be the duty of the Illustrious Potentate to refer the matter to the Assistant Rabban, or, if he be disqualified from acting, to any other Noble of the Temple designated by the Illustrious Potentate, and it shall be the duty of said Assistant Rabban, or of the Noble so designated, to cause formal written charges to be preferred in the name of the Temple against such offending Noble, which charges shall, in plain and concise language,

apprise the offending Noble of the charge, or charges, and signed by the Assistant Rabban, or other Noble designated by the Potentate, which charges when so prepared shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of such charges it shall be the duty of the Illustrious Potentate to appoint a trial committee of nine (9) Nobles of the Temple in good standing, and to designate a date for the hearing of such charges before such committee, which shall be not less than fifteen (15), nor more than twenty (20), days from the date of the selection of said trial committee.

(e) It shall be the duty of the Recorder of the Temple to cause a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial, to be served upon the accused Noble, which service shall be in person by some Noble of the Order in good standing, or by registered mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by registered mail, shall be prima facie evidence of the service of the notice and charges upon the accused Noble.

(f) It shall be the duty of the Assistant Rabban or the Noble designated by the Illustrious Potentate, in the name of the Temple, to prosecute such charges, and the Temple may have the assistance of counsel in the presentation of such charges, provided such counsel shall be a Noble of the Order in good standing. The accused shall also have the right of counsel, provided such counsel shall be a Noble of the Order in good standing.

(g) The accused may, five days previous to the time set for the hearing, file written answer to the charges.

(h) Upon the date set for hearing, the Temple shall excuse two (2) of the committee so chosen by the Potentate, and the accused shall have the right to excuse two (2) of said committee, leaving a trial committee of five (5). If the accused shall fail or refuse to exercise his challenge as above, then the trial committee of five (5) shall be chosen by lot. This committee shall hear the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and said committee shall then proceed with its deliberations, and shall ascertain the guilt or innocence of the accused. If the committee shall find the accused guilty, it shall then proceed to fix the punishment, which may be either expulsion, suspension for an indefinite period, or suspension for a definite period. It shall require a majority

vote of the committee upon the question of guilt and upon the fixing of the punishment.

(i) After such committee has concluded, it shall make a report of its findings to the Illustrious Potentate in writing, and at the next regular session of the Temple after the trial such report shall be read to the Temple, and the Illustrious Potentate shall thereupon pronounce judgment upon such report, and the judgment shall date from the time of the pronouncement of judgment by the Illustrious Potentate, and shall, from that date, be final, unless the same shall be reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused shall have the right, within thirty (30) days, to appeal to the Imperial Council from any judgment rendered as provided in this Code; and provided, further, that the Noble making the complaint shall be entitled, within thirty (30) days, to appeal to the Imperial Council from the decision of the Grievance Committee finding no probable cause, by filing notice of the appeal with the Imperial Recorder within such thirty (30) days and shall also, at least thirty (30) days prior to the next annual session of the Imperial Council, file a complete transcript of the proceedings, and the Imperial Recorder shall thereupon transmit all the papers pertaining to such appeal to the Chairman of the Grievance Committee.

(k) If an appeal shall be taken the party appealing shall pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Illustrious Potentate the party appealing is unable to pay such expenses, in which event the Temple shall pay the same.

(l) Any Noble indefinitely suspended or expelled may be reinstated in the following manner: He shall present an application for reinstatement, which shall be read at a regular meeting and laid over until the next regular meeting, and notice shall be sent to the entire Nobility of such application. At the next regular session after the presentation of such application, the members having been notified, the following question shall be put: "Shall the Noble be reinstated?" If two-thirds of the members present shall vote for his reinstatement, he shall be declared reinstated. If a less number than two-thirds vote for reinstatement, he shall stand suspended or expelled, and shall not be permitted again to petition for a period of one year thereafter; and provided, further, that if the member shall have been expelled or suspended indefinitely, he shall not be permitted to

petition for reinstatement until after the expiration of one year from the date of judgment of expulsion or suspension.

(m) No member of the Grievance Committee and no member of the trial committee shall be of kin of the Noble filing charges in the first instance, nor a witness, nor in any way interested in the controversy; and if a member of either committee shall be disqualified, it shall be the duty of the Illustrious Potentate to fill such committee or committees with disinterested Nobles.

(n) Any Noble refusing to serve upon such committee (except he be disqualified under the provisions of paragraph "m"), or excused by the Illustrious Potentate, shall be subject to discipline.

(o) In the event the Illustrious Potentate shall be disqualified, either under paragraph "m", or for good cause shall disqualify himself, the Chief Rabban shall act in his stead in the appointment of the committee herein provided.

(p) Any Noble of the Temple shall be permitted to attend the trial before the trial committee, but the deliberations of said committee upon guilt or innocence, and fixing punishment, shall be secret.

(q) The trial committee shall select one of its number as Chairman, who shall administer the oath to all witnesses who are Nobles upon their honor as Nobles of the Mystic Shrine, and all witnesses not members of the Order shall be sworn by any officer qualified to administer oaths.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month had thirty days. The small numbers (*printed in red*) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 30th day of the 1st month, Muharram, 1370, (marked 42 in red), is the 11th day of November, 1950 (also marked 42 in red).

What day in the Mohammedan year is February 7th, 1951?

Finding February 7, 1951 in the Gregorian Calendar it is found to be marked 130 in the red figures. The corresponding figure in red on the Mohammedan Calendar is found to be the 29th day of the 4th month, Rabi'ul-Akhar, 1370.

(Extracted from the Iowa Proceedings)

Noble Robert P. SMITH: Imperial Sir, in order to enact business of the Colorado Corporation, I move all the representatives of the Imperial Council of the Iowa Corporation, including all Ad Vitam representatives and Emeriti representatives be elected to membership in the Colorado Corporation for the ensuing year. (Motion seconded.)

Imperial Potentate LLOYD: All those in favor say "Aye". Contrary "No". Carried. I now recognize our Imperial Counsel for a motion.

Noble SMITH: The following resolutions to amend the By-Laws of the Colorado Corporation have been recommended by the Board of Trustees:

Resolution to amend Article V, Section 24, of the By-Laws of the Colorado Corporation.

Resolution to amend Article V, Section 24 (b) of the By-Laws of the Colorado Corporation.

I move these be referred to the Jurisprudence and Laws Committee for appropriate action.

Noble CALHOUN: Nobles, at this time I want to recognize Past Potentate Bill Coffman of Islam Temple of San Francisco.

Noble WILLIAM COFFMAN: Officers and Members of the Imperial Council, I didn't expect to be called up here, but I have been, and I have been asked to say a few words about some plans that we have that we believe will be beneficial to all of the sixteen hospital units throughout North America.

We had a very healthy condition in our vicinity as members of the National Hospital Board know. For a number of years now we have gone along on funds that we have made from our East-West Football Game, plus revenue from an endowment fund that has reached considerable proportions. In other words, we are getting along very well with the San Francisco unit because we understand that Noble Webster and others are now endeavoring to promote interest in the public through wills and bequests to be left to Hospitals throughout the nation to put them all in better shape, they asked me to present this plan to them at the meeting of the National Board a day or two ago.

In effect, this is what the plan is: The East-West Trustees that control the East-West Game and have during this last quarter century, are composed of the Officers of the Temple plus the Members of the Hospital Board of the San Francisco Unit, plus the General Chairman, and plus the Managing Director. Years ago we conceived the possibility that some calamity might happen such as when the war broke out we had to take our game to New Orleans and so forth, so over the years we set up in the East-West Trustee Funds, earmarked for no other purpose than to protect the East-West Game against any loss. We set up the sum of one hundred thousand dollars, and that money remains and will remain for that purpose. So we are in pretty good shape.

Now, this other plan is this: Probably the largest network in the United States has carried the East-West Game over its numerous stations, four hundred and fifty-two of them, for the past fifteen or eighteen years. In addition to that a large safety razor company has sponsored our Game over the years with the exception of two years ago when there was conflict, we played our Game on New Year's Day and the Rose Bowl Game was played the same day, and they showed the Rose Bowl. That worried us a great deal because some of our largest outlets like WOR New York went out completely. The same with several of the networks in certain sections of the country. Some reached the point where we felt that we absolutely must have a nation-wide broadcast of our Game in order to get the outstanding players, to get the outstanding coaches, and to let the Nobility and others throughout the land know what this was about, why the Game was played and where the money went. So, now, being comfortably situated with our own Unit, our plan is to use East-West Funds, and there will be a revised scale of prices this year that will bring in considerably more revenue, to use that Fund which will run approximately thirty-three or thirty-four thousand dollars to purchase for the East-West Football Game itself this nation-wide broadcast.

We have asked the top man from the President and Vice President down of this network just how far they will go in helping us in the way of publicity that will interest the people in the work we are doing, and they have put in writing plans that provide that some of the top men of the Shrine can make talks about the Hospitals, and even mention the fact that we would appreciate wills, bequests, and so forth, and they have advised that they will make sport announcements concerning the forthcoming Game and mention the Hospital work, Saturday after Saturday during the playing season. They cover games like Minnesota-Michigan and so forth. There are a number of additional suggestions that they have made.

So, we believe that by the use of those Funds, they now can be dedicated to the other Hospitals. We believe that the potentiality of this plan just absolutely has no limitation, because we all know what it means, any announcement to be made over a nation-wide network, the people just hurry and send in more. They can sell a dime for fifteen cents and sell a lot of it. It is just that way. But, in the right kind of words, our Imperial Potentate or some of our other good orators can make a very short speech from time to time. And then this network suggests also that after one of these people makes a speech that we then cut in and say, "We will now turn you to your local station and they will tell you all about the Hospitals in their immediate vicinity".

Briefly, in general, that is the plan, and the National Hospital Board expresses the opinion that it would be very helpful and a resolution was passed by the Board in meeting which is now in the minutes.

Galloway Calhoun has asked me to make the statement to you, so we will have the Nobles of this Membership throughout the country informed, so that if we send you announcements about this Game and ask your Recorder to run it in your December Bulletin, it will create larger audiences, thereby interest more people in our Hospitals. They felt it was well to tell you about this and ask your cooperation, so I am perfectly willing to come up here and tell you the story. I really think it is going to do a tremendous lot of good for all of our Hospitals, and we certainly can use a lot of wills and bequests. Thank you.

(Applause.)

Noble LAW: Thank you Noble Coffman. Nobles, I trust you realize and appreciate what a generous offer is being made to our Hospital movement by the East-West Football Game Committee. They are not only permitting us to have something that they could make some thirty-five or forty thousand dollars out of, but they are giving us an opportunity of doing what they have done in the past, in increasing their gifts and bequests through this medium. I know that you will join with me in thanking that Committee upon that very generous offer which has the full cooperation and support of the Hospital Board. We trust that every Temple represented here will go home and keep this in mind and help us put it over in a great big way.

(Applause.)

*Treasurer, Shriners Hospitals
for Crippled Children*

Imperial Potentate LLOYD: The next order of business is the Report of the Chairman of the Board of Trustees for Shriners Hospitals for Crippled Children, Past Potentate Galloway Calhoun, and Nobles I hope that you will give Noble Calhoun your ear because anything he has to say in the way of a Report on our Hospitals has to be important and worth hearing. Thank you.

Noble CALHOUN: Will the Members of the Hospital Board not already on the platform please come forward? Is Noble Arthur Chapman present?

REPORT OF BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Imperial Potentate and Representatives to the Imperial Council:

It is in a spirit of deep humility that I bring you the annual report of your Board of Trustees for Shriners Hospitals for Crippled Children. Throughout the years you have been privileged to hear this report given by Illustrious Noble W. Freeland Kendrick, former Chairman of this board—the one in whose heart and mind was conceived the idea of our merciful work in the interest of crippled children and who labored so diligently and effectively for so long in the establishment and carrying on of the world's greatest philanthropy. What a loss we sustained when he retired; what a debt of gratitude do the Shriners of North America owe this great and good man whom we are happy to honor as the greatest humanitarian the world has known since Jesus of Nazareth trod the hallowed shores of Galilee; and when by your grace and that of the other members of this honored board, I attempt in my feeble way to substitute for him, I realize my insufficiency, and I want you to know that I join you as you miss him today. As Chairman Emeritus of this board, he has been most generous in his good and wholesome advice and counsel to your humble servant and has permitted me to lean upon him heavily. Likewise has every other member of this board so graciously given me his unlimited support, and to all of these great men I am deeply grateful.

The complete financial condition of the hospital organization, including the assets, trust funds and expenditures, are set forth in the Auditor's Report, which is printed in the Proceedings, and all essential detailed information regarding the hospital operations can be obtained from a study of this comprehensive report.

I feel keenly, however, that a better understanding on the part of each representative with respect to every phase of the operation of our hospitals is earnestly desired, and I, therefore, crave your indulgence as I try to give you some fundamental facts and figures for your careful and thoughtful consideration.

You have every reason to take pride in your hospitals, for your merciful work therein has sanctified the Shrine in the minds and hearts of the people of North America. Your hearts swell with pride when you think of those multiplied thousands of children to whom we have ministered, but I wonder if we fully realize the magnitude of the business in which we are engaged, the vastness of its proportions, the many difficulties encountered, and the multitude of services necessary for the children under our care. We all know of the beautiful buildings, temples of mercy, scattered throughout the length and breadth of North America, bearing the emblem of our great fraternity, havens of hope for helpless crippled children. We all know that children are carried there for orthopedic surgery and to have their crippled bodies mended, and you will find that our hospitals are operated in accordance with the highest standards of orthopedic surgery. Contemplate with me, however, how much more is involved in our humanitarian service. Picture the many things necessary to be done for the children as they are transplanted from their homes into the so-called hospitals preparatory to a series of operations. While ministering to their bodies, trained nurses, schooled in psychology, minister to their little minds, trying to keep them from thinking of the pitiable condition of their bodies, and, therefore, even though on beds of affliction, many of them in casts rendering them incapable of motion, you will see these little ones with happy smiles on their faces, a sight uplifting to your spirit and thrilling to your soul.

These hospitals do not have the appearance and air of institutions but of homes, and wonderful entertainment is provided for these little ones, and school is held for them, and everything possible is done to cheer and brighten their lives while they are confined in what we are pleased to term "Our Temples of Mercy". Think also of the treatment necessary beyond orthopedic surgery; the treatment and care required during convalescence and the "in and out" treatment required before the children can finally take their places in positions of usefulness.

Gleaning from information given us by our faithful, efficient and most valuable Administrator, Mrs. Gertrude R. Folendorf, and from our Advisory Board of Orthopedic Surgeons, appointed to advise us, we find that the administration of our hospitals becomes more complex yearly. Personnel problems require a great deal of time. The vast amount of increased clerical work in connection with Federal, State, County and Municipal Government is sometimes appalling. There is a great shortage of competent, ethical, well trained personnel. Particularly is this true in nursing and technical workers. Years ago a nurse could take x-rays, do laboratory work and give anesthetics, but this is no longer permissible. Registered technicians must be employed to meet qualifications for hospital approval. In our small hospitals this means part time workers in some instances, which is an expensive proposition. In addition every one of our hospitals should have well trained technicians in physical therapy, occupational therapy and recreational therapy. As time goes on we may need housekeepers and purchasing agents, as the Directors will be so involved in details they can no longer carry the heavy schedule. To better protect our patients our Advisory Board of Orthopedic Surgeons has just advised us that we must employ an assistant suregon, a pediatrician,

at least a consultant dietitian and consultant specialists, if needed, in each of our hospitals, which suggestion has been adopted and will be followed by our board.

Standards must be kept high for the child's welfare; to meet requirements of licensing boards and hospital approval agencies; so that our hospitals may be included among the fine hospitals in the country carrying an approved educational program.

Modern equipment should replace obsolete equipment. Fixed equipment, described as a plant asset, according to the "Hand Book on Accounting, Statistics and Business Office Procedures for Hospitals", varies in its estimated life annual depreciation from ten years to twenty years. Movable equipment varies from five years to twenty years. Therefore, it is apparent that in many of our hospitals we can anticipate increased expense due to replacements. These replacements will cost double, if not more than double, the price of the original equipment.

Throughout the last fiscal year you have been ministering to approximately 875 bed patients per day, in addition to those in convalescent homes and many "out" patients, at an average cost of nearly \$7.00 per patient per day, and by comparison, nowhere can such hospitalization of such high standard be had at that figure. In this connection, I hold in my hand a report from the American Hospital Association, released on June 7, 1950, following a survey of over 6,000 hospitals in the United States, stating that "it cost general hospitals an average of \$14.33 to take care of a patient for one day during 1949. This figure is up from the \$13.09 it cost in 1948 and \$11.09 in 1947". The care and treatment of our children totals approximately \$2,350,000 for the year, and this does not include certain general expenses, as well as certain rehabilitation and additions to our properties. We might here interpolate that we have a waiting list of 804, with 550 waiting to be re-admitted.

The cost of operating the hospitals today is 2.4 times as much as it was 10 years ago, and this increase results for reasons above set forth and from economic conditions brought about by war, increased salaries, and costs of everything. *Please remember that your \$2.00 assessment paid in 1922 has less than half of its original purchasing power today.*

To meet this expense of operation of approximately \$2,350,000 the following income was available:

From the \$2 Per Capita Assessment—Approximately \$1,000,000
 From Interest on Life Membership Fund—Approximately \$200,000
 From Interest derived from our other Endowment Funds—
 Approximately \$650,000

Thus we see that after using the interest from all Endowment Funds, including the Ladder of Smiles Fund, in order to meet the required expenditures for the maintenance and operating costs of all the hospitals, it was necessary to obtain contributions aggregating \$500,000 through the efforts of loyal Local Boards of Governors and others interested in the hospital program, or else invade the principal of the General Endowment Fund for maintenance purposes. This year due to the completion of new hospitals at Winnipeg and Salt Lake City with increased number of beds therein, replacements at Lexington, and putting in effect requirements made by our Advisory Board of Orthopedic Surgeons, an additional \$500,000 will be needed.

Thanks to all concerned, we have been fortunate in obtaining sufficient contributions and income from football games and other money raising projects to meet the required difference between our income from per capita assessment and interest income and our required expenditures. In this was included the Diamond Jubilee Offering, which amounted to approximately \$215,000.

After thus paying all expenses of operation and maintenance for the last fiscal year, I am glad to point out that the assets of our corporation now amount to approximately \$43,000,000, an increase of something over \$5,000,000 during the fiscal year. This includes our physical properties, other real estate and our Endowment Funds of approximately \$31,000,000 (considering the Ladder of Smiles Fund of \$9,000,000 as a part thereof) as compared to Endowment Funds of approximately \$6,362,000 as of February 28, 1941. And here may I pay tribute to W. Freeland Kendrick, John D. McGilvray and Arthur Chapman, who with their co-workers on the Board of Trustees in the early '30s determined to create an Endowment Fund and resolved not to invade same, if humanly possible not to do so, and they and the other stalwarts, including our beloved Imperial Potentates and Imperial Officers, who have joined them on the board, through the years, have struggled to operate the hospitals without invading the same. All honor to the foresight and sound business judgment of these great men in creating and establishing and maintaining the Endowment Funds and Permanent Contributing Membership Funds, without which we would be in a difficult situation today in carrying on our great philanthropy.

It must be borne in mind, however, that a great part of the money in our Endowment Funds is *restricted* so that the principal thereof cannot be used; the principal of the Ladder of Smiles Fund cannot be used; and much of our General Endowment Fund is likewise limited for special purposes and often times for specified hospitals. The principal of such funds constitute a Trust Fund, which never under any circumstances should be impaired.

During the year we have dedicated a new 40 bed unit at Winnipeg. On Monday of this week we laid the corner stone of the new 60 bed unit in Los Angeles, and in September we will dedicate the new 50 bed unit in Salt Lake City, all modern and up-to-date in every particular, in keeping with the highest standards of the American Hospital Association. In this connection, our hospital at Winnipeg was imperiled by the terrible flood there, but through a merciful providence, so far as we now know, we did not suffer property damage of any serious nature. As a precautionary measure our children were timely evacuated to Regina. We would like to take this opportunity of thanking Arthur Chapman and other members of the Winnipeg Board, our Surgeons, Nurses, and Nobility in general for their heroic efforts and the fine way in which they handled the situation.

With the exception of these new structures, all of our buildings are now over twenty-five years of age. Some have been maintained in better condition than others, but all need to observe a constant program of repair and maintenance. In the case of our Lexington Unit, complete rehabilitation is necessary, and renovation plans are now in progress.

For the continued support, maintenance and rehabilitation of our hospitals, and in the hope of increasing our Endowment Funds, your Board of Trustees offers the following program:

a. A campaign for bequests and endowments under the direction of Noble Clyde I. Webster, Past Imperial Potentate of Detroit, Michigan, in which it is contemplated to have a representative in every Temple whose duty it is to encourage gifts and bequests to Shriners Hospitals for Crippled Children.

b. A campaign of publicity under the direction of Noble Henry A. Pierce, Past Potentate of El Katif Temple, Spokane, Washington, with a representative in each Temple, publicizing our hospitals with the hope of interesting the people generally in the work being done in our "Houses of Magic".

c. A revival of the campaign for the sale of Permanent Memberships, under which we desire a representative in each Temple.

d. Stimulating football games as a means of raising money for our hospitals.

We would that we had time to pay just tribute to the sponsors of the East-West game, which blazed the way in this field, raising hundreds of thousands of dollars and giving such marvelous publicity to our hospital program; to the sponsors of the Shrine Bowl game between High School Stars of North and South Carolina; to the sponsors of the Oyster Bowl game at Norfolk; the North-South game at Miami; the game at Roanoke; Tampa; and to the other games scattered throughout the country. It is our hope that other games will be inaugurated, each 100% for our hospitals, for the general public is looking with great favor on Shrine Bowl games.

We appreciate that we have received some financial help from Shrine Circuses, but we regret that in many instances where Shrine Circuses are sponsored by Temples, no part of the proceeds go to our hospitals. We do not like to complain, but it is difficult to disassociate the word "Shrine" from "Crippled Children", and regardless of the fact that the name, Shriners Hospitals, may not be used in advertising Shrine Circuses, still many people think that by the purchase of tickets to a Shrine Circus, they are aiding our hospitals.

We respectfully call the attention of you honored Representatives to Section 233 of the Code, which provides in substance that: "no Temple can solicit funds or accept real estate or money for purposes connected with the building or to be used in connection with hospitals or similar projects without first obtaining permission of the Imperial Potentate"; and we trust that this law will be complied with by the Temples, not only in letter but in spirit as well. This provision was enacted through the wisdom of your Imperial Divan some years ago because interest in a local project detracts from interest in our great international philanthropy, to which every Shriner is committed, and we need the help, aid and assistance of every Shriner in North America in a concentrated effort to properly carry on the work already on the trestle board before us. We earnestly ask the cooperation of every Temple that even the spirit of the above mentioned article is not transgressed.

A concerted organized effort in the interest of Crippled Children was originated and pioneered by the Shrine. By your good work, you have made America crippled-children minded, and now other groups (National, State and Local) are engaged in a like or similar undertaking. In these are included the March of Dimes, State Societies, Easter Seal, and Local Hospital projects.

Because the words "Shrine" and "Crippled Children" are synonymous, active participation of Shriners in such projects confuses the Public, and in buying seals and otherwise contributing, many think Shriners Hospitals receive a part of the proceeds.

While we want to be helpful in all good movements, think what a difference it would make if Shriners would concentrate on our own National Philanthropy.

In conclusion, may I thank each of my co-laborers of your Hospital Board, these men whose hearts are attuned with love and sympathy, who so unselfishly give of their time and talents to the direction of the affairs of your hospitals, some of the great business men of America, whose services could not be bought, and with these I include our beloved Past Imperial Potentates, who have served on this board, and the Officers of our board, including our beloved Treasurer, Secretary and Attorney, all of whom are of inestimable value to us. We are greatly indebted to our Building Committee, composed of Nobles Thomas C. Law, John D. McGilvray and Walter G. Seeger. I would especially mention that during his travels as Imperial Potentate, our beloved Harold Lloyd has visited many of our hospitals to the delight of our children, a service most worthwhile, for which we extend to him our sincere thanks. We are deeply indebted to Mrs. Gertrude R. Folendorf, Administrator, Shriners Hospitals for Crippled Children, for outstanding services, and my personal thanks go to her for the tremendous help she has been to me by way of advice and counsel on administrative and technical matters.

We are also most fortunate in having the services of an Advisory Board of Orthopedic Surgeons, international leaders in the field of Orthopedic Surgery, who have given so cheerfully of their advice and counsel, and to each of them we are thankful. Then, let me thank the members of the Local Boards of Governors, who labor so long and so diligently and so unselfishly in the interest of their respective units. Finally, may I thank every member of this Imperial Council and every wearer of the Red Fez who has cooperated toward the ongoing of our hospital movement. My dear Nobles, let's join hands and work as never before in order that our world's greatest philanthropy may grow and prosper and that we may render greater services as the years come and go. In this cause, dear to our hearts, you are building not for time but for eternity, and you are following the teachings of him who said 2000 years ago, "For inasmuch as you have done it unto the least of these, you have done it unto me."

Respectfully submitted,

GALLOWAY CALHOUN,
Chairman, Board of Trustees,
Shriners Hospitals for Crippled Children.

Noble SAUNDERS: Imperial Sir, I move the Report be adopted. (Motion seconded.)

Noble LAW: It has been moved and seconded that this splendid Report be accepted. All those in favor say "aye". Contrary "no". Carried. Noble Calhoun, will you please come to the Chair. Representatives, at this time I would like to ask for a rising vote of appreciation and thanks for the splendid work the Chairman of our Hospitals has done for the Shriners Hospitals. He is truly one of the world's greatest.

(Applause.)

Imperial Potentate LLOYD: The Chair recognizes First Ceremonial Master Walter Guy, Scimitar Temple, Little Rock, Arkansas.

Noble GUY: Imperial Sir, Members of the Divan, and Representatives: Certainly no one could listen to such a Report as has just been given to us without being vitally impressed and touched, and I think it quite appropriate at this particular time to recite an incident that has come to our attention in such a way, and the present way, that I thought you too would be pleased with this information. Back in 1903 a 32nd Degree Mason by the name of George Adams saw fit to cast his lot with the wearers of the Red Fez and join Sahara Temple of Pine Bluff, Arkansas. Since that time he too has caught the spirit of men such as Galloway Calhoun to devote their time to this, and has through his Temple contributed the magnificent sum of one hundred and thirty-five thousand dollars.

(Applause.)

This past year while our Imperial Sir, Harold Lloyd, was in our Oasis, the same George Adams presented an additional check for twenty-five thousand dollars payable directly to the Shreveport Unit of our Hospitals. At the same time he informed us that he has taken out a policy for thirty thousand dollars made payable to the Shreveport Unit of our Hospitals, he paying the premiums thereon. That makes a total of one hundred and ninety thousand dollars the one man has contributed. He today is seventy-eight years old and he intended to be with us at this Session but unfortunately his doctor said no.

Now, Imperial Sir, I would like the privilege of asking Potentate R. B. Watson of Sahara Temple to come forward. He has another little piece of paper in which I think you might be interested.

Imperial Potentate LLOYD: I recognize Bob Watson.

Noble WATSON: Imperial Sir, we of Sahara Temple of course are obviously proud of George Adams, and his generosity has truly been an inspiration to us, and this little check in the amount of twenty-five thousand dollars, I hope will be an inspiration to some other Noble to do as Noble Adams told me, that it was more pleasure to give than receive.

(Applause.)

Noble CALHOUN: I want to thank you, Sir. We want you to take back our sincerest thanks, the sincerest thanks of each and every Noble here to Brother Adams for his wonderful generosity toward our great philanthropy. You folks down there have done a great thing. I am going to call you back, we are going to need you here in a minute. The Chair recognizes Noble Louis Chackes.

Noble CHACKES: Imperial Sir, and Members of this Imperial Council: We sit here and we listen, we listened to a Report just now that not alone in its magnitude and magnificence stirred our hearts, but it goes way deeper. It brings to the minds of many of us a consciousness of the labor of love that is put forth by so many people in the interests of a philanthropy and work that we love. We sit and we hear reports. That means that fine outstanding gentlemen of the calibre of quality and love have worked through a whole year to do the job before us, and in sixteen Units men of quality and stability and stature work and operate those Units for us, and we sit on the sidelines, we applaud, but we should pay tribute to those, the Members of the Imperial Divan that sit on these Boards, and they may sit silently most of the time on the stage, but throughout the year they have many problems that come before them and they handle them adequately and with judgment.

The Committee on Jurisprudence and Laws throughout the whole year is pestered by folks who just want to know something and they either give them an answer or sometimes very nicely give them the once over lightly, figuring, "Well, that will handle it". All of it takes diplomacy and takes work, and I pay tribute to those who have worked for us and do it so laboriously.

If at times there is a division of opinion between an individual and another, that is the natural thing, and it makes for life, but it doesn't divide a group against another. It just means that we are all working together, and occasionally just have a little fun saying yes or no, and the louder voice generally wins.

My point in coming up here is to represent another fine philanthropist. We all know that Ed Schultz who is the Ambassador at Large for our Shriners Hospitals, has from his own funds purchased one thousand contributing memberships to our Shriners Hospitals for Crippled Children.

(Applause.)

The value of his Memberships and work is far more above the amount that he gives because he has through challenge to Temples encouraged them to buy more Life Memberships and to obtain greater out and out contributions for our Hospitals. I now represent Kathryn Schultz the sweet wife of a very wonderful fellow. May I ask Hubert Poteat to come here for a moment. This morning the Temples from North Carolina provided Hubert with some mileage so that he could go out on the highways and have lots of fun for the good of Shrinedom. Through Kathryn Schultz I present to you a check for twelve hundred dollars which will create a lot of smileage on the face of crippled boys and girls who will be cured through part of this money. This check goes to the Crippled Children's Fund of your Temple at Sudan, and it is to purchase through you with Kathryn's money Life Memberships in the Hospitals in the names of all of the thirteen Members of the Imperial Divan in the name of yourself and your wife, in the name of Harold Lloyd and his wife, in the name of Galloway Calhoun and his wife, and there is someone else—let it be the one I can't think of now, and everyone will think it is him—but there are twenty of them, and this check goes to you Hubert, as a testament of the confidence and hope of Schultzes that you will carry out, as we know you will, for Shrinedom and the Hospital.

Imperial Potentate Elect POTEAT: Thank you, Louie.

(Applause.)

I wish Kathryn Schultz could be here. There are times when the presence of women would improve the proceedings in this Body, I think. To her and to her husband who has given of that time and energy, of their means, and above all of their love, and that is the principal thing, our best thanks.

(Applause.)

Imperial Potentate LLOYD: I also would like to express the thanks from all the Nobility, our heartfelt thanks for the wonderful generosity of Noble George A. Adams and also Ed Schultz our Ambassador at Large. I know the only reward these Nobles wish is for the movement to go forward. Will you take it?

Noble CALHOUN: Thank you, Imperial Sir. I want to put in a note of thanks to Noble Ed Schultz. He travelled around, and I know these others that have served you, and we have gone into a Temple, and we find Noble Schultz had been ahead of us and bought a round on the ladder of little crippled smiles for my wife and for me. I am sure others could testify to the same thing. We are deeply indebted to him for his interest.

I wonder if the Representatives from Sahara Temple will come to the platform. At the same time I would like to have the Representatives of Sphinx Temple of Hartford, Connecticut, to please come to the platform. You are all familiar with the fact that some years ago Sphinx Temple of Hartford Connecticut offered a cup known as the Sphinx Trophy to the Temple selling the greatest number of rounds on the ladder of crippled children's smiles, on a comparative basis. For the third year Sahara Temple has been the winner in that campaign. The cup is now in the Shrine Room at

Alexandria, Virginia, and now since they have won it for the third time, under the rules of the contest their names shall be inscribed on the Cup as the winners of the Sphinx Trophy. I first want to give you the Potentate, my good friend, John Jepson of Sphinx Temple, Hartford, Connecticut over here, who is the generous donor for his Temple. Over here, the Representatives of Sahara who have won the contest and are now the recipients of this Sphinx Trophy. Let's give them a great big hand for their generosity and fine work.

(Applause.)

Noble CALHOUN: Now, I want to introduce at this time one of the greatest of them all, one that has been on the Board of Trustees of the Shriners Hospitals for Crippled Children from its very beginning, the Representative of our neighbors across the imaginary line that separates our United States and the great Dominion of Canada, Noble Arthur Chapman.

(Applause.)

Noble CHAPMAN: Imperial Potentate and Chairman of the Board of Hospitals, I wish to report on the Winnipeg Hospital which you have heard a great deal about, and the water which has gone under the hill and now has been trained to run properly. Will the following Potentates please come up. I have to present to you today the Committee of four western provinces of Canada's Potentates to whom is credited the building of the Winnipeg Children's Hospital, which at this time we have proposed to the Imperial Council. Potentate R. F. Reifel of Gizeh Temple, Vancouver, B.C.; Potentate W. H. Harper of Al Azhar Temple, Calgary; Potentate Frank Williamson of Wa Wa Temple, Regina; and also Noble Judge C. B. Philp, Past Potentate of Khartum Temple, and Potentate Fred W. Parrish of Khartum Temple, Winnipeg. These Nobles, particularly the ones in Winnipeg, are those who worked so hard to save us from any considerable damage in the Hospital at the time that we were flooded by the overflow of the Red River, and to them we owe a debt of gratitude as also to Nobles William J. Dowler and H. Steinhorsen, two men who helped very materially and were unable through illness to come to this meeting.

I now turn you over to Illustrious Noble Parrish, the Potentate of Khartum Temple, Winnipeg.

(Applause.)

Noble PARRISH: Illustrious Chairman Calhoun, we come here today with joy in our hearts as emissaries of four Western Canadian Temples to present you with a new and resplendent jewel for the crown of our beloved Shrine.

This beautiful hospital was the vision and undertaking of the four Temples of Western Canada, represented on this platform today and built by them under the leadership of Khartum Temple, Winnipeg, with the encouragement and support of Rameses Temple, Toronto; Mocha Temple, London, Ontario; the Temples of the Midwest Shrine Association and over twelve thousand Canadian individuals, corporations, and organizations, who told us with their gifts, that the best hospital money could buy, built in the

loveliest section of the City of Winnipeg, was none too good for the work that the Shrine must continue to do. It has been given by the Canadian people in tribute to the long and faithful service of Arthur Chapman, Dean of Shrine Hospital Work in Canada, and as a thank offering of our people for the twenty-four years of splendid service rendered to the Crippled Children of Western Canada by the Winnipeg Mobile Unit which this new hospital replaces.

On October 1st, 1945, Khartum Temple, Winnipeg appointed William J. Dowler, Cecil B. Philp and H. Steinhorsen, a committee charged with the responsibility of finding ways and means of creating and establishing a hospital within the City of Winnipeg as a permanent Unit of the Shriners Hospitals for Crippled Children. The chairman of this committee, Illustrious Noble Judge C. B. Philp is with us today at our request to complete the task of this committee in the presentation to you of this hospital. WE, OF CANADA, ARE TAKING THIS MEANS OF TELLING YOU ALL, HOW PROUD AND HAPPY WE ARE TO BE YOUR PARTNERS IN THIS GREAT ENTERPRISE WHICH IS THE GLORY OF THE SHRINE.

(Applause.)

Noble JUDGE PHILP: It is my joyous privilege to finalize the activities of our Committee by delivering to you, Sir, as Chairman of the Board of Trustees of our Hospitals:

First, is this Title Deed, is the government deed issued by our department of our Government, and if you will turn it over, you will notice it is clear of all incumbrances and no debts.

(Applause.)

Also wish to hand to you a document which we trust may become part of the Archives of the Shrine for it contains in short form the story of the labor of love which made this gift possible.

This Hospital was on March 29th of this year dedicated by the Imperial Potentate, Harold Lloyd, to the Glory of God and to the healing of this and of future generations of Crippled Children. Its forty beds are now occupied by forty smiling little wards of the Shrine, while forty more Canadian homes are being made happy in the knowledge that all that medical science and loving care can do is being done for their loved ones and saying in their prayers, "God bless the Shrine".

(Applause.)

Noble CALHOUN: Beloved Nobles of Canada, on behalf of the Board of Directors of Shriners Hospitals for Crippled Children, and our Colorado Corporation, Shriners Hospitals for Crippled Children, I am happy to accept this deed conveying that beautiful Hospital. It has been my privilege to see it, and we want you to know that you have the thanks not only of the Board but of each and every member of this Imperial Council, and each and every Noble of the Mystic Shrine says, God Bless You.

Noble WEBSTER: There are two Members of the Board of Trustees whose terms expire at this Session. I recognize Chairman of the Board of Trustees Galloway Calhoun.

Noble CALHOUN: Imperial Sir, the terms of Past Potentate Walter G. Seeger of Osman Temple, St. Paul, Minnesota, and Past Imperial Potentate Thomas C. Law, expire at this time. I want to nominate those two splendid Nobles who have rendered faithful, efficient service, and have been so much help to me, for re-election to their places on the Board. (Motion seconded.)

Noble WEBSTER: Nobles, you have heard the motion. Are there any remarks? If not, all in favor of this motion and of these nominees being elected to the Board of Trustees for the period prescribed, manifest by saying "aye". Opposed "no". They are elected. Noble Law and Noble Seeger, do you accept? Do you Noble Seeger (yes), and Noble Law (yes)?

(Applause.)

The Chair recognizes Noble Thomas Luke of Al Kader Temple who has a resolution to offer.

Noble THOMAS C. LUKE: Imperial Sir, Imperial Divan, and Nobles:

I am very happy to be here this morning to present an idea I believe has some merit.

Yesterday morning when the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, Galloway Calhoun, presented his report, he told you that they needed a half million dollars, and more next year, to meet their budget. They are going to need more and more because they are going to get more and more kids.

Out in our State of Oregon, we have a large territory. Many years ago we felt that when we took a Noble into our arms and made him a Noble of the Mystic Shrine, he went back home to his little ranch one hundred or two hundred miles from our Temple and we didn't see him any more. We lost him. He lost interest because he couldn't attend because of the distance. We think that a chain is no stronger than its weakest link. We know in unity there is strength, so we organized Shrine Clubs way out in that remote country, cowboys, cattle men, ranchers, dairy men. Well, we found out that within a year or so just giving them a Shrine Club was just a waste of time because they didn't have any agenda; they didn't have anything to do, so as a member of the Board of Governors of our Hospital, the Illustrious Potentate of Al Kader Temple assigned me the job of finding something for the Shrine Clubs to do. I covered the entire territory, and each one was assigned a project of supplying food for the crippled kiddies. One Shrine Club gives us four tons of beef a year; another supplies all the butter; another one supplies all the eggs; another Shrine Club will grow 4,000 pounds of chicken; another one will grow turkeys, so in all this Shrine family of ours, each Shrine Club has an activity, a project. They will rent some ground in a neighborhood, maybe in the middle of it, and each one will help feed the chickens for the crippled kiddies, and bring us food. Food is a valuable thing. We have 120 meals three times a day in our hospital. We have to feed those kiddies the best because they are our guests at the time they are in our hospital.

Each year our Illustrious Potentate brings in all the Chairmen of all the Shrine units and the Rajahs, and we bring them into a stated meeting. We

dedicate the meeting to them, then we visit the hospital for a half day. Then in the afternoon we have a round table discussion of how the Shrine Club can help the Shrine; how we can grow larger; how we can grow stronger. So, sometimes out of the mouths of babes come some great ideas and some wisdom.

A young fellow got up, from Pendleton, Oregon, the home of the Round Up, the Great Round-Up in Pendleton in September. He is a cattle man, just a cowboy, probably has a few head of cattle somewhere on a large range. He said to the Illustrious Potentate, "It seems to me that you are missing the Boat. You bring us in here for ideas, but the idea is you don't have enough Shriners visit in your hospital!" We began to look around, and only about ten per cent of our Nobility has ever been into our hospital, and we have one of the nicest hospitals, and we are very proud of it. Just think, ten per cent of our Nobility is all that has been interested enough to visit our hospital, and it is open every Sunday and every day in the week.

He said, "Illustrious Potentate, if you could conceive an idea somewhere along the line to make some kind of insignia to put on the cap, that a man that would visit the hospital could wear, each one would want to get one, or something like that, because he would be ashamed of himself that he wasn't supporting and helping the crippled kiddies".

When the Imperial Sir Harold Lloyd was in Portland he inspired us as he did every Temple he visited. All through his remarks he mentioned "crutch". I don't know why Imperial Sir Harold Lloyd mentioned "crutch" so often, but it seemed to be in his mind. The "crutch" was the crippled child. He seemed to have it tied together. After the meeting, I spoke to him, and I said, "Imperial Sir, what do you think of a little crutch made small enough it wouldn't hurt the Fez, that could be placed on the Fez for a Noble who had visited the hospital, and only he who visited would get this little jewel of mercy on his Fez?" Harold said, "I think, Tommy, it is a good idea". I said, "It isn't my idea, it is the little boy in Pendleton who wants to do something for our great philanthropic idea".

So, I am here this morning, Nobles, presenting to you an idea. This will help Galloway Calhoun and this National Board who need one half million dollars more, and they are going to need a million before long, because when you get forty or fifty or sixty per cent more Nobles interested in this great work, you are going to have more people pulling on this band wagon, and they are going up hill faster than they are today. The new hospital in Los Angeles is going to need a lot of help. We needed a lot in Portland. We had that great fellow Reuben R. Adams or we wouldn't have accomplished anything. You need leadership, you need help. I think this idea of placing the crutch on the Fez of the Nobles who will take time out to visit the kiddies, say "Hello" to them, pick them up in their arms, smile at them and let them smile back, go often, get the idea into their blood, those Nobles will come back with food, come back with finances for Galloway Calhoun, who won't have a problem in three years just from a little idea from a cow puncher way out in Oregon.

I submit it to you as an idea that is worthy of development, and in order that this might come before this organization that you might intelligently discuss it, our Illustrious Potentate has already presented a resolution to your Recorder and I will read the resolution. "Section 112 (a) Hospital Emblems. Notwithstanding any restrictions hereinbefore set forth, it shall be permissible to wear upon the fez an appropriate insignia in the form of a pin with a small metal crutch attached thereto signifying that such Shriner has personally visited one of the Shriners Hospitals for Crippled Children."

I hereby move you Sir, that the resolution presented be referred to the Jurisprudence and Laws Committee, and the same returned to you for your honest, conscientious consideration, and Nobles, may I hope that you will favorably receive this idea and put it in force to help the crippled kiddies get stronger and our great Shrinedom grow. I thank you so much.

(Applause.)

Noble WEBSTER: This requires an amendment to our Code. It will be referred immediately to the Jurisprudence and Laws Committee.

Has the Jurisprudence and Laws Committee a report to make at this time?

Noble MERWYN H. BROWN: Imperial Sir and Nobles: (Reading)

To The Imperial Council:

There has been referred to the Committee on Jurisprudence and Laws the resolutions approved by the Board of Trustees, Shriners Hospitals for Crippled Children, with respect to depositories, eliminating the provision for depository bonds. They require an amendment to Article V, Section 24 of the By-Laws of the Colorado Corporation so that this Section will read as follows:

"Section 24. It shall be the duty of the Board of Trustees to approve the depositories of the hospital funds and to determine the maximum amount which may be held on deposit in each of said depositories."

We approve of the resolution and recommend the adoption of the amendment.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Noble WEBSTER: You have heard the report, and also the motion to adopt the report and to adopt the amendment as offered. All in favor manifest by saying "Aye". Opposed "No". It is so ordered. Have you another report?

Noble BROWN: Imperial Sir, and Nobles, this is a related resolution submitted to the Committee on Jurisprudence and Laws for the Board of Trustees, Shriners Hospital for Crippled Children, approved by them with respect to the investment of funds not needed for current distribution. This requires an amendment to Article V, Section 24 (b) of the By-Laws of the Colorado Corporation, and simply eliminates in that particular Section the words in the first sentence reading as follows: "In excess of \$10,000.00 and". Now, unless there is a request for it, the section is a little bit long, in the interest of time I will not read the Section. But, it simply eliminates the limitations of funds on deposit by the Treasurer of \$10,000.00, because it is utterly impossible now to operate with that small balance. The rest of

the Section remains exactly as it is now in the By-Laws of the Colorado Corporation.

Imperial Sir, I move the adoption of this report, and the adoption of the Amendment to the Colorado By-Laws.

Noble WEBSTER: Nobles, you have heard the reading of the report and the motion to adopt the report, and also the amendment. Are there any remarks? If not, all in favor manifest by saying "Aye". Opposed "No". It is so ordered.

Noble JOHNSON: Imperial Sir, Nobles: There has been referred to the Committee on Jurisprudence and Laws a Resolution presented by Noble Luke, which, if adopted would permit a Noble who has visited in the Shrine Hospitals for Crippled Children, to wear upon his Fez a pin or emblem to be issued by the Hospital to signify his first visit.

The Resolution is to amend Section 112 (a) as follows: "Section 112 (a) Hospital Emblems. Notwithstanding any restrictions hereinbefore set forth, it shall be permissible to wear upon the fez an appropriate insignia in the form of a pin with a small metal crutch attached thereto signifying that such Shriner has personally visited one of the Shriners Hospitals for Crippled Children."

I move the adoption of the Report and amendment that goes with it.

Noble WILSON: You have heard the report of the Committee on the proposed change in Section 112 of the Code. Is there anything to be said on the question. If not, it has been moved and seconded. All those in favor say "Aye". Did you want to make some remarks?

Noble WILLIAM H. HARPER of Al Azhar: I wanted to speak on that motion. Illustrious Sir, and Members, Representatives of the Imperial Council:

The granting of this privilege to members who have visited the hospital unit will bar many of our Nobles in Canada. We in Calgary support a hospital, which we have the privilege along with Khartum Temple of handing over to the Imperial Council yesterday, which is 850 miles from us, and just about a month ago one of our Shrine Clubs had a Sunday morning breakfast and I had the privilege of taking back from that small group representing a city of 16,000 people twenty-two contributing memberships, and I would suggest that the privilege of wearing a pin be granted to each contributing member in place of a member who has visited our Shrine hospitals.

(Applause.)

Noble WILSON: That is in the form of an amendment, and I am informed that amendment should be referred to the Jurisprudence and Laws Committee. Would the Noble from Calgary let us have a copy of the proposed amendment to the change to Section 112 of the Code.

Noble WEBSTER: Another report from the Jurisprudence and Laws Committee.

Noble JOHNSON: Imperial Sir and Nobles: The amendment just presented by Noble Harper has been considered by the Jurisprudence and Laws

Committee, and it is perfectly willing to accept that amendment so that the last sentence of Section 112 which it proposes to amend would read as follows: "It shall be permissible to wear upon the fez an appropriate insignia in the form of a pin with a small metal crutch attached thereto, and obtainable by a visit to one of the Shriners Hospitals for Crippled Children, or by becoming a permanent contributing member. Mr. Chairman, I move the adoption of the report as amended.

A NOBLE: You should change the wording to, "and a permanent contributing member".

Noble WEBSTER: He says they will accept that "and". Are there any remarks? All in favor of the amended report—

A NOBLE: What is the amendment?

Noble WEBSTER: Will you read it again? Perhaps we had better have it read again now, with that word "and" in there also. This is the amended report. Now, listen Nobles.

Noble JOHNSON: Nobles, the report as amended will add one sentence to Section 112 of the Iowa Code, and this sentence would now read as follows as the amendment has been presented: "It shall be permissible to wear upon the fez an appropriate insignia in the form of a pin with a small metal crutch attached thereto obtainable by a visit to one of the Shriners Hospitals for Crippled Children, and by becoming a permanent contributing member."

A NOBLE: No.

Noble COGAN: Imperial Sir, and Nobles: I am from Albany, New York. I have heard the Noble from Calgary, and I think I appreciate the objection to the original motion. If this motion is passed as read the motion would still be objectionable to him, I presume. I think if we have got to have a crutch, we should have the emblem on either one thing or the other. In my opinion a person who has a permanent contributing membership should certainly be entitled to recognition, and I would think that the motion should read that the emblem should be used and available to those of the Nobility who hold a permanent contributing membership, and I so move.

Noble WEBSTER: I am informed now by the Jurisprudence and Laws Committee that that word "and" should be "or". In order there be no confusion, I will ask that Noble Kelly read this again with the word "or".

A NOBLE: No.

Noble KELLY: Nobles, the difference between those two words simply provides that it will be obtainable by a visit to one of the Hospitals for Crippled Children, or by becoming a permanent contributor.

A NOBLE: No.

Noble WEBSTER: All in favor of the report—now we are going to vote on the proposition of adopting this report of the Jurisprudence and Laws Committee as amended.

Noble NICHOLSON (Cyprus): He is intending this should be retroactive to those who have bought contributing memberships?

Noble WEBSTER: Why, sure, I suppose so. I haven't conferred with anybody, but I hold it is retroactive. All in favor manifest by saying "Aye". Opposed "No". The motion is lost.

Noble LUKE: Imperial Sir and Nobles: May I come back to the original thought back of this little thing, that we want men to visit the hospitals, we want more enthusiasm, we want more workers. Let's get back to the original thought of this thing here. I move you, Sir, the Jurisprudence and Laws Committee will come up and read the original resolution.

A NOBLE: No.

Noble WEBSTER: Just a moment. I declare your remarks out of order.

Noble ROBERT P. SMITH: It is now necessary to organize the Colorado Corporation. The five members of the Imperial Divan which sit on the Hospital Board have to be elected, so I move that the following persons, Imperial Potentate Hubert M. Poteat, Deputy Imperial Potentate Roland D. Baldwin, Chief Rabban Robert Gardiner Wilson, Jr., Imperial Treasurer Leonard P. Steuart, Junior Past Imperial Potentate Harold Lloyd, be nominated to serve one year on the Board of Trustees for Shriners Hospitals for Crippled Children, and the rules be suspended, and the election be made unanimous. (Motion seconded.)

Noble WILSON: You have heard the motion as made and seconded. All those in favor say "Aye". Opposed "No". It is a unanimous vote.

Noble ROBERT P. SMITH: It is now necessary to elect the directors of the Colorado Corporation. I move that the following persons be made directors of the Colorado Corporation: Imperial Potentate Hubert M. Poteat, President, Galloway Calhoun, Deputy Imperial Potentate Roland D. Baldwin, Imperial Chief Rabban Robert Gardiner Wilson, Jr., Imperial Assistant Rabban Harvey A. Beffa, Imperial High Priest and Prophet Remmie L. Arnold, Imperial Oriental Guide Frank S. Land, Imperial Treasurer Leonard P. Steuart, Imperial Recorder George M. Saunders, Imperial First Ceremonial Master Walter C. Guy, Imperial Second Ceremonial Master Gerald D. Crary, Imperial Marshal Thomas W. Melham, Imperial Captain of the Guard George E. Stringfellow, and Imperial Outer Guard Clayton Andrews. I move the rules be suspended and the election be made unanimous. (Motion seconded.)

Noble WILSON: You have heard the motion which has been seconded. If there are no remarks, all those in favor say "Aye". Opposed "No". It is a unanimous vote.

Noble ROBERT P. SMITH: Imperial Sir and Nobles, it is now necessary to have the officers for the Colorado Corporation for the ensuing year for these positions. I nominate the following persons: Chairman of the Board Hubert M. Poteat, President Galloway Calhoun, Vice President Roland D. Baldwin, Second Vice President Robert Gardiner Wilson, Jr., Treasurer Leonard P. Steuart, Secretary George M. Saunders, Assistant Secretary Harvey A. Beffa. I move these men be elected as officers of the Colorado

Corporation, and that the rules be suspended, and election be made unanimous. (Motion seconded.)

Noble WILSON: The motion is made and seconded. Any remarks? Those in favor say "Aye". Opposed "No". It is a unanimous vote.

Noble ROBERT P. SMITH: Now, I move, Sir, that all acts and transactions of the officers, directors, and Trustees of the Colorado Corporation be, and the same are hereby ratified and approved. (Motion seconded.)

Noble WILSON: The motion is made and seconded. If there are no remarks, all those in favor say "Aye". Opposed "No". A unanimous vote.

Shriners Hospitals for Crippled Children is a non-stock, non-profit corporation chartered under the laws of the State of Colorado. Prior to August 8, 1944, the corporate name of this corporation was The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.

Shriners Hospitals for Crippled Children, the Colorado Corporation, operates orthopedic hospitals in the United States, Canada, the Territory of Hawaii, and Mexico City, D. F. There is also a Massachusetts Corporation incorporated under the name of the Shriners Hospitals for Crippled Children, a Georgia Corporation, incorporated as Shriners Hospitals for Crippled Children, a Canadian Corporation, incorporated as Shriners Hospitals for Crippled Children and a Mexican Corporation, Shriners Hospitals for Crippled Children, S. A. The accounts herewith presented are a consolidation of the activities of these several corporations, all of which are controlled by directors chosen through the Colorado Corporation.

The accounts of the Honolulu Unit reported on and included in the accompanying statements were not audited due to the remote location of this unit and lack of available time to visit it. Accounts pertaining to that unit are stated as reported by its Board of Governors and by Corporate Trustees having control of its endowment funds. Funds in total amount of \$26,362.50 were disbursed to the Shriners Hospital for Crippled Children, S. A., Mexico City, D. F. for operation and maintenance of that unit. As in prior years this amount is shown as a disbursement of the Board of Trustees although it is contemplated that eventually reports will be made by that unit on a basis comparable with other units so as to permit the inclusion of their operating expenses, et cetera, in the proper schedules and exhibits. We did not audit the accounts of the Shriners Hospital for Crippled Children, S. A. of Mexico.

No adjustment has been made anywhere in this report with respect to any difference in exchange between Canadian and United States currency. Canadian currency and securities are stated in dollars on the same basis as United States cash and securities. It is deemed that no adjustment is necessary since experience over a long period of years has demonstrated that while it is usually necessary to transfer United States funds to Canada, there has

never been an occasion when Canadian funds were transferred to the United States. Remittances from Canadian Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine are deposited intact in Canadian banks to be used as operating expenses for the Canadian Hospitals.

The system of orthopedic hospitals operated as Shriners Hospitals for Crippled Children was founded and established by The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, now an Iowa Corporation. The Secretary and Treasurer are respectively, Imperial Recorder and Imperial Treasurer of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

A detailed audit was made of the cash receipts and disbursements of the Secretary and Treasurer, as also of all recorded receipts and disbursements of all funds of all hospitals, with the exception, as hereinbefore explained, of the Honolulu and Mexico City Units.

The accounts of the Treasurer were verified in detail at his office. There has been prepared and submitted as Schedule "1" attached hereto a statement of cash receipts and disbursements of the Secretary and Treasurer, Shriners Hospitals for Crippled Children. All cash accounts of the Treasurer were reconciled with certificates of balances obtained direct from the depository banks. Surety bonds in the aggregate of \$150,000.00 were in force February 28, 1950 as protection against bank failure of those funds in the Hamilton National Bank, Washington, D. C. The fidelity bond covering the Treasurer also covers his activities as Imperial Treasurer of the Ancient Arabic Order of the Nobles of the Mystic Shrine. The amount of coverage provided in this bond is \$1,000,000.00; the Secretary is covered to the extent of \$200,000.00.

Reference is made to Schedule "1" for location and distribution of funds, both cash and securities, held by the Treasurer and for description of securities. The securities were inspected by us at the safe deposit vaults of the Hamilton National Bank, Washington, D. C.

Items included under the caption "Hospital Units' and Secretary's Cash" were verified in the usual manner by reconciliation with certificates obtained direct from depository banks and by actual count of petty cash funds. The location and amounts of these funds may be found in the Detailed Balance Sheet presented in Appendix "I".

The amount shown as Assessments Uncollected appears in Schedule "3". It represents the unpaid portion as of February 28, 1950 of assessments

levied against subordinate Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine. Such assessments are levied on the basis of membership in each Temple as of December 31 in each year but are payable in installments during the succeeding year. Of the amounts appearing in Schedule "3" the amount due from Rameses Temple, \$2,888.00, is the only amount past due.

Accounts Receivable, General Fund, are shown in detail on Schedule "4". They consist of expense or other advances to be repaid from legacies when collected, amounts representing income collected on endowment funds but not yet remitted at February 28, 1950 by Trustee banks and Trust Companies, and advance payments on Hospital employees' contributions to Pension Plan.

HOSPITAL UNITS' CURRENT FUNDS—\$1,311,505.77. These funds have accumulated from receipts by local Boards of Governors of income from local endowment funds, contributions, et cetera, in excess of expenditures therefrom. While the location and amounts of funds of this nature appear in Schedule "2", the distribution is here repeated for convenient reference:

Philadelphia	\$ 57,593.99
St. Louis	126,762.76
San Francisco	251,292.94
Portland	56,853.17
Twin Cities	102,066.43
Montreal	32,451.10
Springfield	116,153.58
Chicago	240,968.41
Shreveport	13,025.28
Greenville	19,340.30
Honolulu	5,130.41
Spokane	236,523.56
Intermountain	37,602.06
Winnipeg	610.04
Lexington	15,131.74
Total	<u>\$1,311,505.77</u>

It should be understood that these funds are restricted to use by the individual Units as shown above; in other words, since these funds were contributed for the exclusive use of such Units, it is not possible to transfer funds of this nature from one Unit to another. Where such funds have been wholly or partly invested in securities, the securities were inspected or otherwise properly accounted for; income from such securities was also accounted for and traced to current fund receipts. Bank balances were confirmed by direct correspondence with depository banks.

HOSPITAL UNITS' RESTRICTED FUNDS—\$547,848.54. The location and respective amounts at each location of such funds may be found in Schedule "2". It was observed that by far the larger portion of such funds, which

represents sums earmarked for expenditure for specific purposes specified by donors, were designated for buildings and equipment. All items included in this category at February 28, 1950 were verified in the usual manner by correspondence with banks or personal inspection of securities.

BOARD OF TRUSTEES' GENERAL FUND LIABILITIES—\$1,015,054.42. The principal item appearing under this caption is assessments accrued in advance in the amount of \$1,005,074.00. This sum represents the net amount of annual assessments levied by the Imperial Council, Ancient Arabic Order of the Nobles of the Mystic Shrine, against its subordinate Temples for the support and maintenance of the Shriners Hospitals for Crippled Children, as of December 31, 1949, and is available for use of the Hospitals during the fiscal year commencing March 1, 1950. The other item appearing under this caption, \$9,980.42, consists of bequests and other funds received by the Treasurer for distribution to local Units, not yet transmitted at February 28, 1950, amounting to \$3,058.25, amount due to the Imperial Council for office equipment, \$3,860.28, and other minor amounts representing withholding and local earnings tax, insurance, et cetera, totaling \$3,061.89.

PLANT FUNDS ASSETS—\$8,029,061.10. Details of Hospital Plant accounts are set forth in Schedule "5". Additions to these accounts were scrutinized and appear to be properly classified.

GENERAL ENDOWMENT FUNDS ASSETS (PRINCIPAL AND INCOME AVAILABLE)—\$16,828,815.52. General Endowment Funds Assets which increased during the year in the amount of \$3,034,215.59 consisted of cash in the amount of \$364,529.27, real estate, \$516,455.47, and securities, \$15,947,830.78. Details of the location of these items may be found in Schedule "2". Further details with respect to the allocation of securities to various funds and classification of securities by types of investments are presented in Appendix "II". Detailed lists giving description of individual securities will be presented in a separate report. All cash and securities included in General Endowment Funds Assets are in custody of Corporate Trustees (with the exception of cash in the amount of \$5,000.00 and securities totaling \$559,500.00 received from the Margaret E. Harriman Estate which are in custody of the Treasurer) with whom the cash was accounted for by reconciliation with other funds, and by inspection of the securities in his custody. Cash and securities in the hands of Corporate Trustees are stated in accordance with certificates obtained by us directly from such trustees. It should be observed that General Endowment Funds are classified as "Principal and Income Available" while Permanent Endowment Funds are classified as "Income Only Available". It has been the general policy of the Board of Trustees, Shriners Hospitals for Crippled Children to require the deposit of all bequests in the General Endowment Funds and such funds have also been augmented from time to time by contributions, transfers from current funds, et cetera. Where bequests or other receipts restricted by testators or donors so that only the income therefrom is available such items have been classified as "Permanent Endowment Funds" with further subclassification, if necessary, where use of income is restricted to specific purposes. The General

The necessity for raising funds locally brought about by this change in policy on the part of the Board of Trustees resulted in efforts on the part of many of the local governing Boards to secure increased gifts and endowments. Such funds, when received were in general restricted to the use of the particular Unit which received them; in certain instances, further restrictions were imposed as to the purpose for which funds should be expended.

Because of these restrictions as to location and purpose, a consolidated statement of income and expenditures from all sources and for all purposes is no longer truly informative without a breakdown by funds. Accordingly, the income and expenditures statement, Exhibit "B", has been so displayed, separating income and expenditures of the Board of Trustees, local Unit governing Boards and restricted funds.

Total income of the Board of Trustees for the year ended February 28, 1950 was \$1,614,165.37; total expenditures were \$1,485,406.83, or an excess of income over disbursements in the amount of \$128,758.54. Included as a disbursement is an amount of \$26,915.85 paid by the Board of Trustees during the year as their contribution to the Employees' Retirement Plan, which became effective as of September 1, 1949. Of this amount, \$16,000.00 represents payment for prior years' service of employee participants. The San Francisco Unit had already established an individual retirement plan for employees of that Unit, the expense of which has been borne by the local Board of Governors. The Board of Trustees has elected to treat this expenditure as being of an administrative nature rather than as a Hospital operating expense; the accounts of the San Francisco Unit for this and prior years have therefore been correspondingly adjusted. Income received was \$342,552.08 in excess of that for the preceding year. Expenditures increased \$104,315.92. Income from assessments increased \$59,668.00. Income from the Life Membership Fund increased \$17,733.81 to a total of \$201,160.85. The total number of living permanent contributing members whose contributions have relieved them from the \$2.00 annual assessments was 96,809 at December 31, 1949, the date of the most recent annual assessment. It may be interesting to note that the income from the Life Membership Fund in the amount of \$201,160.85 is in excess of the assessment which would have been received from the members by \$7,542.85. Income from the endowment funds of the Board of Trustees was \$46,267.12, an increase of \$12,168.43, as compared with the preceding year. Of this increase \$9,071.39 represents income from endowment of the Margaret E. Harriman Estate which estate was acquired during the current year. Contributions received by the Board of Trustees increased \$19,698.04 over the preceding year. Under the direction of Illustrious Noble Galloway Calhoun as Imperial Potentate of the Ancient Arabic Order, Nobles of the Mystic Shrine for North America, a campaign was instituted requesting contributions to the Hospitals in recognition of the Diamond Jubilee of the Imperial Council and the twenty-fifth year of operation of the Hospitals. Contributions to this "Diamond Jubilee" campaign aggregated \$215,677.20 which have been recorded as a separate item of income of the Board of Trustees.

Of total Hospital operating expenses of \$1,928,291.50, the Board of Trustees contributed \$1,240,966.94, or \$110,447.87 more than the preceding year. The Board of Trustees also expended \$66,158.29 for replacements, a decrease of \$1,740.56.

Total net income of local governing Boards was \$1,340,527.86, an increase of \$222,113.13 over the preceding year. Of this income \$620,079.77 represented net endowment fund income, \$720,048.01 was received in contributions and donations. Expenditures were made for Hospital operating expenses in the amount of \$682,768.51, custodial expenses were \$52,896.42, research \$6,010.00, replacements \$109,535.40, and additions to buildings and equipment \$99,771.88. Total expenditures were \$966,771.62; the excess of income over expenditures was \$373,756.24. Of this amount \$27,423.62 was transferred to restricted funds and \$132,655.64 to endowment funds principal, resulting in a net increase in Hospital Units' Current Funds in the amount of \$213,676.98.

Income of Restricted Funds representing for the most part gifts for the purpose of acquiring buildings and equipment was \$571,767.18 of which \$580,007.51 was expended for such purposes.

The per capita cost of operating the Hospitals was \$6.78; total Hospital operating expenses were \$1,928,291.50. Total patient days were 284,347; average daily patients 776. Comparison of these figures with those of prior years may be effected by observation of the tabulation presented earlier in this report. A summary of Hospital Operating Expenses for the year ended February 28, 1950, together with statement of amounts expended for appropriations of the Board of Trustees and from investment income and contributions to local Units, is submitted as follows:

It will be observed that none of the expenses of the San Francisco Unit were paid from appropriations of the Board of Trustees, the entire cost of operating that Unit having been met from investment income and contributions available to it.

A statement of changes in Endowment Funds Principal is presented in Exhibit "C".

A detailed balance sheet showing assets and capital accounts of the Hospitals and the Board of Trustees as of February 28, 1950 has been prepared and is presented herewith as Appendix "I".

To THE BOARD OF DIRECTORS,

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

AUDITORS' OPINION

We have examined the consolidated balance sheet of Shriners Hospitals for Crippled Children as of February 28, 1950 and the related statements of consolidated comparative statement of income and expenditures and changes in endowment fund principal for the year then ended (Exhibits "B" and "C"). Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not visit the Honolulu or Mexico City Units for the purpose of examining receipts and disbursements of those Units.

In our opinion, the accompanying consolidated balance sheet and statements of income and expense present fairly the position of Shriners Hospitals for Crippled Children at February 28, 1950, and the result of its operations for the year then ended in conformity with generally accepted accounting principles applicable to eleemosynary institutions applied on a basis consistent with that of the preceding year.
